MEMORANDUM

TO: City Council

FROM: Lori A. Crouch, Corporate Communications Director

COPIES TO: City Clerk, City Attorney

SUBJECT: Council Interests

DATE: April 22, 2016

Today's memo includes information and updates from the April 12, 2016 Informal City Council Session.

**Neighborhood Quality Update:** Staff conducted a comprehensive sweep of the following streets:

- Portview Av, from 1<sup>st</sup> View to Mason Creek
- A View Av, from Granby to Mason Creek
- W. Balview Av, from Granby to Mason Creek
- W. Seaview Av, from Granby to 1<sup>st</sup> View
- D View Av, from Granby to Tidewater
- W. Government Av, from Granby to Tidewater
- Statler St
- Capitol Av
- Lakeside Dr
- Dulwich Cres

The following enforcement actions took place and staff will follow-up to ensure these issues are corrected:

- 15 Tall Weed Grass
- 15 Trash And Debris
- 5 Code Enforcement Case
- 2 Residential Parking (1 parking ticket)
- 1 Inoperable Vehicle

**Police Technology:** The Norfolk Police Department is working on several technology upgrades that will remind an officer to turn on the body worn camera. The first effort will re-program the computer aided dispatch system to include a reminder to turn on body worn cameras when dispatched to calls for service. In addition, the Police are working with the Emergency Operations Center to integrate a reminder in radio dispatch procedures. Chief Goldsmith is currently reviewing new technology that will automatically turn on body worn cameras when officers complete tasks such as turning on their emergency lights, removing their weapon or opening the car door.

**Bose Investigation:** The Bose case remains an active investigation and all leads are being pursued. Norfolk Police is collaborating with other agencies. A Norfolk officer is assigned to the Federal Bureau of Investigation's Violent Crimes Task Force as part of this collaboration. In addition, Norfolk Police are utilizing various state and federal resources available to them.

**Short Term Rentals:** Staff will provide information on short term rentals during a presentation scheduled for Tuesday, April 26<sup>th</sup>.

**Body Worn Cameras:** The Office of Professional Standards maintains the discipline history of officers failing to activate their body worn cameras. The City's progressive discipline philosophy is followed to address these instances. In 2016, there have been 11 instances resulting in command counseling and 1 instance resulting in a letter of reprimand. No officer has been in violation more than 2 instances which would result in suspension.

**Outreach Plans for New Employee Management System:** Human Resources staff is scheduling several workshops beginning in June which will provide employees an opportunity to learn more about the time/absent management systems and payroll scheduling revisions. Staff is already sending messages about the improvements and efficiencies to employees.

**High-Speed Internet:** Staff will provide a comprehensive presentation to Council in May about efforts to expand and enhance high-speed internet in the City. Staff will also include an update on the COX franchise agreement review and renewal process.

**Verizon Fios:** Staff is scheduling a meeting with Verizon next week to discuss FIOS and other emerging technology for high speed data and cable that Verizon is currently exploring.

Verizon's goal with FIOS was to reach 18 million homes nationally. They were actively engaged in negotiations with several cities nationwide and in Virginia to bring FIOS to communities. When they reached the 18 million milestone in 2010, they ceased discussions on new installations and expansion into several cities including Norfolk, Alexandria, Falls Church, as well as Baltimore (city), Minneapolis, and Los Angeles. Nationally, although FIOS reaches 18 million homes, a vast majority of U.S. cities don't have FIOS available to them (see attached maps). In the cities where FIOS is offered, availability does not extend to all locations. For example, New York City has FIOS, but it is not available in Brooklyn and Manhattan.

Staff received notification via phone and e-mail from Verizon external affairs and/or engineering in 2010, 2012, 2013, and December 2015 that they have no plans to resume discussions with cities to expand FIOS at this time.

**Code Enforcement Shifts:** Neighborhood Development is evaluating several models for alternative shifts and expects to launch in pilot program for this summer. We think there is value in code enforcement personnel meeting with residents while they are at home. This provides an opportunity to build relationships which would encourage volunteer compliance. We currently have an Emergency On-Call Inspector who is available 24/7 that reports to fires, demolish, board-up etc.

**Landscaping Update:** Parks and Urban Forestry staff are performing the spring cleanup of the medians and triangles at the Military Highway-Little Creek Road intersection. The spring cleanup includes pruning, weeding and mulching of the bed areas. Staff will also remove two juniper plantings causing sight obstructions for left turns from Little Creek to Military Hwy/Pythian Road. Crews will complete the work the first week of May.

**Police Officer Standards:** The police department has demonstrated an authentic commitment to transparency and accountability to build trust and communication as well as collaboration with our citizens. The Chief and command staff have lead proactive measures in preventing misconduct through the appropriate training to include fair and impartial policing training as well as procedural justice and ethics training. Norfolk Police has zero tolerance for police misconduct and takes affirmative steps to remove those officers engaged in such activity.

**Fort Norfolk Redevelopment:** City Council on April 12 approved (R-15) a Downtown Certificate to permit the substantial rehabilitation of the existing 4 story historic warehouse; converting the vacant warehouse into 57 dwelling units. Neighborhood Quality (Code Enforcement) along with Norfolk Police will continue to monitor for any code violations.

**B. MEDICAL HUB OF THE REGION**

Peter Chapman, Deputy City Manager, stated Norfolk is the medical hub of the region offering a broad and diverse group of businesses with a primary focus on healthcare and life sciences. There is a significant potential to contribute to new business startups and expansions through commercialization of technology. In terms of healthcare and life sciences institutions in Norfolk, Sentara is the largest private sector employer accounting for 16 percent of civilian jobs in this market. It employs over 800 healthcare-related companies in Norfolk many of which are tied to Sentara. In 2015-2016, Sentara Norfolk General was ranked by U.S. News and World Report as one of the top 50 hospitals for cardiology and heart surgery. Sentara Leigh employs roughly 3,200 with over 80 medical and life science-related businesses within a one-mile radius of that campus. Bon Secours employs over 1,000 individuals.

There are a number of medical research centers that are significant in terms of healthcare and life sciences infrastructures. One adjunct of the medical research infrastructure are the diagnostic centers. An important part of the infrastructure is the micro and nanotechnology cleaning room at Norfolk State University. In terms of commercialization of technologies, CIRS deals in the world of phantom technology and tissue simulation with an outgrowth of research taking place at ODU, specializing in replacement of tendons and ligaments. Within the realm of economic development, the focus is on retention of existing institutions and businesses via systematic outreach and attracting new healthcare partners.

- Sentara employs 30,000 people, the fourth largest employer in the state.

- Some quaternary services are being provided, such as fetal surgery, a structural heart program that includes left appendage closure device placement, a CardioMems device, transcatheter aortic valve replacement and a Minimally Invasive Neurosurgery Spine Center.

On the April 26, 2016 regular agenda, City Council will be reviewing an ordinance authorizing the change of speed limit on Military Highway, one-way street of Magazine Lane, fifteen new stop signs within the City and three new truck restrictions. These agenda items are being submitted in response to requests from residents and civic leagues concerned with the speed levels of traffic, neighborhood safety and intersection approach sight visibility in neighborhoods.

The change of speed limit along Military Highway is recommended by the Division of Transportation as a measure to improve traffic flow and safety in conjunction with the new Continuous Flow Intersection currently under design for the Military Highway and Princess Anne Road intersection. Based on the new intersection design and approach maneuvers onto the left turn lanes, the division recommends the reduction of speed limit from 45 to 40 miles per hour on Military Highway from Raby Road to Robin Hood Road. (Map 1)

At request of Downtown Norfolk Council and Arts District businesses, the Division of Transportation investigated measures to help improve traffic flow conditions and increase traffic safety within the Arts District. This measure has written support from the Shadywood East Civic League.

At the request of residents of the Estabrook neighborhood, the Division of Transportation investigated measures to help improve the quality of life within the neighborhood. Residents that live on Buckingham Street, Henrico Street and Nottaway Street are experiencing an increased level of truck traffic on their streets. The trucks are destined to a nearby industrial area located west of Chesapeake Boulevard. Based on the review of the area, the Division of Transportation recommends installation of No Through Trucks, 1 ½ Tons and over on the streets. Truck traffic can continue to utilize Amherst Street which is a direct route to the industrial area. (Map 5)

The Department of Public Works follows well developed, nationally recognized guidelines to assess traffic control sign requests. Upon receiving a request for traffic control devices, Division of Transportation staff analyzes the request and conducts a field investigation. ## EXHIBIT A TO ORDINANCE

### LEASE AGREEMENT

**THIS LEASE AGREEMENT** ("Lease") made this \_\_\_\_\_ day of \_\_\_\_\_, 2016, by and between the **CITY OF NORFOLK**, a municipal corporation of the Commonwealth of Virginia ("City"), Lessor, and **GRACE'S TAILOR SHOP, INC.**, a Virginia corporation ("Grace"), Lessee.

#### WITNESSETH:

**1. PREMISES.** City, for and in consideration of the rents, covenants and agreements hereinafter mentioned, reserved and contained, to be paid, kept and performed by Grace, does hereby demise and lease unto Grace, and Grace does hereby lease from City, the property owned by the City of Norfolk being a portion of Fountain Park Garage, 672 square feet in area, located at 130 Bank Street, in Norfolk, Virginia, as shown in Exhibit A attached hereto ("Premises").

**2. USE.** Grace covenants and agrees to use and occupy Premises for the operation of a tailoring shop and for no other purpose.

**3. LEASE TERM.** This lease agreement is for a five year term and will commence on May 1, 2016 ("Commencement Date") and will terminate on April 30, 2021 ("Termination Date"), subject to the default provisions contained in Section 25.

**4. RENT:** Rent shall be made payable to the Norfolk City Treasurer and shall be in such sums as are set forth in the table below. The rent amount will increase 3% annually in each successive year of the lease.

Term	Rent PSF	Annual Rent	Monthly Rent
05/01/2016-04/30/2017	\$21.00	\$14,112.00	\$1,176.00
05/01/2017-04/30/2018	\$21.63	\$14,535.00	\$1,211.25
05/01/2018-04/30/2019	\$22.28	\$14,971.00	\$1,247.58
05/01/2019-04/30/2020	\$22.95	\$15,421.00	\$1,285.08
05/01/2020-04/30/2021	\$23.64	\$15,885.00	\$1,323.75

The rent shall be paid in monthly installments, made promptly on the first day of each month during the term of this Lease without demand and without offset or deduction. No payment by Grace or receipt by City of a lesser amount than the monthly installment stipulated in this Lease shall be deemed other than on account of the earliest stipulated rent, nor shall any endorsement or statement on any check or payment, or any writing accompanying any check or payment of such rent, be deemed an accord and satisfaction, and City may accept such check or payment without prejudice to City's right to recover the balance of such rent or pursue any other remedy provided in this Lease.

**5. PAST DUE RENT AND LATE CHARGES:** Grace hereby acknowledges that late payment by Grace to City of rent or other sums due hereunder will cause City to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges. In the event Grace shall fail to pay, when the same is due and payable, any Rent, charges or adjustments, and if said sums have not been paid within five (5) days of their due date, then Grace shall pay to City a "Late Charge" of five percent (5%) of the amount due on all rents. Grace further covenants and agrees to pay City as a "bad check" or returned check charge the amount of Fifty Dollars (\$50.00) per bad check.

**6. SECURITY DEPOSIT:** Grace has deposited with City a security deposit of One Thousand One Hundred Seventy Six Dollars and 0/100 (\$1,176.00) ("Deposit"), which shall be held by City, without liability for interest thereon, as security for the full and faithful performance by Grace of each and every term, covenant, and condition of this Lease on the part of Grace to be observed and performed.

If any sum payable by Grace to City shall be overdue and unpaid, if City shall make payments on behalf of Grace, or if Grace shall fail to perform any of the terms or covenants of this Lease, then City, at its option, and without prejudice to any other remedy which City may have on account thereof, may appropriate and apply the Deposit, or so much thereof as may be necessary, to compensate City for the payment of such sums due or for any loss, damage or expense sustained from such default. In such event, Grace, promptly upon demand, shall restore the Deposit to the full amount. In the event Grace shall fully and faithfully comply with all of the terms, covenants and conditions of this Lease, the Deposit shall be returned in full to Grace following the Termination Date and the surrender of the Premises by Grace.

In the event any bankruptcy, insolvency, reorganization, or other creditor-debtor proceedings shall be instituted by or against Grace, the Deposit shall be deemed to be applied first to the payment of any rents and/or other charges due City for all periods prior to the institution of such proceedings and the balance, if any, of such Deposit may be retained by City in partial satisfaction of City's damages.

**7. UTILITIES AND OTHER COSTS:** City will pay all charges when due for water and sewerage, gas and electricity and other utility charges and utility taxes in connection with the Premises. Grace will be responsible for all janitorial costs.

**8. NO JOINT VENTURE:** It is hereby agreed that nothing contained in this Lease shall be deemed or construed as creating a partnership or joint venture between City and Grace, or between City and any other party, or cause either party to be responsible in any way for the debts or obligations of the other party.

**9. NO ASSIGNMENT OR SUBLEASE:** Grace covenants not to assign, mortgage or encumber this Lease nor sublet or suffer or permit the Premises or any portion thereof to be used by others without the prior written consent of the City in each instance. The transfer of fifty percent (50%) or more of Grace's stock, if Grace is a corporation, or the transfer of twenty-five percent (25%) or more partnership interest in Grace, if Grace is a partnership, or the dissolution of

Grace as a corporation or partnership, is regarded as an assignment of the Lease, and the same is not permitted without the prior written consent of the City. Grace and any guarantors shall remain liable for this Lease, its terms and covenants in such event that the City does grant consent to an assignment or sublease, and shall guarantee the performance of the assignee or subGrace without the need for guarantor's signature or consent thereto.

**10. RELOCATION:** If for any reason, in City's sole discretion, City wishes to relocate Grace from the Premises to other space within the Fountain Park Garage, Grace shall, within sixty (60) days after receipt of City's notice of same, vacate the Premises and relocate all of Grace's trade fixtures, equipment and inventory to the new premises designated by City. Grace's reasonable and necessary expenses for moving such trade fixtures, equipment and inventory shall be reimbursed by City within sixty (60) days of City's receipt of invoices for such expenses. City shall pay for the completion of any necessary interior improvements in the new premises substantially similar to those paid for by City pursuant to this Lease. All other costs of remodeling, outfitting and furnishing the new premises shall be paid by Grace. Grace shall arrange for the transfer of all utilities to the new premises, and shall execute and deliver any relevant documentation as City may prepare to memorialize the same.

**11. INDEMNIFICATION AND GRACE'S INSURANCE:** Grace, at its own cost and expense, shall obtain and maintain Comprehensive General Liability Insurance on the Premises for the joint and separate benefit of City and Grace in an amount not less than \$1,000,000 for injury to or death of any person or persons, \$2,000,000 for any one occurrence, and \$500,000 for property damage, or in such higher limits as shall be reasonably required by City.

Grace will be responsible for any and all damages to Grace's inventory, furniture, fixtures and equipment, and will, at all times during the lease term and at its own cost expense, maintain all risk property insurance against damage by fire or other perils in an amount equal to the replacement value of all parts of the Premises for which the Grace is responsible. Each insurance policy shall be so written as to protect the City and the Grace, as their respective interests may appear, and all liability policies shall specifically name the City as an Additional Insured under the policy. If Grace fails to provide such insurance, City may terminate this lease with ten (10) days notice to Grace. Certificates of Insurance verifying all required insurance policies shall be delivered to the City prior to the Grace's occupancy or build-out of the leased space.

