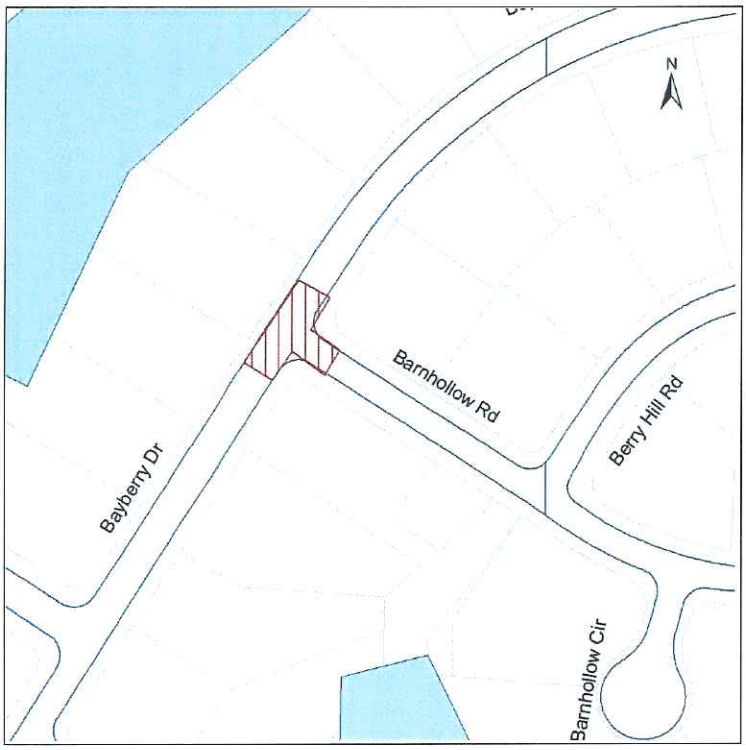
Emergency Sanitary Sewer Repair Planned at the intersection of Bayberry Dr. and Barnhollow Rd.

Dear Valued Customer,

The City of Norfolk Department of Utilities has hired Tidewater Utility Construction Company to make an emergency repair to the existing sanitary sewer at the intersection of Bayberry Drive and Barnhollow Road, as shown on the map to the right.



The work is expected to take 6 – 8 weeks to complete.

Sanitary sewer service will be maintained throughout construction, and traffic detours will be set up around the work zone.

The City and our contractor will do our best to minimize the unavoidable disruptions associated with construction.

If you have any questions regarding this project, please do not hesitate to contact the City's on-site Construction Inspector, Mr. Thomas King. He may be reached by cell phone at 813-5450, to respond quickly. You may also contact the Project Manager, Mike Smith, at 664-6766.

We look forward to completing this project which will enhance your sewer service for years to come.

Sincerely,

Kristen M. Lentz, P.E.
Director of Utilities