Grace agrees to look solely to the proceeds of Grace's own insurer for indemnity against exposure for casualty losses of property or business interruption. Grace warrants that its liability, property and business interruption insurers shall have no rights against City by virtue of assignment loan agreement or otherwise.

Grace shall indemnify City for and against any and all claims, demands, suits, actions and judgments of any kind or nature whatsoever, including costs and expenses, for any personal injury or property damage to any person, or property, arising or resulting, directly or indirectly, from the entry onto the Premises by Grace or Grace's agents.

**12. ACCEPTANCE OF PREMISES:** Grace hereby agrees to accept the Properties from the City as they are found by Grace in "as is and where is" condition.

**13. ESTOPPEL CERTIFICATE:** Grace shall, from time to time and within ten (10) days after request therefore by the City, execute, acknowledge and deliver to the City or its Agent a written Estoppel Certificate in recordable form. The Estoppel Certificate shall certify to the City, its Mortgagee or other party designated by the City, as of the date of such Estoppel Certificate that (a) the Grace is in possession of Premises and is currently paying the Base Rent reserved hereunder; (b) the following Lease dates are and have been established: the Commencement Date and Termination Date of the Lease and that date upon which the Grace started to pay rent; (c) that this Lease is unmodified and in full force and effect, or if there have been modifications, that the same are in full force and effect as modified and setting forth such modifications; (d) that there are no existing set-offs or defenses against the enforcement of any rights or remedies of the City, or any duty or obligation of the Grace, hereunder, and if so, specify the same in detail; and (e) that the Grace has no knowledge of any event having occurred that will authorize the termination of this Lease by the Grace, or that the Grace has no knowledge of any uncured defaults on the part of the City under this Lease, or if the Grace has such knowledge, specifying the same in detail. In the event that the Grace does not execute and deliver such Estoppel Certificate, as required herein, then this Article 12, for purposes of this Lease, shall be and shall constitute an Irrevocable Power of Attorney, appointing and designating the City, its successors and assignees, as the Grace's attorney-in-fact to execute and deliver such Estoppel Certificate as herein provided.

**14. SUBORDINATION AND ATTORNMENT:** Grace agrees that this Lease is subordinate to any mortgage or lien resulting from financing or refinancing, now or hereafter placed upon the land on which the Premises have been built or upon any building hereafter placed upon the land, of which the Premises are a part. Grace will further attorn to and acknowledge the foreclosure purchaser or purchasers as the City hereunder. This shall be self-operative and no further instrument of subordination shall be required by any mortgagee. However, Grace shall, upon the request of any party in interest, promptly execute such instrument or certificate to carry out the intent thereof. City agrees to use its best efforts to obtain a non-disturbance agreement.

**15. QUIET ENJOYMENT:** City hereby covenants that Grace, upon fully complying with and promptly performing all the terms, covenants and conditions of this Lease, on its part to be performed, and further, upon the prompt and timely payment of all rental sums due hereunder, shall have and quietly enjoy the Premises for the Lease Term set forth herein.

**16. MAINTENANCE BY CITY:** City covenants that it will, at its own cost and expense and with reasonable dispatch after being notified in writing by Grace of the need therefore, make such repairs to the outside utility lines and exterior of the Premises, including the foundation, roof, gutters, down spouts and outside walls, but excepting all storefronts, glass, doors, awnings and canopies, as may be necessary to keep the same in a good, workmanlike condition of repair. Further, City, at its own cost and expense, will maintain the heating, ventilating and air conditioning system, a.k.a. the HVAC system (including compressors and other major components), wires and conduits, electric lines, electric panel boxes, and any outdoor lighting.

**17. MAINTENANCE BY GRACE:** Grace covenants that it will, during the Term hereof, maintain the interior of the Premises and perform routine repairs and maintenance to items such as toilets, pipes, plumbing, and so forth.

**18. ADDITIONAL COVENANTS BY GRACE:** Grace shall not make alterations, additions or improvements to the building structure of which the Premises are a part without first obtaining City's written approval and consent. For purposes of this Lease, the structural components of the building are hereby defined as the foundation, structural steel, roof, exterior walls, storefront components including storefront glass and doors, back doors, or loading doors, existing interior plumbing improvements, exterior plumbing lines, HVAC unit components and ductwork, electric service, ceiling and light fixtures and common areas. Grace shall present to City plans and specifications for any such work at the time approval is sought from City for Grace structural modifications.

Grace has the right to install its store trade fixtures in the Premises, provided that such installation does not damage the construction of the building nor interfere with the structural components of the building of which the Premises are a part. Such installations shall be at the sole risk and at the expense of the Grace. All fixtures installed by Grace shall remain the property of Grace, and if the Grace is not in default of the Lease, its terms and covenants herein, the same fixtures shall be removed by Grace at the expense of the Grace at the end of the Lease. Grace further agrees to repair and/or to reimburse City for the cost of repair for any damages to the Premises caused by the installation and removal of its trade fixtures. In the event that fixtures are left behind or abandoned, Grace shall pay to City any expenses associated with repairs to the Premises caused by the removal of same fixtures.

Grace's signage is subject to and shall be within the sign criteria established by the Department of City Planning of the City of Norfolk. Design of storefront signage and fabrication and installation of the same shall be approved by the City or its Agent in writing prior to sign installation by Grace at Grace's expense. Grace further agrees to maintain such storefront signage, awning signs, canopy signs, show window lettering, door signs or additional similar advertising signs in a good condition of repair and attractive display at all times.

Signs installed by Grace are the property of Grace, and if Grace is not in default hereunder, shall also be removed by Grace at the end of the Lease Term at Grace's expense. Signs that are left behind or abandoned become the property of the City. If Grace abandons sign upon termination of this Lease, or sooner, City shall have the right to remove the sign and Grace agrees to be responsible and liable for the cost of such removal and the cost of such repairs occasioned by same removal.

Grace will not use nor permit the Premises to be used for any illegal or immoral purpose. Grace hereby agrees to comply with all Federal, State and Municipal laws, ordinances and regulations as they relate to Grace's business and/or to the Premises in which the Grace's business is located, and the use, storage and disposal of hazardous substances.

Grace shall not make any use of the Premises, which would make voidable or void any policy of fire or extended coverage insurance covering any of the buildings or cause the buildings to become uninsurable. Grace covenants that, without prior written consent of the City, Grace will not do anything which will increase the rate of fire insurance premium on the building. If by reason of any use by Grace of the Premises or the keeping by Grace of any flammable substances in the Premises, the hazardous insurance premiums or policies maintained by City shall be

increased over normal rates for the building, the amount of the increase in the City insurance premium shall be paid to City by Grace from time to time on demand. Grace hereby covenants that it shall cease and desist any activity so affecting the insurability of the Premises upon written demand of the City.

Grace will not use nor permit to be used any advertising medium or device such as audio broadcast, loudspeaker, radio, public address system, remote radio station, or flashing or digital reader sign, without the prior written consent of the City.

Grace shall not hold any fire, bankruptcy, and going-out of business or auction sales, without the prior written consent of the City.

Grace shall not use the sidewalks or any other portions of the common areas for any purpose related to the selling of merchandise or services without the City's consent in writing.

Grace shall notify City in writing of all accidents or security-related incidents, i.e. crimes against person(s) and property, which occur in or about the Premises.

Grace is hereby responsible and liable for any freezing in pipes and/or within plumbing fixtures and shall pay for the damages incurred. Grace shall keep the Premises at a sufficient temperature to prevent such freezing or make such arrangements with the local Utility to prevent freeze-ups.

**19. CITY'S INSPECTION AND ACCESS:** City or its Agent, employees and/or contractors shall have the right to enter the Premises at any reasonable time to examine the same; to show the Premises to prospective purchasers, lenders, or prospective Graces of the Premises; and to make such repairs, alterations, improvements or additions as City may deem necessary or desirable. If Grace is not personally present to permit entry and an entry is necessary, City or its Agent may, in the case of emergency, or if the Premises are unsecured and temporarily unoccupied, forcibly enter or secure the same, or take such other steps to address the emergency that City deems appropriate, without rendering City liable therefore. Otherwise, all such work and installation shall be done, so far as practical, so as not to unreasonably interfere with Grace's use of the Premises. Grace also hereby grants unto City and its Agent the right, within four (4) months prior to the Termination Date, to post and to remain thereon, without hindrance or destruction, the usual notice of "For Rent" on the storefront glass or front walls of said Premises. The exercise of any of these reserved rights by City shall not be deemed as an eviction or disturbance of Grace's use, possession and quiet enjoyment of the Premises, and shall never render City liable in any manner to Grace or any other person.

**20. WAIVER OF SUBROGATION:** City and Grace waive all right of recovery against each other for any loss in or about the Properties, from perils insured against and under the fire insurance contract, including any all risk endorsements thereof, whether due to negligence or any other cause. This release of liability shall be operative only as long as waiver of subrogation clauses are available on insurance policies, in the amounts, form, kinds and with a company satisfactory to City.

**21. INDEMNITY AGAINST LIENS:** Grace agrees that it will, at all times during this Lease, take any and all steps necessary to prevent the filing of mechanics liens against the Premises. Grace further agrees to indemnify and save the City harmless from and against any and all liabilities incurred by Grace or claimed or charged against the Premises. Grace shall promptly pay, or otherwise discharge, any and all such claims, expenses and liens, including the mechanic's materialmen's and other laborer's liens asserted or claimed against the Premises or any part thereof. In no event shall City or any of the City's property be liable for or chargeable with any expense or lien for work, labor or materials used for and in the Premises; or for any improvements thereof or changes made upon the order of Grace, or to discharge the obligations of the Grace.

**22. FIRE AND/OR DESTRUCTION:** If the Premises shall be damaged by fire or other casualty during the Term hereof, City agrees that it will restore the structural components and items, as defined in Section 16 hereof, with reasonable dispatch to substantially the same condition that they were in so far as the proceeds from City's insurance permit and, further provided that, City's mortgagee does not require insurance proceeds to be paid to it. Once City restoration work is complete, and since time is of the essence, Grace's rent payment shall recommence on the date that Grace reopens for business but no later than the sixtieth (60<sup>th</sup>) day after City notifies Grace in writing that the Premises are ready for fixturing. The Grace shall be responsible, at its sole cost and expense, to repair or replace any and all of the Grace's fixtures, equipment and leasehold improvements, which were damaged or destroyed by the same insured cause. The rent payable hereunder shall be equitably and proportionately abated, according to loss of use to Grace, during the period of time intervening between the date of such fire and/or destruction and the date that the Premises are restored. However, if the damage is due to the fault or the negligence of the Grace or its employees, there shall be no abatement of rent. If such destruction occurs, during the last two (2) years of the term and exceeds fifty percent (50%) of the insurable value of the Premises at the time of such destruction occurs, City, at its option, may terminate this Lease as of the date of such destruction by giving Grace written notice of its intention to do so within sixty (60) days after such date of destruction. If this Lease is so terminated, then the rent payable hereunder shall be abated as of the date of same destruction and Grace shall remove all its property from the Premises within thirty (30) days after the receipt of written notice of termination. Unless City gives such notice, this Lease shall remain in full force and effect and City shall repair such damage as its expense, as expeditiously as possible under the circumstances. Notwithstanding the foregoing, in the event of damage to the Premises by fire or casualty which is not the result of Grace's negligence, and which cannot be repaired within one hundred eighty (180) days of occurrence, City or Grace shall have the right to terminate this Lease by giving the other party thirty (30) days prior written notice.

**23. FORCE MAJEURE:** In the event that either party hereto shall be delayed or hindered in, or prevented from, the performance of any act required hereunder by reason of strikes, lock-outs, labor troubles, inability to procure materials, failure of power, restrictive governmental laws or regulations, riots, insurrection, war or other reason of a like nature, not the fault of the party delayed in performing the work or doing acts required under the terms of this Lease, then performance of such acts shall be excused for the period of the delay; and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay; provided, however, that the provisions of this Lease shall not operate to release Grace from this

Lease nor to excuse Grace, nor shall Grace in any event be excused from prompt payment of rent and adjustments, and all other charges due to City by Grace.

**24. EMINENT DOMAIN:** If all the Premises are condemned or taken by the power of eminent domain exercised by any governmental or quasi-governmental authority, this Lease shall terminate as of the date that the Grace is required to vacate the Premises and all Rent shall be paid up to and until same date of termination. If only part of the Premises shall be taken and the size of the Premises are proportionately reduced, then the Grace is entitled to an equal and proportionate reduction in Rent. Further, City shall, as expeditiously as possible, repair the remaining portion of Premises to the extent necessary to render the same suitable for which the Premises were leased. Grace hereby waives any right that it may have to any condemnation award or sum paid under threat of condemnation as a result of a complete or partial taking of the Premises and/or any portion of the common areas. If there is only a partial taking of the common areas, this Lease shall not terminate and this Lease shall remain in full force and in effect. After partial taking of the common areas, the City, within a reasonable time thereafter, shall repair or reconstruct the remaining portion of the common areas to the extent necessary to make the same a complete architectural unit.

**25. GRACE'S DEFAULT:** The occurrence of any one of the following events constitutes a default by the Grace and a breach of this Lease and its covenants by the Grace, if such default, breach or non performance is continued and not cured within ten (10) days after written notice from City: (a) The vacating or abandonment of the Premises by Grace, or the failure of the Grace to be open for business and for the conduct of business as described in the Use Clause Article found in this Lease Agreement, (b) The failure by Grace to make any payment of rent and adjustments on or before the due date thereof, (c) The failure by Grace to perform any covenants herein or the breach by Grace of any Lease covenants herein, other than those described in this section, and the further failure by Grace to cure such covenant breach or non-performance, or to commence to cure and diligently pursue the cure of the covenant breach or non-performance which cannot be fully remedied within ten (10) days, (d) Petition by Grace for bankruptcy, insolvency, or general assignment for the benefit of its creditors, or receiver appointment for Grace for the substantial part of its assets and properties and such receiver is not removed within ten (10) days after its appointment, (e) If the Grace shall default as described in this section, or in the performance of any covenant contained in this Lease, and if such default is repeated once within the next twelve months then, notwithstanding that such defaults shall have been cured within the period after notice as herein provided, any further similar default within such twelve month period shall be deemed a Grace Default which cannot be cured, notwithstanding provisions for cure provided in this Lease. Upon such default, the City may proceed, with five days notice but no opportunity for cure, to exercise its remedies upon default.

**26. CITY'S REMEDIES:** In the event of Grace Default, including Grace's abandonment or vacating the Premises, City shall have the right, in addition to all other rights and remedies provided by the law, to terminate this Lease, and/or to re-enter and take possession of the Premises, peaceably or by force, and/or to change the locks thereto and to remove any property and merchandise therein, without liability to Grace for damage arising therefrom and without obligation to Grace to store any merchandise and property. Any costs of removal and storage of Grace's fixtures, inventory, equipment or any other personal property shall be the expense of Grace

and shall be added to all sums owed by Grace to City. Further, City is under no obligation to Grace, after default or abandonment, to relet the Premises in the name of Grace or for the benefit of the City. City may, at its option and without subsequent notice to Grace, re-let the Premises for such term and on such covenants and purposes as City, in its sole discretion, may determine are in the best interest of the City. City may collect and receive all rents derived therefrom and apply the same, after deduction of appropriate expenses, to the payment of the rent overdue and payable hereunder from the Grace in default. The Grace in default shall remain liable for any deficiency. Further, City shall not be responsible for or liable for any failure to re-let the Premises or any part hereof, or for any failure to collect any rent connected therewith. The City's recovery of possession of the Premises by any means shall not relieve the Grace of its obligation to pay rent and adjustments through the term of the Lease, including any extensions in effect at the time of default under which Grace then occupies the Premises.

Acceptance by City of delinquent rent from Grace after Grace Default shall not cure such default or entitle Grace to possession of the Premises. Grace hereby expressly waives any and all rights of redemption, if any, granted by and under any present or future law, in the event that Grace shall be evicted or dispossessed for any cause in default or in the event that the City obtains possession of the Premises by virtue of the remedies outlined in this Lease, or otherwise. The receipt by City of rent with knowledge of the breach of any covenant hereof shall not be deemed a waiver of such breach, and no waiver by City of any covenant hereof shall be deemed to have been agreed upon, unless explicitly reduced to written agreement and signed by City and Grace.

All remedies of City shall be cumulative.

**27. ATTORNEYS' FEES:** Grace hereby agrees to pay all costs incurred by the City on account of the Grace's default, including but not limited to collection costs, court costs and attorney fees in an amount equal to twenty-five percent (25%) of any money owed to City by Grace at the time and accruing after City requests the assistance of an attorney. If Grace's default is a non-monetary default, Grace shall pay the greater of Two Hundred Fifty Dollars (\$250.00) or City's actual attorney's fees.

**28. TERMINATION AND SURRENDER:** Upon the Termination Date of this Lease, Grace shall surrender the Premises to City in as good condition as they were found upon the Grace taking possession of the Premises; except for ordinary wear and tear, reduction of the Premises by condemnation or damage by fire, destruction or other casualties or causes beyond Grace's control. Grace shall deliver to City or its Agent all keys to the Premises and remove all its personal property, merchandise and trade fixtures. After Grace vacation or Grace abandonment, City may elect to retain or dispose of, in any manner, Grace alterations and improvements or Grace's personal property that Grace does not remove from the Premises before or after the Termination Date. Title to any such Grace alterations or Grace's personal property, that City elects to retain or dispose of after the Termination Date, shall vest to and in the City. Grace waives all claims against City for any damage to Grace resulting from City's retention or disposition of any such alterations or personal property. Grace is further liable to City for City's expenses and costs for removing and disposing of any Grace alterations or Grace personal property, which City does not elect to acquire.

29. **WAIVERS:** The failure of City to insist, in any one or more instances, to strict performance by Grace as to any Lease covenants shall, not be construed as a waiver by City or relinquishment, in the future, of such covenants, but the same shall continue and remain in full force and effect. The receipt by City or its Agent of rent with knowledge of a covenant breach hereof shall not be deemed a waiver of the same covenant breach, and no waiver by City of any provision hereof shall be deemed to have been agreed upon unless expressed in writing and signed by the parties hereto.

Grace hereby waives the benefit of the homestead exemption as to this Lease.

30. **EXCULPATION:** The term "City" as used in this Lease means only the owner, for the time being or at the time of Lease execution by Grace, of the building in which the Premises are located or the owner of a Lease of both said building and the land thereunder. City shall be liable for the performance of its obligations hereunder only to the extent of City's assets as they pertain to the Premises. The City and its officers, agents, employees, successors and assignees shall not be liable personally. Further, the liability of the City shall not extend beyond the period of time of City's ownership of the Premises.

31. **SUCCESSORS AND ASSIGNS:** All the terms, covenants and agreements of this Lease shall extend to and be binding upon the City and be binding upon the Grace and its respective heirs, administrators, executors, successors, assignees, subGraces, concessionaires, marital communities, if any, and their respective assigns; and/or upon any person or persons coming into ownership or possession of any interest in the Premises by operation of law or otherwise.

**34. AMERICANS WITH DISABILITIES ACT:** In the event that any federal, state, or local government authority (the "Applicable Authority") with jurisdiction determines that the exterior and/or interior of the Premises are not in compliance with the Americans with Disabilities Act of 1990 (the "ADA"), City, at its sole cost, agrees to take such remedial action as is required by the Applicable Authority pursuant to the ADA to correct or remedy such noncompliance. Alternatively, if in City's judgment the remedial or corrective measures proposed by the Applicable Authority do not have to be performed in order for City to be in compliance with the ADA, City may contest, at its sole cost, such matter in lieu of performing the remedial action. However, upon final judgment being entered against City in a court of competent jurisdiction with regard to ADA requirements, City agrees to take such remedial actions, at its sole cost, as ordered by such court.

Any and all oral or written agreements, understandings, representations and warranties, promises and statements of the parties hereto or from their respective officers and directors or from their partners, Agents or brokers with respect to the subject matter of this Lease, and any matter not covered and mentioned in this Lease, shall be inferior and be merged in and by this Original Lease. **EXHIBIT A TO ORDINANCE**

**LEASE AGREEMENT**

**THIS LEASE AGREEMENT** (“Lease”) made this \_\_\_\_\_ day of \_\_\_\_\_, 2016, by and between the **CITY OF NORFOLK**, a municipal corporation of the Commonwealth of Virginia, Lessor, and **CORKS AND CAPS, LLC**, a Virginia corporation, Lessee.

**WITNESSETH:** -

**1. PREMISES.** Lessor, for and in consideration of the rents, covenants and agreements hereinafter mentioned, reserved and contained, to be paid, kept and performed by Lessee, does hereby demise and lease unto Lessee, and Lessee does hereby lease from Lessor, the property owned by the City of Norfolk located at 240 E. Main Street, 1,337 square feet in area, as shown in Exhibit A attached hereto (“Premises”).

**2. USE.** Lessee covenants and agrees to use and occupy Premises for the operation of a wine and food retail shop and for no other purpose.

**3. LEASE TERM.** This lease agreement is for a five year term and will commence on June 1, 2016 (“Commencement Date”) and will terminate on May 31, 2021 (“Termination Date”), subject to the default provisions contained in Section 24.

**4. EARLY TERMINATION.** Lessee may vacate Premises at any time, upon sixty (60) day’s prior written notice to Lessor, provided that Lessee is not in default of any condition or term of this Lease Agreement. Lessor may terminate this Lease, without cause, upon sixty (60) day’s prior written notice to Lessee.

**5. RENT:** Rent shall be made payable to the Norfolk City Treasurer and shall be in such sums as are set forth in the table below. The rent amount will increase 3% annually in each successive year of the lease.

Term	Rent PSF	Annual Rent	Monthly Rent
06/01/2016-08/31/2016	N/A	N/A	Rent abated – build out
09/01/2016-05/31/2017	\$16.50	\$16,545.42	\$1,838.38
06/01/2017-05/31/2018	\$17.00	\$22,729.00	\$1,894.08
06/01/2018-05/31/2019	\$17.51	\$23,410.87	\$1,950.91
06/01/2019-05/31/2020	\$18.04	\$24,119.48	\$2,009.96
06/01/2020-05/31/2021	\$18.58	\$24,841.46	\$2,070.12

The rent shall be paid in monthly installments, notwithstanding the 90 day buildout period stated above, made promptly on the first day of each month during the term of this Lease without demand and without offset or deduction. No payment by Lessee or receipt by Lessor of a lesser amount than the monthly installment stipulated in this Lease shall be deemed other than on account of the earliest stipulated rent, nor shall any endorsement or statement on any check or payment, or any writing accompanying any check or payment of such rent, be deemed an accord and satisfaction, and Lessor may accept such check or payment without prejudice to Lessor's right to recover the balance of such rent or pursue any other remedy provided in this Lease.

**6. PAST DUE RENT AND LATE CHARGES:** Lessee hereby acknowledges that late payment by Lessee to Lessor of rent or other sums due hereunder will cause Lessor to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges. In the event Lessee shall fail to pay, when the same is due and payable, any Rent, charges or adjustments, and if said sums have not been paid within five (5) days of their due date, then Lessee shall pay to Lessor a "Late Charge" of five percent (5%) of the amount due on all rents. Lessee further covenants and agrees to pay Lessor as a "bad check" or returned check charge the amount of Fifty Dollars (\$50.00) per bad check.

**7. SECURITY DEPOSIT:** Lessee has deposited with Lessor a security deposit of One Thousand Eight Hundred Thirty Eight Dollars and 0/100 (\$1,838.38) ("Deposit"), which shall be held by Lessor, without liability for interest thereon, as security for the full and faithful performance by Lessee of each and every term, covenant, and condition of this Lease on the part of Lessee to be observed and performed.

If any sum payable by Lessee to Lessor shall be overdue and unpaid, if Lessor shall make payments on behalf of Lessee, or if Lessee shall fail to perform any of the terms or covenants of this Lease, then Lessor, at its option, and without prejudice to any other remedy which Lessor may have on account thereof, may appropriate and apply the Deposit, or so much thereof as may be necessary, to compensate Lessor for the payment of such sums due or for any loss, damage or expense sustained from such default. In such event, Lessee, promptly upon demand, shall restore the Deposit to the full amount. In the event Lessee shall fully and faithfully comply with all of the terms, covenants and conditions of this Lease, the Deposit shall be returned in full to Lessee following the Termination Date and the surrender of the Premises by Lessee.

In the event any bankruptcy, insolvency, reorganization, or other creditor-debtor proceedings shall be instituted by or against Lessee, the Deposit shall be deemed to be applied first to the payment of any rents and/or other charges due Lessor for all periods prior to the institution of such proceedings and the balance, if any, of such Deposit may be retained by Lessor in partial satisfaction of Lessor's damages.

**8. UTILITIES AND OTHER COSTS:** Lessee will pay all charges when due for water and sewerage, gas and electricity and other utility charges and utility taxes in connection with the Premises. Lessee will also be responsible for all janitorial costs.

**9. NO JOINT VENTURE:** It is hereby agreed that nothing contained in this Lease shall be deemed or construed as creating a partnership or joint venture between Lessor and Lessee, or between Lessor and any other party, or cause either party to be responsible in any way for the debts or obligations of the other party.

**10. NO ASSIGNMENT OR SUBLEASE:** Lessee covenants not to assign, mortgage or encumber this Lease nor sublet or suffer or permit the Premises or any portion thereof to be used by others without the prior written consent of the Lessor in each instance. The transfer of fifty percent (50%) or more of Lessee's stock, if Lessee is a corporation, or the transfer of twenty-five percent (25%) or more partnership interest in Lessee, if Lessee is a partnership, or the dissolution of Lessee as a corporation or partnership, is regarded as an assignment of the Lease, and the same is not permitted without the prior written consent of the Lessor. Lessee and any guarantors shall remain liable for this Lease, its terms and covenants in such event that the Lessor does grant consent to an assignment or sublease, and shall guarantee the performance of the assignee or sublessee without the need for guarantor's signature or consent thereto.

**11. INDEMNIFICATION AND LESSEE'S INSURANCE:** Lessee, at its own cost and expense, shall obtain and maintain Comprehensive General Liability Insurance on the Premises for the joint and separate benefit of Lessor and Lessee in an amount not less than \$1,000,000 for injury to or death of any person or persons, \$2,000,000 for any one occurrence, and \$500,000 for property damage, or in such higher limits as shall be reasonably required by Lessor.

Lessee will be responsible for any and all damages to Lessee's inventory, furniture, fixtures and equipment, and will, at all times during the lease term and at its own cost expense, maintain all risk property insurance against damage by fire or other perils in an amount equal to the replacement value of all parts of the Premises for which the Lessee is responsible. Each insurance policy shall be so written as to protect the Lessor and the Lessee, as their respective interests may appear, and all liability policies shall specifically name the Lessor as an Additional Insured under the policy. If Lessee fails to provide such insurance, Lessor may terminate this lease with ten (10) days notice to Lessee. Certificates of Insurance verifying all required insurance policies shall be delivered to the Lessor prior to the Lessee's occupancy or build-out of the leased space.

Lessee agrees to look solely to the proceeds of Lessee's own insurer for indemnity against exposure for casualty losses of property or business interruption. Lessee warrants that its liability, property and business interruption insurers shall have no rights against Lessor by virtue of assignment loan agreement or otherwise.

Lessee shall indemnify Lessor for and against any and all claims, demands, suits, actions and judgments of any kind or nature whatsoever, including costs and expenses, for any personal injury or property damage to any person, or property, arising or resulting, directly or indirectly, from the entry onto the Premises by Lessee or Lessee's agents.

**12. ACCEPTANCE OF PREMISES:** Lessee hereby agrees to accept the Properties from the Lessor as they are found by Lessee in "as is and where is" condition.

**13. ESTOPPEL CERTIFICATE:** Lessee shall, from time to time and within ten (10) days after request therefore by the Lessor, execute, acknowledge and deliver to the Lessor or its Agent a written Estoppel Certificate in recordable form. The Estoppel Certificate shall certify to the Lessor, its Mortgagee or other party designated by the Lessor, as of the date of such Estoppel Certificate that (a) the Lessee is in possession of Premises and is currently paying the Base Rent reserved hereunder; (b) the following Lease dates are and have been established: the Commencement Date and Termination Date of the Lease and that date upon which the Lessee started to pay rent; (c) that this Lease is unmodified and in full force and effect, or if there have been modifications, that the same are in full force and effect as modified and setting forth such modifications; (d) that there are no existing set-offs or defenses against the enforcement of any rights or remedies of the Lessor, or any duty or obligation of the Lessee, hereunder, and if so, specify the same in detail; and (e) that the Lessee has no knowledge of any event having occurred that will authorize the termination of this Lease by the Lessee, or that the Lessee has no knowledge of any uncured defaults on the part of the Lessor under this Lease, or if the Lessee has such knowledge, specifying the same in detail. In the event that the Lessee does not execute and deliver such Estoppel Certificate, as required herein, then this Article 12, for purposes of this Lease, shall be and shall constitute an Irrevocable Power of Attorney, appointing and designating the Lessor, its successors and assignees, as the Lessee's attorney-in-fact to execute and deliver such Estoppel Certificate as herein provided.

**14. SUBORDINATION AND ATTORNMENT:** Lessee agrees that this Lease is subordinate to any mortgage or lien resulting from financing or refinancing, now or hereafter placed upon the land on which the Premises have been built or upon any building hereafter placed upon the land, of which the Premises are a part. Lessee will further attorn to and acknowledge the foreclosure purchaser or purchasers as the Lessor hereunder. This shall be self-operative and no further instrument of subordination shall be required by any mortgagee. However, Lessee shall, upon the request of any party in interest, promptly execute such instrument or certificate to carry out the intent thereof. Lessor agrees to use its best efforts to obtain a non-disturbance agreement.

**15. QUIET ENJOYMENT:** Lessor hereby covenants that Lessee, upon fully complying with and promptly performing all the terms, covenants and conditions of this Lease, on its part to be performed, and further, upon the prompt and timely payment of all rental sums due hereinunder, shall have and quietly enjoy the Premises for the Lease Term set forth herein.

**16. MAINTENANCE BY LESSOR:** Lessor covenants that it will, at its own cost and expense and with reasonable dispatch after being notified in writing by Lessee of the need therefore, make such repairs to the outside utility lines and exterior of the Premises, including the foundation, roof, gutters, down spouts and outside walls, but excepting all storefronts, glass, doors, awnings and canopies, as may be necessary to keep the same in a good, workmanlike condition of repair. Further, Lessor, at its own cost and expense, will maintain the heating, ventilating and air conditioning system, a.k.a. the HVAC system (including compressors and other major components), wires and conduits, electric lines, electric panel boxes, and any outdoor lighting, except where any of these items are installed by the Lessee to serve the Lessee's business.

**17. MAINTENANCE BY LESSEE:** Lessee covenants that it will, during the Term hereof, maintain the interior of the Premises and perform routine repairs and maintenance to items such as toilets, pipes, plumbing, and any fixtures installed by Lessee to serve the Lessee's business.

**18. ADDITIONAL COVENANTS BY LESSEE:** Lessee shall not make alterations, additions or improvements to the building structure of which the Premises are a part without first obtaining Lessor's written approval and consent. For purposes of this Lease, the structural components of the building are hereby defined as the foundation, structural steel, roof, exterior walls, storefront components including storefront glass and doors, back doors, or loading doors, existing interior plumbing improvements, exterior plumbing lines, HVAC unit components and ductwork, electric service, ceiling and light fixtures and common areas. Lessee shall present to Lessor plans and specifications for any such work at the time approval is sought from Lessor for Lessee structural modifications.

Lessee has the right to install its store trade fixtures in the Premises, provided that such installation does not damage the construction of the building nor interfere with the structural components of the building of which the Premises are a part. Such installations shall be at the sole risk and at the expense of the Lessee. All fixtures installed by Lessee shall remain the property of Lessee, and if the Lessee is not in default of the Lease, its terms and covenants herein, the same fixtures shall be removed by Lessee at the expense of the Lessee at the end of the Lease. Lessee further agrees to repair and/or to reimburse Lessor for the cost of repair for any damages to the Premises caused by the installation and removal of its trade fixtures. In the event that fixtures are left behind or abandoned, Lessee shall pay to Lessor any expenses associated with repairs to the Premises caused by the removal of same fixtures.

Lessee's signage is subject to and shall be within the sign criteria established by the Department of City Planning of the City of Norfolk. Design of storefront signage and fabrication and installation of the same shall be approved by the Lessor or its Agent in writing prior to sign installation by Lessee at Lessee's expense. Lessee further agrees to maintain such storefront signage, awning signs, canopy signs, show window lettering, door signs or additional similar advertising signs in a good condition of repair and attractive display at all times.

Signs installed by Lessee are the property of Lessee, and if Lessee is not in default hereunder, shall also be removed by Lessee at the end of the Lease Term at Lessee's expense. Signs that are left behind or abandoned become the property of the Lessor. If Lessee abandons sign upon termination of this Lease, or sooner, Lessor shall have the right to remove the sign and Lessee agrees to be responsible and liable for the cost of such removal and the cost of such repairs occasioned by same removal.

Lessee will not use nor permit the Premises to be used for any illegal or immoral purpose. Lessee hereby agrees to comply with all Federal, State and Municipal laws, ordinances and regulations as they relate to Lessee's business and/or to the Premises in which the Lessee's business is located, and the use, storage and disposal of hazardous substances.

Lessee shall not make any use of the Premises, which would make voidable or void any policy of fire or extended coverage insurance covering any of the buildings or cause the buildings

to become uninsurable. Lessee covenants that, without prior written consent of the Lessor, Lessee will not do anything which will increase the rate of fire insurance premium on the building. If by reason of any use by Lessee of the Premises or the keeping by Lessee of any flammable substances in the Premises, the hazardous insurance premiums or policies maintained by Lessor shall be increased over normal rates for the building, the amount of the increase in the Lessor insurance premium shall be paid to Lessor by Lessee from time to time on demand. Lessee hereby covenants that it shall cease and desist any activity so affecting the insurability of the Premises upon written demand of the Lessor.

Lessee will not use nor permit to be used any advertising medium or device such as audio broadcast, loudspeaker, radio, public address system, remote radio station, or flashing or digital reader sign, without the prior written consent of the Lessor.

Lessee shall not hold any fire, bankruptcy, and going-out of business or auction sales, without the prior written consent of the Lessor.

Lessee shall not use the sidewalks or any other portions of the common areas for any purpose related to the selling of merchandise or services without the Lessor's consent in writing.

Lessee shall notify Lessor in writing of all accidents or security-related incidents, i.e. crimes against person(s) and property, which occur in or about the Premises.

Lessee is hereby responsible and liable for any freezing in pipes and/or within plumbing fixtures and shall pay for the damages incurred. Lessee shall keep the Premises at a sufficient temperature to prevent such freezing or make such arrangements with the local Utility to prevent freeze-ups.

Lessee shall be required to obtain and maintain, at its own cost and expense, any and all licenses or permits required for development of its business, and any operational or logistical licenses or permits required for any construction work to be completed by Lessee.

**19. LESSOR'S INSPECTION AND ACCESS:** Lessor or its Agent, employees and/or contractors shall have the right to enter the Premises at any reasonable time to examine the same; to show the Premises to prospective purchasers, lenders, or prospective Lessees of the Premises; and to make such repairs, alterations, improvements or additions as Lessor may deem necessary or desirable. If Lessee is not personally present to permit entry and an entry is necessary, Lessor or its Agent may, in the case of emergency, or if the Premises are unsecured and temporarily unoccupied, forcibly enter or secure the same, or take such other steps to address the emergency that Lessor deems appropriate, without rendering Lessor liable therefore. Otherwise, all such work and installation shall be done, so far as practical, so as not to unreasonably interfere with Lessee's use of the Premises. Lessee also hereby grants unto Lessor and its Agent the right, within four (4) months prior to the Termination Date, to post and to remain thereon, without hindrance or destruction, the usual notice of "For Rent" on the storefront glass or front walls of said Premises. The exercise of any of these reserved rights by Lessor shall not be deemed as an eviction or disturbance of Lessee's use, possession and quiet enjoyment of the Premises, and shall never render Lessor liable in any manner to Lessee or any other person.

**20. WAIVER OF SUBROGATION:** Lessor and Lessee waive all right of recovery against each other for any loss in or about the Properties, from perils insured against and under the fire insurance contract, including any all risk endorsements thereof, whether due to negligence or any other cause. This release of liability shall be operative only as long as waiver of subrogation clauses are available on insurance policies, in the amounts, form, kinds and with a company satisfactory to Lessor.

**21. INDEMNITY AGAINST LIENS:** Lessee agrees that it will, at all times during this Lease, take any and all steps necessary to prevent the filing of mechanics liens against the Premises. Lessee further agrees to indemnify and save the Lessor harmless from and against any and all liabilities incurred by Lessee or claimed or charged against the Premises. Lessee shall promptly pay, or otherwise discharge, any and all such claims, expenses and liens, including the mechanic's materialmen's and other laborer's liens asserted or claimed against the Premises or any part thereof. In no event shall Lessor or any of the Lessor's property be liable for or chargeable with any expense or lien for work, labor or materials used for and in the Premises; or for any improvements thereof or changes made upon the order of Lessee, or to discharge the obligations of the Lessee.

**22. FIRE AND/OR DESTRUCTION:** If the Premises shall be damaged by fire or other casualty during the Term hereof, Lessor agrees that it will restore the structural components and items, as defined in Section 17 hereof, with reasonable dispatch to substantially the same condition that they were in so far as the proceeds from Lessor's insurance permit and, further provided that, Lessor's mortgagee does not require insurance proceeds to be paid to it. Once Lessor restoration work is complete, and since time is of the essence, Lessee's rent payment shall re-commence on the date that Lessee reopens for business but no later than the sixtieth (60<sup>th</sup>) day after Lessor notifies Lessee in writing that the Premises are ready for fixturing. The Lessee shall be responsible, at its sole cost and expense, to repair or replace any and all of the Lessee's fixtures, equipment and leasehold improvements, which were damaged or destroyed by the same insured cause. The rent payable hereunder shall be equitably and proportionately abated, according to loss of use to Lessee, during the period of time intervening between the date of such fire and/or destruction and the date that the Premises are restored. However, if the damage is due to the fault or the negligence of the Lessee or its employees, there shall be no abatement of rent. If such destruction occurs, during the last two (2) years of the term and exceeds fifty percent (50%) of the insurable value of the Premises at the time of such destruction occurs, Lessor, at its option, may terminate this Lease as of the date of such destruction by giving Lessee written notice of its intention to do so within sixty (60) days after such date of destruction. If this Lease is so terminated, then the rent payable hereunder shall be abated as of the date of same destruction and Lessee shall remove all its property from the Premises within thirty (30) days after the receipt of written notice of termination. Unless Lessor gives such notice, this Lease shall remain in full force and effect and Lessor shall repair such damage as its expense, as expeditiously as possible under the circumstances. Notwithstanding the foregoing, in the event of damage to the Premises by fire or casualty which is not the result of Lessee's negligence, and which cannot be repaired within one hundred eighty (180) days of occurrence, Lessor or Lessee shall have the right to terminate this Lease by giving the other party thirty (30) days prior written notice.

**23. FORCE MAJEURE:** In the event that either party hereto shall be delayed or hindered in, or prevented from, the performance of any act required hereunder by reason of strikes, lock-outs, labor troubles, inability to procure materials, failure of power, restrictive governmental laws or regulations, riots, insurrection, war or other reason of a like nature, not the fault of the party delayed in performing the work or doing acts required under the terms of this Lease, then performance of such acts shall be excused for the period of the delay; and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay; provided, however, that the provisions of this Lease shall not operate to release Lessee from this Lease nor to excuse Lessee, nor shall Lessee in any event be excused from prompt payment of rent and adjustments, and all other charges due Lessor by Lessee.

**24. EMINENT DOMAIN:** If all the Premises are condemned or taken by the power of eminent domain exercised by any governmental or quasi-governmental authority, this Lease shall terminate as of the date that the Lessee is required to vacate the Premises and all Rent shall be paid up to and until same date of termination. If only part of the Premises shall be taken and the size of the Premises are proportionately reduced, then the Lessee is entitled to an equal and proportionate reduction in Rent. Further, Lessor shall, as expeditiously as possible, repair the remaining portion of Premises to the extent necessary to render the same suitable for which the Premises were leased. Lessee hereby waives any right that it may have to any condemnation award or sum paid under threat of condemnation as a result of a complete or partial taking of the Premises and/or any portion of the common areas. If there is only a partial taking of the common areas, this Lease shall not terminate and this Lease shall remain in full force and in effect. After partial taking of the common areas, the Lessor, within a reasonable time thereafter, shall repair or reconstruct the remaining portion of the common areas to the extent necessary to make the same a complete architectural unit.

**25. LESSEE'S DEFAULT:** The occurrence of any one of the following events constitutes a default by the Lessee and a breach of this Lease and its covenants by the Lessee, if such default, breach or non performance is continued and not cured within ten (10) days after written notice from Lessor: (a) The vacating or abandonment of the Premises by Lessee, or the failure of the Lessee to be open for business and for the conduct of business as described in the Use Clause Article found in this Lease Agreement, (b) The failure by Lessee to make any payment of rent and adjustments on or before the due date thereof, (c) The failure by Lessee to perform any covenants herein or the breach by Lessee of any Lease covenants herein, other than those described in this section, and the further failure by Lessee to cure such covenant breach or non-performance, or to commence to cure and diligently pursue the cure of the covenant breach or non-performance which cannot be fully remedied within ten (10) days, (d) Petition by Lessee for bankruptcy, insolvency, or general assignment for the benefit of its creditors, or receiver appointment for Lessee for the substantial part of its assets and properties and such receiver is not removed within ten (10) days after its appointment, (e) If the Lessee shall default as described in this section, or in the performance of any covenant contained in this Lease, and if such default is repeated once within the next twelve months then, notwithstanding that such defaults shall have been cured within the period after notice as herein provided, any further similar default within such twelve month period shall be deemed a Lessee Default which cannot be cured, notwithstanding provisions for cure provided in this Lease. Upon such default, the Lessor may proceed, with five days notice but no opportunity for cure, to exercise its remedies upon default.

**26. LESSOR'S REMEDIES:** In the event of Lessee Default, including Lessee's abandonment or vacating the Premises, Lessor shall have the right, in addition to all other rights and remedies provided by the law, to terminate this Lease, and/or to re-enter and take possession of the Premises, peaceably or by force, and/or to change the locks thereto and to remove any property and merchandise therein, without liability to Lessee for damage arising therefrom and without obligation to Lessee to store any merchandise and property. Any costs of removal and storage of Lessee's fixtures, inventory, equipment or any other personal property shall be the expense of Lessee and shall be added to all sums owed by Lessee to Lessor. Further, Lessor is under no obligation to Lessee, after default or abandonment, to relet the Premises in the name of Lessee or for the benefit of the Lessor. Lessor may, at its option and without subsequent notice to Lessee, re-let the Premises for such term and on such covenants and purposes as Lessor, in its sole discretion, may determine are in the best interest of the Lessor. Lessor may collect and receive all rents derived therefrom and apply the same, after deduction of appropriate expenses, to the payment of the rent overdue and payable hereunder from the Lessee in default. The Lessee in default shall remain liable for any deficiency. Further, Lessor shall not be responsible for or liable for any failure to re-let the Premises or any part hereof, or for any failure to collect any rent connected therewith. The Lessor's recovery of possession of the Premises by any means shall not relieve the Lessee of its obligation to pay rent and adjustments through the term of the Lease, including any extensions in effect at the time of default under which Lessee then occupies the Premises.

Acceptance by Lessor of delinquent rent from Lessee after Lessee Default shall not cure such default or entitle Lessee to possession of the Premises. Lessee hereby expressly waives any and all rights of redemption, if any, granted by and under any present or future law, in the event that Lessee shall be evicted or dispossessed for any cause in default or in the event that the Lessor obtains possession of the Premises by virtue of the remedies outlined in this Lease, or otherwise. The receipt by Lessor of rent with knowledge of the breach of any covenant hereof shall not be deemed a waiver of such breach, and no waiver by Lessor of any covenant hereof shall be deemed to have been agreed upon, unless explicitly reduced to written agreement and signed by Lessor and Lessee.

All remedies of Lessor shall be cumulative.

**27. ATTORNEYS' FEES:** Lessee hereby agrees to pay all costs incurred by the Lessor on account of the Lessee's default, including but not limited to collection costs, court costs and attorney fees in an amount equal to twenty-five percent (25%) of any money owed to Lessor by Lessee at the time and accruing after Lessor requests the assistance of an attorney. If Lessee's default is a non-monetary default, lessee shall pay the greater of Two Hundred Fifty Dollars (\$250.00) or Lessor's actual attorney's fees.

**28. TERMINATION AND SURRENDER:** Upon the Termination Date of this Lease, Lessee shall surrender the Premises to Lessor in as good condition as they were found upon the Lessee taking possession of the Premises; except for ordinary wear and tear, reduction of the Premises by condemnation or damage by fire, destruction or other casualties or causes beyond Lessee's control. Lessee shall deliver to Lessor or its Agent all keys to the Premises and remove

all its personal property, merchandise and trade fixtures. After Lessee vacation or Lessee abandonment, Lessor may elect to retain or dispose of, in any manner, Lessee alterations and improvements or Lessee's personal property that Lessee does not remove from the Premises before or after the Termination Date. Title to any such Lessee alterations or Lessee's personal property, that Lessor elects to retain or dispose of after the Termination Date, shall vest to and in the Lessor. Lessee waives all claims against Lessor for any damage to Lessee resulting from Lessor's retention or disposition of any such alterations or personal property. Lessee is further liable to Lessor for Lessor's expenses and costs for removing and disposing of any Lessee alterations or Lessee personal property, which Lessor does not elect to acquire.

**29. WAIVERS:** The failure of Lessor to insist, in any one or more instances, to strict performance by Lessee as to any Lease covenants shall, not be construed as a waiver by Lessor or relinquishment, in the future, of such covenants, but the same shall continue and remain in full force and effect. The receipt by Lessor or its Agent of rent with knowledge of a covenant breach hereof shall not be deemed a waiver of the same covenant breach, and no waiver by Lessor of any provision hereof shall be deemed to have been agreed upon unless expressed in writing and signed by the parties hereto.

Lessee hereby waives the benefit of the homestead exemption as to this Lease.

**30. EXCULPATION:** The term "Lessor" as used in this Lease means only the owner, for the time being or at the time of Lease execution by Lessee, of the building in which the Premises are located or the owner of a Lease of both said building and the land thereunder. Lessor shall be liable for the performance of its obligations hereunder only to the extent of Lessor's assets as they pertain to the Premises. The Lessor and its officers, agents, employees, successors and assignees shall not be liable personally. Further, the liability of the Lessor shall not extend beyond the period of time of Lessor's ownership of the Premises.

**31. SUCCESSORS AND ASSIGNS:** All the terms, covenants and agreements of this Lease shall extend to and be binding upon the Lessor and be binding upon the Lessee and its respective heirs, administrators, executors, successors, assignees, sublessees, concessionaires, marital communities, if any, and their respective assigns; and/or upon any person or persons coming into ownership or possession of any interest in the Premises by operation of law or otherwise.

**33. SALES OR LEASEHOLD TAXES:** Lessee will be responsible for the payment of any sales or leasehold tax, or other tax, levied by any governmental authority. Such tax payment shall be paid directly to the appropriate governmental authority by Lessee promptly after receipt of any such tax bill.

**34. AMERICANS WITH DISABILITIES ACT:** In the event that any federal, state, or local government authority (the "Applicable Authority") with jurisdiction determines that the exterior and/or interior of the Premises are not in compliance with the Americans with Disabilities Act of 1990 (the "ADA"), Lessor, at its sole cost, agrees to take such remedial action as is required by the Applicable Authority pursuant to the ADA to correct or remedy such noncompliance. Alternatively, if in Lessor's judgment the remedial or corrective measures proposed by the Applicable Authority do not have to be performed in order for Lessor to be in compliance with the ADA, Lessor may contest, at its sole cost, such matter in lieu of performing the remedial action. However, upon final judgment being entered against Lessor in a court of competent jurisdiction with regard to ADA requirements, Lessor agrees to take such remedial actions, at its sole cost, as ordered by such court.

C. DPT desires to purchase the property from City and City desires to sell the property to DPT in accordance with the terms and conditions of this Agreement.

b. No building permit shall be issued for the development of a single-family dwelling on the parcel until a zoning certificate has been granted by the Department of City Planning, which verifies that the proposed single-family dwelling to be built on the parcel is

5. CONDITIONS. DPT's obligations are expressly conditioned upon the satisfaction of each of the following conditions in the sole determination of DPT, it being understood that the City is under no obligation whatsoever to expend any funds to satisfy any of these conditions. PROTECTIVE AND RESTRICTIVE COVENANTS  
RELATIVE TO PROPERTY LOCATED AT  
LOT Z (TAX ACCOUNT #3528-3500)**

THIS DECLARATION, made this 1<sup>st</sup> day of March, 2006, by the  
CITY OF NORFOLK, a municipal corporation of the Commonwealth of Virginia  
("Declarant"), whose address is City Hall, 810 Union Street, Norfolk, Virginia, 23510.

WITNESSETH:

WHEREAS, Declarant is the owner of certain property described in Exhibit A,  
attached hereto and made a part hereof ("Property"); and

WHEREAS, Declarant, in order to provide for orderly development,  
improvement and maintenance of the Property, and the surrounding neighborhood,  
deems it suitable and appropriate to establish and publish certain standards and  
restrictions and to impose the same upon the Property;

NOW, THEREFORE, for and in consideration of the premises, the mutual  
benefits accruing to Declarant, to the surrounding neighborhood, and to subsequent  
purchasers of the Property, Declarant does hereby declare said Property to be subject to  
the following covenants, which covenants shall run with the land and shall be binding  
on all parties having or acquiring any right, title or interest in and to the Property or  
any part thereof.

A. PERMITTED AND PROHIBITED USES.

1. Any construction on or development of the Property shall be in keeping with the City of Norfolk's General Plan, as well as the City's neighborhood plans, as such plans may be approved from time to time by the City Council.

2. No building or structure of any kind shall be constructed, altered or permitted on the Property without the prior written approval of the design of such building or structure by the Director of City Planning for the City of Norfolk ("Director"). A set of plans shall be submitted to the Director for approval as set forth herein.

3. All buildings and structures located on the Property shall be kept in good repair and the Property shall be kept in compliance with all City codes and ordinances.

4. If the Property is located on a street or in a district that is designated as an underground street or district under the provisions of the Norfolk City Code, 1979, as amended ("City Code"), then any building or structure located on the Property shall be served by underground utilities, and no above ground poles and wires shall be permitted, unless otherwise provided in the City Code.

B. REVIEW AND APPROVAL OF PLANS

1. All plans for any new buildings or structures to be located on the Property, including any additions to existing buildings or structures, must be presented to and approved by the Director in writing prior to the commencement of any construction.

2. The Director shall approve or disapprove plans submitted to him within forty-five (45) days after an application has been made to him. If the Director fails to act within the said 45 days, the application shall be deemed to have been approved. In the event the plans are disapproved by the Director, the party submitting the plans shall have 45 days from the date of such disapproval to submit revised plans, such revised plans to contain any revisions required by the Director.

3. The plans required to be submitted to the Director for approval shall include a full set of construction plans and site plans.

4. The construction of any building or structure on the Property must commence within ninety (90) days of the receipt of approval by the Director. Work thereon shall be prosecuted diligently and must be completed within a reasonable time not to exceed twelve (12) months from the date construction commences.

C. GRANTEE'S ACCEPTANCE

The Grantee of the Property subject to the coverage of this Declaration, by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from Declarant or a subsequent owner of the Property, shall accept such deed or contract upon and subject to each and all of these protective and restrictive covenants and the agreements herein contained, and also the jurisdiction, rights, and powers of Declarant, and by such acceptance shall, for himself, his heirs, personal representatives, successors and assigns, consent, and agree to and with Declarant to keep, observe, comply with, and perform said protective and restrictive covenants.

D. EFFECTS OF PROTECTIVE AND RESTRICTIVE COVENANTS.

1. These protective and restrictive covenants shall run with the Property and shall be binding upon all parties and all persons claiming under them.

2. These protective and restrictive covenants may be changed, modified, or amended by a duly recorded instrument signed by the Declarant and the then current owner of the Property.

3. Each and every protective and restrictive covenant contained herein shall be considered to be an independent and separate covenant and agreement, and in the event that any one or more of said protective or restrictive covenants shall, for any reason, be held to be invalid or unenforceable, all remaining protective and restrictive covenants shall nevertheless remain in full force and effect.

4. The failure of any party or person to enforce a protective or restrictive covenant contained herein in any instance or against any person shall not constitute a waiver or abrogation of said protective or restrictive covenant.

E. REMEDIES.

The Declarant or any party to whose benefit these protective and restrictive covenants inure may proceed at law or in equity to prevent the occurrence, continuation, or violation of any of these protective and restrictive covenants, and the court in any such action may award reasonable expenses in prosecuting such action, including attorney's fees. In addition to any other remedy available at law or in equity, a violation of any protective or restrictive covenant contained herein shall, in the sole

discretion of the Declarant and upon the giving of written notice to the then current owner of the Property, cause the title to the Property to revert to the Declarant.

IN WITNESS WHEREOF, the Declarant has executed this Declaration the day and year first above written.

**Item Number:**

**PH-6**

I. **Recommendation:** Adopt Ordinance

II. **Applicant:** Gethsemane Baptist Church  
606 Maltby Ave.  
Norfolk, VA

III. **Description:**

This agenda item is an ordinance to dispose of a vacant, non-standard size parcel of land owned by the City of Norfolk (the "city"). This parcel, located at 606 Maltby Avenue (the "Property"), is a GEM lot and was acquired by the city under § 58.1-3970.1 of the *Code of Virginia*, 1950, as amended. This parcel is to be conveyed to Gethsemane Community Fellowship Baptist Church ("Gethsemane") under the GEM Side Lot for Development Disposition Program ("Program").

IV. **Analysis**

Gethsemane seeks to purchase and develop the Property. The cost to Gethsemane for purchase of the property from the City is \$7,500 (the total assessed value). Conveyance of this property will allow Gethsemane to expand their current church facilities. This sale will subject the property to real estate taxes, thereby creating on-going revenue for the city. No specific city use has been identified for the property and therefore, conveyance to Gethsemane is consistent with the goals of the Program.

V. **Financial Impact**

Cost for Conveyance	Seven thousand five hundred dollars (\$7,500)
Typical Costs of Closing	Each party to this transaction shall pay its own legal fees.
FY2016 Assessed Value of Parcel	Seven thousand five hundred dollars (\$7,500)

Annual Tax Revenue of Parcel	\$86.25 annually (will increase upon development of property – conveying this property will enable the City to place the property back on the tax rolls)

**VI. Environmental**

There are no known environmental issues associated with this property.

**VII. Community Outreach/Notification**

In accordance with the *Norfolk City Charter* and Virginia State law, a legal notice will be posted in *The Virginian-Pilot*. In addition, public notification for this agenda item was conducted through the city's agenda notification process.

Section 1:- That the conveyance of the Property, located at 606 Maltby Avenue and further described in Exhibit A, to the trustees of the GCFC for the total sum of \$7,500.00 upon the terms and conditions set forth in

**DECLARATION OF  
PROTECTIVE AND RESTRICTIVE COVENANTS  
RELATIVE TO PROPERTY LOCATED AT  
LOT 4 (TAX ACCOUNT #4760-4400)**

THIS DECLARATION, made this 16 day of Feb., 2006, by the CITY OF NORFOLK, a municipal corporation of the Commonwealth of Virginia ("Declarant"), whose address is City Hall, 810 Union Street, Norfolk, Virginia, 23510.

WITNESSETH:

WHEREAS, Declarant is the owner of certain property described in Exhibit A, attached hereto and made a part hereof ("Property"); and

WHEREAS, Declarant, in order to provide for orderly development, improvement and maintenance of the Property, and the surrounding neighborhood, deems it suitable and appropriate to establish and publish certain standards and restrictions and to impose the same upon the Property;

NOW, THEREFORE, for and in consideration of the premises, the mutual benefits accruing to Declarant, to the surrounding neighborhood, and to subsequent purchasers of the Property, Declarant does hereby declare said Property to be subject to the following covenants, which covenants shall run with the land and shall be binding on all parties having or acquiring any right, title or interest in and to the Property or any part thereof.

A. PERMITTED AND PROHIBITED USES.

1. Any construction on or development of the Property shall be in keeping with the City of Norfolk's General Plan, as well as the City's neighborhood plans, as such plans may be approved from time to time by the City Council.

2. No building or structure of any kind shall be constructed, altered or permitted on the Property without the prior written approval of the design of such building or structure by the Director of City Planning for the City of Norfolk ("Director"). A set of plans shall be submitted to the Director for approval as set forth herein.

3. All buildings and structures located on the Property shall be kept in good repair and the Property shall be kept in compliance with all City codes and ordinances.

4. If the Property is located on a street or in a district that is designated as an underground street or district under the provisions of the Norfolk City Code, 1979, as amended ("City Code"), then any building or structure located on the Property shall be served by underground utilities, and no above ground poles and wires shall be permitted, unless otherwise provided in the City Code.

B. REVIEW AND APPROVAL OF PLANS

1. All plans for any new buildings or structures to be located on the Property, including any additions to existing buildings or structures, must be presented to and approved by the Director in writing prior to the commencement of any construction.

2. The Director shall approve or disapprove plans submitted to him within forty-five (45) days after an application has been made to him. If the Director fails to act within the said 45 days, the application shall be deemed to have been approved. In the event the plans are disapproved by the Director, the party submitting the plans shall have 45 days from the date of such disapproval to submit revised plans, such revised plans to contain any revisions required by the Director.

3. The plans required to be submitted to the Director for approval shall include a full set of construction plans and site plans.

4. The construction of any building or structure on the Property must commence within ninety (90) days of the receipt of approval by the Director. Work thereon shall be prosecuted diligently and must be completed within a reasonable time not to exceed twelve (12) months from the date construction commences.

C. GRANTEE'S ACCEPTANCE

The Grantee of the Property subject to the coverage of this Declaration, by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from Declarant or a subsequent owner of the Property, shall accept such deed or contract upon and subject to each and all of these protective and restrictive covenants and the agreements herein contained, and also the jurisdiction, rights, and powers of Declarant, and by such acceptance shall, for himself, his heirs, personal representatives, successors and assigns, consent, and agree to and with Declarant to keep, observe, comply with, and perform said protective and restrictive covenants.

D. EFFECTS OF PROTECTIVE AND RESTRICTIVE COVENANTS.

1. These protective and restrictive covenants shall run with the Property and shall be binding upon all parties and all persons claiming under them.

2. These protective and restrictive covenants may be changed, modified, or amended by a duly recorded instrument signed by the Declarant and the then current owner of the Property.

3. Each and every protective and restrictive covenant contained herein shall be considered to be an independent and separate covenant and agreement, and in the event that any one or more of said protective or restrictive covenants shall, for any reason, be held to be invalid or unenforceable, all remaining protective and restrictive covenants shall nevertheless remain in full force and effect.

4. The failure of any party or person to enforce a protective or restrictive covenant contained herein in any instance or against any person shall not constitute a waiver or abrogation of said protective or restrictive covenant.

E. REMEDIES.

The Declarant or any party to whose benefit these protective and restrictive covenants inure may proceed at law or in equity to prevent the occurrence, continuation, or violation of any of these protective and restrictive covenants, and the court in any such action may award reasonable expenses in prosecuting such action, including attorney's fees. In addition to any other remedy available at law or in equity, a violation of any protective or restrictive covenant contained herein shall, in the sole

discretion of the Declarant and upon the giving of written notice to the then current owner of the Property, cause the title to the Property to revert to the Declarant.

IN WITNESS WHEREOF, the Declarant has executed this Declaration the day and year first above written.

PROTECTIVE AND RESTRICTIVE COVENANTS  
RELATIVE TO PROPERTY LOCATED AT

THIS DECLARATION, made this 1st day of March, 2006, by the  
CITY OF NORFOLK, a municipal corporation of the Commonwealth of Virginia  
("Declarant"), whose address is City Hall, 810 Union Street, Norfolk, Virginia, 23510.

WITNESSETH:

WHEREAS, Declarant is the owner of certain property described in Exhibit A,  
attached hereto and made a part hereof ("Property"); and

WHEREAS, Declarant, in order to provide for orderly development,  
improvement and maintenance of the Property, and the surrounding neighborhood,  
deems it suitable and appropriate to establish and publish certain standards and  
restrictions and to impose the same upon the Property;

NOW, THEREFORE, for and in consideration of the premises, the mutual  
benefits accruing to Declarant, to the surrounding neighborhood, and to subsequent  
purchasers of the Property, Declarant does hereby declare said Property to be subject to  
the following covenants, which covenants shall run with the land and shall be binding  
on all parties having or acquiring any right, title or interest in and to the Property or  
any part thereof.

A. PERMITTED AND PROHIBITED USES.

1. Any construction on or development of the Property shall be in keeping with the City of Norfolk's General Plan, as well as the City's neighborhood plans, as such plans may be approved from time to time by the City Council.

2. No building or structure of any kind shall be constructed, altered or permitted on the Property without the prior written approval of the design of such building or structure by the Director of City Planning for the City of Norfolk ("Director"). A set of plans shall be submitted to the Director for approval as set forth herein.

3. All buildings and structures located on the Property shall be kept in good repair and the Property shall be kept in compliance with all City codes and ordinances.

4. If the Property is located on a street or in a district that is designated as an underground street or district under the provisions of the Norfolk City Code, 1979, as amended ("City Code"), then any building or structure located on the Property shall be served by underground utilities, and no above ground poles and wires shall be permitted, unless otherwise provided in the City Code.

B. REVIEW AND APPROVAL OF PLANS

1. All plans for any new buildings or structures to be located on the Property, including any additions to existing buildings or structures, must be presented to and approved by the Director in writing prior to the commencement of any construction.

2. The Director shall approve or disapprove plans submitted to him within forty-five (45) days after an application has been made to him. If the Director fails to act within the said 45 days, the application shall be deemed to have been approved. In the event the plans are disapproved by the Director, the party submitting the plans shall have 45 days from the date of such disapproval to submit revised plans, such revised plans to contain any revisions required by the Director.

3. The plans required to be submitted to the Director for approval shall include a full set of construction plans and site plans.

4. The construction of any building or structure on the Property must commence within ninety (90) days of the receipt of approval by the Director. Work thereon shall be prosecuted diligently and must be completed within a reasonable time not to exceed twelve (12) months from the date construction commences.

C. GRANTEE'S ACCEPTANCE

The Grantee of the Property subject to the coverage of this Declaration, by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from Declarant or a subsequent owner of the Property, shall accept such deed or contract upon and subject to each and all of these protective and restrictive covenants and the agreements herein contained, and also the jurisdiction, rights, and powers of Declarant, and by such acceptance shall, for himself, his heirs, personal representatives, successors and assigns, consent, and agree to and with Declarant to keep, observe, comply with, and perform said protective and restrictive covenants.

D. EFFECTS OF PROTECTIVE AND RESTRICTIVE COVENANTS.

1. These protective and restrictive covenants shall run with the Property and shall be binding upon all parties and all persons claiming under them.

2. These protective and restrictive covenants may be changed, modified, or amended by a duly recorded instrument signed by the Declarant and the then current owner of the Property.

3. Each and every protective and restrictive covenant contained herein shall be considered to be an independent and separate covenant and agreement, and in the event that any one or more of said protective or restrictive covenants shall, for any reason, be held to be invalid or unenforceable, all remaining protective and restrictive covenants shall nevertheless remain in full force and effect.

4. The failure of any party or person to enforce a protective or restrictive covenant contained herein in any instance or against any person shall not constitute a waiver or abrogation of said protective or restrictive covenant.

E. REMEDIES.

The Declarant or any party to whose benefit these protective and restrictive covenants inure may proceed at law or in equity to prevent the occurrence, continuation, or violation of any of these protective and restrictive covenants, and the court in any such action may award reasonable expenses in prosecuting such action, including attorney's fees. In addition to any other remedy available at law or in equity, a violation of any protective or restrictive covenant contained herein shall, in the sole

discretion of the Declarant and upon the giving of written notice to the then current owner of the Property, cause the title to the Property to revert to the Declarant.

IN WITNESS WHEREOF, the Declarant has executed this Declaration the day and year first above written.

## EXHIBIT A TO ORDINANCE

### LEASE AGREEMENT

**THIS LEASE AGREEMENT**, (“Lease”), made this \_\_\_\_\_ day of \_\_\_\_\_, 2016, by and between the **CITY OF NORFOLK**, a municipal corporation of the Commonwealth of Virginia, (“Landlord”), and **ROVER MARINE INC.**, (“Tenant”).

#### WITNESSETH:

Landlord, for and in consideration of the rents, covenants and agreements hereinafter mentioned, reserved and contained, to be paid, kept and performed by Tenant, has demised and leased and does hereby demise and lease unto Tenant, and Tenant does hereby lease from Landlord, the property owned by Landlord known as 224 East Main Street in Norfolk, Virginia (“Demised Premises”). The Demised Premises consist of 954 square feet, and are shown in Exhibit A, attached to and made a part hereof.

1. **TERM OF LEASE.** Landlord leases unto Tenant and Tenant hires from Landlord the Demised Premises for the term of three (3) years (“Term”) to commence May 1, 2016, or upon the effective date of any authorizing ordinance, whichever shall last occur (“Commencement Date”), and to end on the last day of April, 2019, (“Termination Date”), subject to the default provisions herein contained. Tenant shall have the right to renew this Lease for two (2) additional one (1) year terms, under the same terms and conditions of this Lease, provided, however, that the Tenant at the time of such renewal shall not be in default of any of the covenants and agreements contained in this Lease, and further provided that the Tenant shall have provided written notice to Landlord of Tenant’s intention to exercise its right to renew the Lease no later than ninety (90) days prior to the expiration of the current lease term.

2. **USE.** Tenant covenants and agrees to use and occupy the Demised Premises as a business office and for no other purpose.

3. **ACCEPTANCE OF PREMISES.** Tenant acknowledges that it is familiar with the Demised Premises and hereby agrees to accept the Demised Premises in their present condition, as is. Tenant further acknowledges that neither Landlord nor anyone on Landlord's behalf has made any representations or warranties with respect to the condition of the Demised Premises.

Tenant understands that the Demised Premises are part of the Main Street Parking Garage complex and that other portions of the building will be utilized in a manner consistent with that purpose.

4. **BASE RENT.** The rental payments ("Base Rent") will be payable in equal monthly installments of \$1,163.21 for the first year of the term of this Lease.

During the remaining years of this Lease, including any optional renewal terms, the lease rates shall be adjusted three percent (3%) annually in the following manner:

May 1, 2017 to last day of April, 2018	\$1,198.11/mo
May 1, 2018 to last day of April, 2019	\$1,234.05/mo
May 1, 2019 to last day of April, 2020	\$1,271.07/mo
May 1, 2020 to last day of April, 2021	\$1,309.13/mo

Each monthly installment of rent shall be made promptly in advance of the first day of each and every month during the term of this lease without demand and without offset or deduction, together with such additional rent and other charges required to be paid by Tenant as are hereinafter set forth in this Lease ("Additional Rent").

No payment by Tenant or receipt by Landlord of a lesser amount than the Base Rent or Additional Rent stipulated in this lease shall be deemed other than on account of the earliest stipulated rent, nor shall any endorsement or statement on any check or payment, or any writing accompanying any check or payment of such rent, be deemed an accord and satisfaction, and

Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of such rent or pursue any other remedy provided in this Lease.

The rent payments shall be paid by check or money order made payable to the City Treasurer and sent to the Office of Real Estate, 232 East Main Street, Norfolk, Virginia, 23510.

5. **ADDITIONAL RENT.** Additional Rent payable by Tenant shall include:

(a) all taxes, leasehold taxes, assessments, utilities (as noted in Section 10) and other governmental charges, excluding charges arising from hazardous substances deposited prior to Tenant's tenancy assessed against or levied upon the Demised Premises or related to the use or occupancy thereof;

(b) all other expenses and charges which, during the term hereof, shall arise, be levied, assessed or imposed upon or against the Demised Premises as an incident of the ownership thereof and which are of the kind customarily paid by owners of land and buildings by reason of such ownership, it being the intention hereof that, during the term of this Lease, Tenant shall be chargeable with and shall pay all sums which an owner of the Demised Premises would pay, having regard to the safeguarding of his investments and the preservation of the freehold.

(c) notwithstanding anything in this Lease to the contrary, Tenant does not hereby become responsible or in any manner whatsoever assume liability for environmental conditions or liabilities existing prior to its occupancy hereunder, or for such conditions not caused or permitted by Tenant.

Each of the items payable as Additional Rent shall be paid on or before the date when each becomes due, except Tenant may pay any tax, assessment, water rent or other governmental charge after it becomes due but before any penalty or interest accrues thereon. Landlord shall furnish to Tenant any and all bills for items payable as Additional Rent in sufficient time for payments to be made by Tenant. Landlord agrees to elect to pay any future assessment which may be levied against

the Demised Premises in the maximum number of installments permitted by law. Tenant shall furnish to Landlord, within thirty (30) days after the date upon which any such charge is payable by Tenant as hereinabove provided, official receipts of the appropriate taxing or governmental authority, or other proofs satisfactory to Landlord, evidencing the payment of Additional Rent. If Tenant shall fail to make any payment or to do any act required of it by any provision of this Lease, Landlord may make such payment or do such act and the amount of such payment, or the cost of doing such act, together with interest thereon at the rate of 18% per annum, shall be deemed Additional Rent payable by Tenant upon demand by Landlord. The making of any such payment or the doing of any such act by Landlord shall not constitute a waiver by Landlord of any right or remedy provided by this Lease upon Tenant's default in the making of such payment or the doing of such act. All taxes, assessments, and other governmental charges assessed against or levied upon the Demised Premises shall be apportioned as between Landlord and Tenant at the Commencement Date and Termination Date.

Tenant shall have the right to contest or review by appropriate proceedings or in any other manner permitted by law, at Tenant's sole cost and expense, in Tenant's name or in Landlord's name, or both, any tax, assessment or charge, and Landlord shall, without expense or charge to it, cooperate with Tenant and execute any documents or pleadings required for such purposes. If required by Landlord, Tenant shall furnish a surety company bond, or other security reasonably satisfactory to Landlord, against any liens by reason of such contest. The aforesaid contest by Tenant may include appeals from any judgments, decrees or orders until a final non-appealable determination shall be made by a court or governmental department or authority having jurisdiction in the matter.

6. **TRASH REMOVAL AND JANITORIAL SERVICES.** As Demised Premises are part of the Main Street Parking Garage complex, Tenant is part of a common trash removal

service provided by the Landlord. Tenant shall store all trash, rubbish and garbage in fully closed containers at the rear of the Demised Premises in the loading dock area off of Atlantic Street. Tenant shall not burn or otherwise inappropriately dispose of any trash, waste, rubbish or garbage in and or about the Demised Premises. Any expenses incurred by Landlord related to the removal of such inappropriate disposal shall be reimbursed by Tenant.

Tenant shall supply its own janitorial services.

7. **SECURITY DEPOSIT.** Tenant deposited with Landlord and Landlord retains a Security Deposit ("Deposit") in the amount of One Thousand Thirty Three Dollars and 50/100 (\$1,033.50) as security for the full and faithful performance by Tenant of all terms and covenants of this Lease required to be performed by Tenant. If at any time Tenant shall be in default of any of the covenants of this Lease, Landlord is entitled, at its discretion, to use the Deposit, or so much thereof, as may be necessary to rectify or cure such default. In the event that the Landlord utilizes the Deposit, Tenant shall promptly restore same to Landlord upon Landlord's demand. No interest shall be paid by Landlord to Tenant with respect to the Deposit. The Deposit, or the portion that remains, shall be returned to Tenant following the termination of this Lease, provided that Tenant has fully and faithfully carried out all its terms and covenants and paid up all its Base Rent, Percentage Rent, Additional Rent and/or adjustments and Late Charges.

8. **CHANGE IN SCOPE OF TAXATION.** If at any time during the term of this Lease, the method or scope of taxation prevailing on the date hereof shall be altered, modified or enlarged so as to cause the method of taxation to be changed, in whole or in part, so that in substitution for the real estate taxes now assessed there may be, in whole or in part, a capital levy or other imposition based on the value of the Demised Premises, or the rents received therefrom, or some other form of assessment based in whole or in part on some other valuation of the Landlord's real property comprising the Demised Premises, then the substituted tax or imposition

shall be payable and discharged by Tenant in the manner required pursuant to the law promulgated which shall authorize the change in the scope of taxation, and as required by the terms and conditions of this Lease.

Nothing contained in this Lease shall require Tenant to pay any franchise, estate, inheritance, succession, capital levy or transfer tax of Landlord, or federal income or state income tax or excess profits or revenue tax, except to the extent such taxes; are imposed in whole or partial substitution for real property taxes.

If any tax which Tenant is required to pay as previously stated is a graduated tax, Tenant shall be required to pay only the portion thereof which would have been payable by Landlord if the Demised Premises were the only real property owned by Landlord.

9. **INSURANCE.** Tenant, at its own cost and expense, shall obtain and maintain during the Term insurance of the types and in the amounts described below. Unless otherwise specifically approved by the Landlord, general liability policies will be written in an "occurrence" ISO form approved for coverage in the Commonwealth of Virginia. The "City of Norfolk, VA, and its employees" will be included as "Additional Insured" on such policies. All insurance policies affected by this agreement shall be primary and noncontributory to any other insurance or self-insurance maintained by Landlord. Policy limits may be met via either a singular policy, or in combination with primary and excess, or umbrella, insurance policies. All policies shall provide that the Landlord will receive at least thirty (30) days written notice in the event of cancellation of, or material change in, any of the policies. If the Tenant fails to maintain the insurance as set forth in this Lease, Landlord shall have the right, but not the obligation, to purchase such insurance at Tenant's expense.

COMMERCIAL GENERAL LIABILITY INSURANCE (CGL) with a limit of not less than \$1,000,000 each occurrence, \$2,000,000 general aggregate. CGL and shall cover liability arising from premises, operations, independent lessees, products-completed

operations, personal injury and liability assumed under insured contract.

**WORKER'S COMPENSATION INSURANCE AND EMPLOYER'S LIABILITY INSURANCE:** The Tenant shall maintain the applicable statutory Workers' Compensation Insurance, and Employer's Liability Insurance with a limit of at least \$500,000 per accident/disease, and policy limit of \$500,000.

**PROPERTY INSURANCE:** Tenant further covenants that it will, at all times during the Lease Term and at its own cost and expense, carry insurance against damage by fire or other perils in an amount equal to the replacement value thereof on Tenant's inventory, furniture, fixtures and equipment and all parts of the Demised Premises for which the Tenant is responsible as described in this agreement.

**INSURANCE POLICIES/CERTIFICATE OF INSURANCE:** Tenant shall furnish the Landlord with two (2) copies of the policies, or a certificate(s) of insurance evidencing policies, required above in this Agreement. The certificate(s) shall specifically indicate that the insurance includes any extensions of coverage required herein. In the event of cancellation of, or material change in, any of the policies, the Tenant shall notify the Landlord within at least 14 days after receiving notice of such cancellation or policy change and provide evidence that insurance coverage is in place to meet the requirements of this agreement.. If coverage on said certificate(s) is shown to expire prior to completion of all terms of this lease, the Tenant shall furnish a certificate of insurance evidencing renewal of such coverage to the Landlord within 10 days of the effective date such renewal. All certificates shall be executed by a duly authorized representative of each insurer, showing compliance with the requirements of this agreement. Failure of the Landlord or the Landlord's designated agents for this Agreement, to (1) demand such certificates or other evidence of full compliance with these requirements, and, or (2) identify a deficiency from evidence that is provided shall not be construed as a waiver of the Tenant's obligation to maintain such insurance.

Each insurance policy shall be so written as to protect the Landlord and the Tenant, as their respective interests may appear, and the insurance policies shall include a waiver of subrogation. If the Tenant fails to provide such insurance, Landlord may terminate this Lease with ten (10) days notice to Tenant. Certificates of Insurance verifying all required insurance policies shall be delivered to the Landlord prior to the Tenant's occupancy or build-out of the Demised Premises.

Tenant agrees to look solely to the proceeds of Tenant's own insurer for indemnity against exposure for casualty losses of property or business interruption. Tenant warrants that its liability, property and business interruption insurers shall have no rights against Landlord by virtue of assignment, loan agreement or otherwise.

Tenant shall indemnify Landlord for and against any and all claims, demands, suits, actions and judgments of any kind or nature whatsoever, including costs and expenses, for any personal injury or property damage to any person, or property, arising or resulting, directly or indirectly, from the entry onto the Demised Premises by Tenant or Tenant's agents.

10. **UTILITIES.** The Demised Premises are individually metered for electrical service. Tenant shall make arrangements to have the electrical service to the Demised Premises billed directly to the Tenant and promptly pay for all charges when due in connection with the use of the Demised Premises.

Tenant shall pay Landlord, as Additional Rent, its prorated share of the expenses for providing HVAC, water and sewerage, and trash collection to the Demised Premises. Tenant and Landlord expressly agree that the monthly charge of One Hundred Twenty-Eight Dollars and 75/100 (\$128.75) shall be Tenant's prorated share of the HVAC, water and sewerage, and trash collection expenses provided to the Demised Premises and electricity and gas used in connection with the operation of the HVAC. This monthly charge shall be increased by three (3%) percent each year of term.

11. **REPAIRS.** Tenant shall keep and maintain the Demised Premises in a good and complete state of repair and condition, except for ordinary wear and tear. Tenant shall make all repairs and replacements of every kind and character, to include, but not be limited to, store front glass, and maintain the Demised Premises and the appurtenances belonging thereto, and will not call upon Landlord during the term of this lease for the making of any repairs or replacements whatsoever. All repairs and replacements shall:

- (a) be performed in a good and workmanlike manner,
- (b) be at least substantially equal in quality and usefulness to the original work,
- (c) be of first-class modern character, and

(d) not diminish the overall value of the Demised Premises.

In this context, Demised Premises refers to the partitions, ceilings, floors and other improvements heretofore or hereafter constructed at Tenant's expense.

12. **REQUIREMENTS OF PUBLIC AUTHORITIES.** Tenant shall suffer no waste or injury in or about the Demised Premises and shall comply with all federal, state, county and municipal laws, ordinances and regulations applicable to the structure, use and occupancy of the Demised Premises, including, without limiting the generality of the foregoing, the making of any structural repairs that may be required in order to comply with said laws, ordinances and regulations. In addition, Tenant shall effect the correction, prevention and abatement of nuisances, violations or other grievances in upon or connected with the Demised Premises and shall also promptly comply with all rules, orders and regulations of the Board of Fire Underwriters and any insurance company insuring the Demised Premises. In this context, Demised Premises refers to the partitions, ceilings, floors and other improvements heretofore and hereafter constructed at Tenant's expense.

13. **LANDLORD'S RIGHT TO CURE.** Landlord and its agents and workmen shall have the right to enter into and upon the Demised Premises at all reasonable times for the purpose of inspection and examination of the state or repair and condition thereof. Landlord may, but shall not be obligated to make such repairs as shall be necessary as a consequence of any failure of Tenant to meet its obligations under this Lease. The cost of any such repairs undertaken by Landlord, together with interest thereon at the rate of 18% per annum, shall be deemed to be Additional Rent payable by Tenant upon demand by Landlord. The making of any such repairs by Landlord shall not constitute a waiver by Landlord of any right or remedy provided by this Lease upon Tenant's default in the making of repairs.

14. **NET RENT.** It is the purpose and intent of Landlord and Tenant that the rent shall

be absolutely net to Landlord, except as may be otherwise provided herein. The Base Rent specified in Section 4, shall be paid each month during the Term of this Lease without any abatement, deduction, set off or counterclaim, except as hereinafter provided, and all costs, expenses and obligations of every kind and nature whatsoever relating to the premises which may arise or become due during the Term of this Lease, unless the charge or obligation arises as a result of an Event of Default (as hereinafter defined) by Tenant hereunder, shall be paid each month by Tenant as set forth herein.

15. **DESTRUCTION**. If, during the Term of this Lease, the Demised Premises or any part thereof, including portions of the building not occupied by the Tenant, shall be damaged by fire, storm, or other casualty, Landlord shall not be obligated to repair or rebuild the same, and if the Demised Premises become untenable due to fire, storm, or other casualty and would not be rendered tenantable by Tenant's discharge of the obligation to maintain and repair the Demised Premises, as therein defined, this lease shall immediately terminate, provided always that there shall be no cessation of rent if the damages shall have been the result of the negligence, default, or willful act of Tenant or its agents or employees.

16. **INDEMNIFICATION**. Tenant shall indemnify and save harmless Landlord from all fines, penalties, costs, suits, proceedings, liabilities, damages, claims and actions of any kind arising out of the use and occupation of the Demised Premises by reason of any breach or nonperformance of any covenant or condition of this Lease by Tenant, or by Tenant's intentional act or negligence, and not caused in whole or in part by Landlord. This indemnification shall extend to all claims of any person or party for death or injury to persons and damage to any property, and to legal expenses, including reasonable attorney's fees, incurred by Landlord in the defense of such claims or incurred by Landlord as a result of a breach of any provision of this Lease by the Tenant, but does not extend to circumstances caused in whole or in part by Landlord. Tenant shall not be

responsible for damage to the building resulting from acts of nature or for structural damage which it is not the fault of Tenant with the exception of replacement of the glass storefront.

17. **NON-LIABILITY OF LANDLORD.** Landlord shall not be liable for any damage or injury which may be sustained by Tenant or any other person as a consequence of the failure, breakage, leakage or obstruction of the water, plumbing, steam, gas, sewer, drains, leaders, gutters, valleys or the like, or of the electrical, or sprinkler, equipment, if any, in the Demised Premises; or by reason of the elements not caused in whole or in part by Landlord.

18. **ALTERATIONS.** Tenant covenants and agrees that it will not make any material improvements, changes, installations, renovations, additions or alterations in and about the Demised Premises without the prior written consent of Landlord. All such alterations and improvements are to be at the sole expense of the Tenant.

Replacement of signage in order to identify Tenant business must be in compliance with the City of Norfolk Zoning Ordinance.

19. **ASSIGNMENT AND SUBLETTING.** Tenant will not assign this Lease or sublet the Demised Premises.

20. **AIR AND WATER POLLUTION.** Tenant expressly covenants and agrees to indemnify, defend and save Landlord harmless against any claim, damage, liability, cost, penalty, or fine which Landlord may suffer as a result of air, noise or water pollution caused by Tenant in its use of the Demised Premises. Tenant covenants and agrees to notify Landlord immediately of any claim or notice served upon it containing any allegation that Tenant is causing air, noise, or water pollution. Tenant, in any event, will take immediate steps to halt, remedy or cure any such pollution caused by Tenant in connection with its use of the Demised Premises.

21. **COVENANT AGAINST LIENS.** Tenant agrees that it shall not encumber, or suffer or permit to be encumbered, the Demised Premises or the fee thereof by any lien, charge or

encumbrance, and Tenant shall have no authority to mortgage or hypothecate this Lease in any way whatsoever.

22. **ENVIRONMENTAL.**

(a) For purposes of this section:

(i) "Hazardous Substances" include any pollutants, dangerous substances, toxic substances, hazardous wastes, hazardous materials or hazardous substances as defined in or pursuant to the Resource and Conservation Recovery Act (42 U.S.C. § 6901 et seq.) ("RCRA"), the Comprehensive Environmental Response, Compensation, and Liability Act (42 U.S.C. § 9601 et seq.) ("CERCLA") or any other federal, state or local environmental law, ordinance, rule or regulation.

(ii) "Release" means releasing, spilling, leaking, pumping, pouring, emitting, emptying, discharging, injection, escaping, leaching, disposing, or dumping.

(iii) "Notice" means any summons, citation, directive, order, claim, litigation, investigation, proceeding, judgment, letter or other communication, written or oral, actual or threatened, from any authority of the Commonwealth of Virginia, the United States Environmental Protection Agency (USEPA) or other federal, state or local agency or authority, or any other entity or any individual, concerning any intentional act or omission resulting or which may result in the Release of Hazardous Substances into the waters or onto the lands of the Commonwealth of Virginia, or into waters outside the jurisdiction of the Commonwealth of Virginia or into the "environment," as such terms are defined in CERCLA. "Notice" shall include the imposition of any lien on any real property, personal property or revenues of the Tenant, including but not limited to the Tenant's, interest in the Demised Premises or any of the Tenant's property located thereon, or any violation of federal, state or local environmental laws, ordinances,

rules, regulations, governmental actions, orders or permits, or any knowledge, after due inquiry and investigation, or any facts which could give rise to any of the above.

(b) To the extent that Tenant may be permitted under applicable law to use the Demised Premises for the generating, manufacture, refining, transporting, treatment, storage, handling, disposal, transfer or processing of Hazardous Substances, solid wastes or other dangerous or toxic substances, Tenant shall insure that said use shall be conducted at all times strictly in accordance with applicable statutes, ordinances and governmental rules and regulations. Tenant shall not cause or permit, because of any intentional or unintentional act or omission, a Release of Hazardous Substances on the Demised Premises. If any such intentional or unintentional act or omission causes a Release of Hazardous Substance on the Demised Premises, Tenant shall promptly clean up and remediate such Release in accordance with the applicable federal, state and local regulations and to the reasonable satisfaction of Landlord.

(c) Tenant shall comply with all applicable federal, state, and local environmental laws, ordinances, rules and regulations, and shall obtain and comply with all permits required thereunder, any successor, or new environmental laws. Upon the receipt of any Notice, Tenant shall notify Landlord promptly in writing, detailing all relevant facts and circumstances relating to the Notice.

(d) The requirements of this section shall apply to any successor in interest to Tenant, whether due to merger, sale of assets or other business combination or change of control.

(e) Tenant hereby agrees to defend (with counsel satisfactory to Landlord) and indemnify and hold Landlord harmless from and against any and all claims, losses, liabilities, damages and expenses (including, without limitation, reasonable cleanup costs and attorney's fees arising under this indemnity) which may arise directly or indirectly from any use or Release of Hazardous Substances on the Demised Premises and losses and claims against Landlord resulting

from Tenant's failure to comply strictly with the provisions of this section. The provisions of this section shall survive the termination of this permission granted by this Agreement.

23. **SURRENDER BY TENANT AT END OF TERM.** Tenant will surrender possession of the Demised Premises and remove all goods and chattels and other personal property in the possession of Tenant by whomsoever owned, at the end of the Term, or at such other time as Landlord may be entitled to re-enter and take possession of the Demised Premises pursuant to any provision of this Lease, and leave the Demised Premises in as good order and condition as they were on the Commencement Date, reasonable wear and tear excepted. In default of surrender of possession and removal of goods and chattels at the time aforesaid, Tenant will pay to Landlord the rent reserved by the terms of this lease for such period as Tenant either holds over possession of the Demised Premises or allows its goods and chattels or other personal property in its possession at such time to remain in the Demised Premises, and in addition thereto, statutory penalties and all other damages which Landlord shall suffer by reason of Tenant holding over in violation of the terms and provisions of this Lease, including all reasonable claims for damages made by any succeeding tenant or purchaser of the Demised Premises against Landlord which may be founded upon delay by Landlord in giving possession of the Demised Premises to such succeeding tenant or purchaser, so far as such damages are occasioned by the holding over of Tenant.

If Tenant fails to remove all goods and chattels and other personal property in possession of Tenant, by whomsoever owned, at the end of the Term, or at such other time as Landlord may be entitled to re-enter and take possession of the Demised Premises pursuant to any provision of this Lease, Tenant hereby irrevocably makes, constitutes and appoints Landlord as the agent and attorney-in-fact of Tenant to remove all goods and chattels and other personal property, by whomsoever owned, from the Demised Premises to a reasonably safe place of storage, such

moving and storage to be at the sole cost and expense of Tenant, and Tenant covenants and agrees to reimburse and pay to Landlord all expenses which Landlord incurs for the removal and storage of all such goods and chattels. In addition, at the option of Landlord, Tenant shall be deemed to have abandoned such goods, chattels and other personal property and the same shall become the property of Landlord. Tenant shall reimburse and pay Landlord for all expenses incurred in the removing or disposing of the abandoned property.

No act or thing done by Landlord shall be deemed an acceptance of the surrender of the Demised Premises unless Landlord shall execute a written release of Tenant. Tenant's liability hereunder shall not be terminated by the execution by Landlord of a new lease of the Demised Premises.

24. **DEFAULT BY TENANT.** If before or during the Term, there shall occur any of the following events ("Events of Default"):

(a) Tenant makes a general assignment for the benefit of creditors, or admits in writing its inability to pay its debts as they become due, adjudicated a bankrupt or insolvent, or shall file a petition seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under any present or future statute, law or regulation, or files an answer admitting or not contesting the material allegations of a petition against it in any such proceeding, or shall seek or consent to or acquiesce in the appointment of any trustee, receiver or liquidator of Tenant or of any material part of its assets, and such appointment shall not have been vacated; or

(b) if, within 60 days after the Commencement Date, any proceeding against Tenant seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under any present or future statute, law or regulation, such proceeding shall not have been dismissed, or if, within 60 days after the appointment without the consent or

acquiescence of Tenant of any trustee, receiver or liquidator of Tenant or of any material part of its assets, such appointment shall not have been vacated; or

(c) if the interest of Tenant in the Demised Premises shall be sold under execution or other legal process; or

(d) if Tenant shall fail to pay any installment of Base or Additional Rent within seven (7) days of the due date; or

(e) if Tenant shall fail to perform or observe any requirement, obligation, agreement, covenant or condition of this Lease, other than the payment of any installment of Base Rent or Additional Rent, and any such failure shall constitute for 15 days after Landlord gives Tenant notice thereof, or if such failure cannot be remedied within 15 days, then for a reasonable time thereafter, provided Tenant commences to remedy such failure within said 15 day period and prosecutes the same to completion with diligence; or

(f) if any representation or warranty contained in this Lease shall prove to be incorrect in any material respect on the date upon which it was made; then at any time following any of such Events of Default, Landlord, without waiving any other rights herein available to Landlord at law or in equity, may either (1) give Tenant notice of termination of this Lease, or (2) without terminating this Lease, give Tenant notice of Landlord's intention to re-enter and take possession of the Demised Premises, with or without legal process. The giving of either of such notices to Tenant shall terminate Tenant's right to possession of the Demised Premises under this Lease without prejudice, however, to the rights of Landlord to exercise all other available legal remedies and without discharging Tenant from any of its liabilities hereunder.

If Landlord elects to terminate Tenant's right to possession of the Demised Premises under this section following an Event of Default, Landlord may re-enter and take possession of the Demised Premises, with or without legal process, and Tenant hereby waives any claim for damages

as a result thereof, and Tenant shall be obligated to pay to Landlord as damages upon demand, and Landlord shall be entitled to recover of and from Tenant:

(a) all Base Rent and Additional Rent which are in arrears as of the date of termination of Tenant's right to possession, plus

(b) the cost to Landlord of all reasonable legal and other expenses and costs (including reasonable attorney's fees) incurred by Landlord in obtaining possession of the Demised Premises, in enforcing any provision of this lease, in preserving the Demised Premises during any period of vacancy, in making such alterations and repairs to the Demised Premises as the Tenant was required to make pursuant to the terms of this Lease and in re-letting the Demised Premises, including all reasonable brokerage commissions therefor, plus

(c) either:

(i) in the event of Landlord's giving notice of its intention to re-enter and take possession without terminating this Lease, damages (payable in monthly installments, in advance, on the first day of each calendar month following the giving of such notice and continuing until the date originally fixed herein for the expiration of the then current Term of this Lease) in amounts equal to the Base Rent and Additional Rent herein reserved, less the net amount of rent, if any, which may be collected and received by Landlord for the Demised Premises for and during the balance of the Term hereof; Landlord may re-let the Demised Premises, or any part or parts thereof and Landlord may grant concessions or charge a rental in excess of that provided in this Lease (Tenant shall have no right to any excess); or

(ii) in the event of Landlord's giving notice of termination of this Lease, an award for liquidated damages in an amount which, at the time of such termination, is equal to the excess, if any, of the installments of Base Rent and the aggregate of all sums payable hereunder as Additional Rent for the period which would otherwise have constituted the unexpired portion of

the then Term of this Lease, plus the value of all other considerations to be paid or performed by Tenant during such period, over the fair rental value of the Demised Premises, as of the date of such termination, for such unexpired portion of the then Term of this Lease, or any part thereof if re-let by Landlord for the unexpired Term of this Lease, or any part thereof. If Landlord shall elect to re-enter and take possession without terminating this Lease, Landlord shall have the right at any time thereafter to terminate this Lease for such previous default, whereupon the provisions of this subsection with respect to termination will thereafter apply. Landlord will make reasonable effort to mitigate its damages.

Landlord may sue for and collect any amounts which may be due pursuant to the provisions above from time to time as Landlord may elect, but no such suit shall bar or in any way prejudice the rights of Landlord to enforce the collection of amounts due at any time or time thereafter by a like or similar proceeding.

Tenant agrees to pay all costs of proceedings by Landlord for the enforcement of any breach of the terms and conditions of this Lease by the Tenant, including reasonable attorney's fees and expenses, which shall be deemed Additional Rent for the period with respect to which the Event of Default occurred, if Landlord is the prevailing party in such suit.

No remedy herein conferred upon or reserved to Landlord is intended to be exclusive of any other remedy herein or by law provided, but each shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute. The receipt and acceptance by Landlord of Rent with knowledge of the default by Tenant in any of Tenant's obligations under this Lease shall not be deemed a waiver by Landlord of such default. Nothing contained in this Lease shall limit or prejudice the right of Landlord to prove for and obtain in proceedings for bankruptcy or insolvency an amount equal to the maximum allowed by any statute or rule of law in effect at the time when and governing the Proceedings, in which

the damages are to be proved, whether or not the amount be greater, equal to, or less than the amount of the loss or damages referred to above.

No waiver by Landlord of any Event of Default or any default by Tenant in any covenant, agreement or obligation under this Lease shall operate to waive or affect any subsequent Event of Default or default in any covenant, agreement or obligation hereunder, nor shall any forbearance by Landlord to enforce a right or remedy upon an Event of Default or any such default be a waiver of any of its rights and remedies with respect to such or any subsequent default or in any other manner operate to the prejudice of Landlord.

25. **LATE FEE.** For any payments of Base Rent or Additional Rent paid after the date such payments were due, Tenant shall pay a late fee of 5% of the amount not paid when due. The payment of any late fee shall not in any way be curative of any Event of Default and payments pursuant to this section shall not affect any of the Landlord's rights and remedies under Section 24.

26. **NO JOINT VENTURE.** It is hereby agreed that nothing contained in this Lease shall be deemed or construed as creating a partnership or joint venture between Landlord and Tenant, or between Landlord and any other party, or cause either party to be responsible in any way for the debts or obligations of the other party.

27. **QUIET ENJOYMENT.** Landlord covenants that Tenant, on paying the Rent and performing the covenants and conditions contained in this Lease, shall and may peaceably and quietly have, hold and enjoy the Demised Premises for the term aforesaid.

28. **CERTIFICATES BY TENANT AND LANDLORD.** Tenant and Landlord agree at any time and from time to time during the Term of this Lease, within ten (10) days after written request from the other, to execute, acknowledge and deliver to the requesting party or to a third party a statement in writing certifying that this lease is unmodified and in full force and effect

(or if there have been modifications, that the same is in full force and effect as modified and stating the modification), and the dates to which the Base Rent, Additional Rent and other charges have been paid in advance, if any, and stating whether or not, to the best knowledge of the party, the requesting party is in default in the performance of any covenant, agreement or condition contained in this Lease, and, if so, specifying each such default of which such party may have knowledge. Such third party shall have the right to rely upon the contents of any such written statement.

29. **NOTICES.** Whenever it is provided herein that notice, demand, request or other communication shall or may be given to or served upon either of the parties, or if either of the parties shall desire to give or serve upon the other any notice, demand, request or other communication with respect hereto or the Demised Premises, each such notice, demand, request or other communication shall be given in writing either by hand delivery, overnight courier or by mailing same by registered or certified mail return receipt requested, with proper postage pre-paid and any law or statute to the contrary notwithstanding, shall be given or served as follows:

Landlord: City of Norfolk  
Room 306, City Hall Bldg  
810 Union Street  
Norfolk, Virginia 23510  
Attn: Manager of Real Estate

Tenant: Rover Marine, Inc.  
P. O. Box 3125  
Norfolk, Virginia 23514  
Attn: Tom Van Benschoten

or at such other address as either of the parties may from time to time designate by written notice.

Every notice, demand, request or other communication hereunder shall be deemed to have been given or served at the time that the same shall be hand delivered or deposited in the United States mail, postage prepaid, in the manner aforesaid.

30. **CAPTIONS.** The captions to the sections of this Lease are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope or intent of this lease or any part thereof nor in any way affect this Lease or any part thereof.

31. **COVENANTS AND CONDITIONS.** All of the terms and provisions of this Lease shall be deemed and construed to be "covenants" and "conditions" to be performed by the respective parties as though words specifically expressing or importing covenants and conditions were used in each separate term and provision hereof.

32. **WAIVER OF TRIAL BY JURY.** Landlord and Tenant hereby mutually waive their rights to trial by jury in any action, proceeding or counterclaim brought by either of the parties hereto against the other on any matters whatsoever arising out of or in any way connected with this Lease, Tenant's use or occupancy of the Demised Premises, and any claim of injury or damage.

33. **DEFINITION OF TERM "LANDLORD".** When the term "Landlord" is used in this Lease, it shall be construed to mean and include only the then owner of the fee title of the Demised Premises. Upon transfer by Landlord of the fee title to the Demised Premises, Landlord shall give Tenant notice in writing of the name and address of Landlord's transferee. In such event, the then Landlord shall be automatically free and relieved from and after the date of such transfer of title of all personal liability with respect to the performance of any of the covenants and obligations on the part of Landlord herein contained to be performed, provided any such transfer and conveyance by Landlord is expressly subject to the assumption by the grantee or transferor of the obligations of Landlord to be performed pursuant to the terms and conditions of this Lease.

34. **BROKERAGE REPRESENTATION.** Landlord shall have no obligation for the payment of any real estate commission in regard to this Lease, and Tenant shall indemnify and hold harmless Landlord from and against any claim by a real estate agent for any commission relative to this Lease.

35. **ENTIRE AGREEMENT.** This Lease contains the entire agreement between the parties and shall not be modified in any manner except by an instrument in writing executed by the parties.

36. **APPLICABLE LAW.** This Lease shall be governed by and construed in accordance with the laws of the Commonwealth of Virginia, and any suit arising out of this Lease only shall be brought in the State or Federal Courts located in the State of Virginia. In the event of any such suit, the parties hereto consent to the personal jurisdiction of such courts and waive any defense based on improper venue.

37. **BIND AND INURE CLAUSE.** The terms, covenants and conditions of this Lease shall be binding upon and inure to the benefit of each of the parties hereto, and their respective successors and assigns.

38. **TENANT'S RECOURSE.** In any action or proceeding brought by Tenant against Landlord on this Lease, Tenant shall look solely to the Landlord's interest in the Demised Premises for the payment of any damages or satisfaction of any liabilities or obligations of Landlord, and no judgment obtained by Tenant shall be enforceable against, or a lien upon, any property of Landlord other than the Demised Premises.

39. **LANDLORD'S RIGHT TO ENTER.** Landlord and its agent shall have the right to enter into and upon the Demised Premises, after giving notice to Tenant, for the purpose of inspection and to make any repairs necessary to the Landlord's property.

40. **PARKING.** At the discretion of the Tenant, Landlord agrees to make available two (2) unreserved parking spaces for Tenant's use within the attached parking garage. Tenant is responsible for making arrangements with the City of Norfolk Parking Division and paying the costs of parking at published rates per space, per month.

41. **TENANT'S RIGHT OF ENTRY.** Landlord hereby grants Tenant the right to enter into the Demised Premises not more than thirty (30) days prior to the effective date of authorizing ordinance, solely at their own risk, for the purpose of building out the Premises in connection with the intended use. Landlord shall approve design or construction. Prior to entering the Premises, Tenant will deliver to the Landlord the Insurance Certificates as required in Section 9. If for any reason the Tenant shall not occupy the Demised Premises as permitted by this Lease and has, however, commenced build out for the proposed use prior to the effective date of authorizing ordinance, Tenant shall repair any damage to the Demised Premises and shall restore all disturbed areas to its original condition.

**IN WITNESS WHEREOF**, the parties have executed or have caused this Lease to be executed by their duly authorized officers and their corporate seals to be hereunto affixed and attested, all as of the day and year first above written.

BE IT ORDAINED by the Council of the City of Norfolk:

Section 1:- That permission is hereby granted to 433 Granby Street, LLC ("433") to encroach into the right-of-way at 433 Granby Street with signage as shown on Exhibit A, attached hereto, such permission being further subject to the following conditions:

- (A) That this permission is expressly subject to the right of revocation by the Council and that in the event of such revocation, 433, or its successors and assigns, shall immediately remove the encroaching structures.

2. **USE:** Michael, and its tenant(s), shall be permitted to occupy the Encroachment Area for outdoor dining purposes in conjunction with the operation of a dining establishment.

3. **TERM; TERMINATION:** The term of the permission to encroach granted hereby shall be no longer than five (5) years and shall commence on February 1, 2016, or upon the effective date of any authorizing ordinance, whichever shall last occur, and shall terminate on January 31, 2021. However, it is expressly understood that the permission granted herein is subject to the right of revocation by the Norfolk City Council, and that in the event of such revocation, Michael, and its tenant(s), if requested by City, shall remove the encroaching structures and shall cease using the Encroachment Area.

4. **COMPENSATION:** As compensation for the privilege of encroaching into the right of way, Michael shall pay City an annual encroachment fee in the amount of **Nine Hundred Seventy-Two and 0/100 Dollars (\$972.00)**, to be paid in monthly installments of **Eighty-One and 0/100 Dollars (\$81.00)**, beginning on the first day of February, 2016 or the day the ordinance

is effective, whichever is later. The encroachment fee shall be paid by check payable to the “Norfolk City Treasurer” and sent to the Department of General Services, 232 E. Main Street, Suite 250, Norfolk, VA 23510, and Attn: Mr. Jim Resolute.

5. **LATE FEES:** For any late payments received 5 days after the first of each month, Michael shall pay a late fee of five percent (5%) of the amount not paid when due.

7. **REPAIRS:** Michael, and its tenant(s), shall keep and maintain the Encroachment Area in good and complete state of repair and condition. Michael, and its tenant(s) shall make all repairs and replacements of every kind to the sidewalks and paved areas of the Encroachment Area in order to preserve and maintain the condition of the Encroachment Area. All such repairs and maintenance shall be performed in a good and competent manner, be at least equal in quality and usefulness to the original components, and not diminish the overall value of the Encroachment Area.

8. **REQUIREMENTS OF PUBLIC LAWS:** Michael, and its tenant(s), shall suffer no waste or injury to the Encroachment Area and shall comply with all federal, state, and municipal laws, ordinances and regulations applicable to the structure, use, and occupancy of the Encroachment Area. compliance with this Agreement, and making any repairs, which City deems necessary because of any failure of Michael, or its tenant(s), to meet their obligations under this Agreement. The cost of any such repairs shall be deemed additional compensation payable to the City on demand. Any entry upon the Encroachment Area for cure and repair shall be accomplished by City at reasonable times and in the exercise of reasonable discretion by the City. The making of any repairs by City shall not constitute a waiver by City of any right or remedy upon Michael's, and/or its tenant(s), default in making repairs.

11. **ENVIRONMENTAL MATTERS:** Michael, and its tenant(s), agree that they will not introduce onto the Encroachment Area any toxic, hazardous, or dangerous materials unless such material is stored, safeguarded, or used in accordance with applicable laws and regulations. Michael, and its tenant(s), will not allow any air, water, or noise pollution to occur in the

Encroachment Area. Michael, and its tenant(s), hereby agree to use and occupy the Encroachment Area in a safe and reasonable manner and in accordance with applicable law.

City in turn agrees that Michael, and its tenant(s), shall not be responsible or assume liability for environmental conditions existing on or about the Encroachment Area prior to occupancy by Michael thereof.

12. **DESTRUCTION:** If the encroaching structures or any part thereof shall be damaged or destroyed by fire, lightning, vandalism, or by any other casualty or cause, the permission granted hereby shall be automatically terminated unless the parties agree, in writing, to continue to permit the encroachments granted by this Agreement.

13. **NON-LIABILITY OF CITY:** City shall not be liable for any damage or injury which may be sustained by Michael, its tenant(s), or any other person as a consequence of the failure, breakage, leakage or obstruction of the water, plumbing, steam, gas, sewer, waste or spoil pipes, roof, drains, leaders, gutters, valleys, downspouts or the like, or of the electrical, ventilation, air conditioning, gas, power, conveyor, refrigeration, sprinkler, hearing or other systems, elevators or hoisting equipment, if any, upon the Encroachment Area, or by reason of the elements; or resulting from acts, conduct or omissions on the part of Michael, its tenant(s), or their agents, employees, guests, licensees, invitees, assignees or successors, or on the part of any other person or entity.

14. **REMOVAL OF SNOW:** Michael, and its tenant(s), agree to remove or cause to be removed, as the need for the same arises, snow and ice from the Encroachment Area.

15. **ALTERATIONS:** Michael, and its tenant(s), covenant and agree that they will not make any improvements, changes, installations, renovations, additions, or alterations in and about the Encroachment Area without the prior written consent of the City other than the approval given by Norfolk's Design Review Committee and Norfolk's Planning Commission. If Michael, and/or

its tenants, install or make any improvements, additions, installations, renovations, changes on or to the Encroachment Area with the approval of City, Michael, and its tenant(s), hereby agree to remove, if requested by City, any improvements, additions, installations, and renovations, changes on or to the Encroachment Area upon termination of this Agreement. In the event Michael, and/or its tenant(s), fail to remove the improvements, additions, installations, renovations, and changes on or to the Encroachment Area when requested to do so by City, then the City may remove the improvements, additions, installations, renovations, changes and Michael, and its tenant(s), shall be jointly and severally liable for paying for the cost of such removal.

16. **ASSIGNMENT AND SUBLETTING:** City and Michael agree that the permission to encroach granted hereby is for the benefit of Michael and its tenant(s), and may not be assigned by Michael without written approval from Norfolk's City Manager. Further, upon Michael's lease of the premises (adjoining the Encroachment Area) to a tenant, Michael shall have any such tenant execute a copy of this Agreement, acknowledging acceptance of the terms and conditions set forth herein.

17. **SURRENDER:** Michael, and its tenant(s), will surrender possession of the Encroachment Area to City and remove all goods and chattels and other personal property therefrom upon termination of the permission granted hereby. Michael, and its tenant(s), shall return the Encroachment Area to the City in as good order and condition as it was at the beginning of Michael's use of the Encroachment Area. If Michael, and its tenant(s), have been requested to remove and fail to remove all items from the Encroachment Area upon termination hereof, City is authorized to remove and dispose of any such personal property and Michael, and its tenant(s), shall be jointly and severally liable to City for the cost of any removal and disposal.

18. **INSURANCE:** Michael, and its tenant(s), shall maintain in full force and effect Commercial General Liability ("CGL") insurance with a combined single limit policy of bodily

injury, death and property damage insurance of One Million and 0/100 Dollars (\$1,000,000) per occurrence and Two Million and 0/100 Dollars (\$2,000,000) general aggregate insuring against all liability arising out of the use, occupancy, or maintenance of the Encroachment Area and appurtenant areas. CGL insurance shall be written on an approved ISO form for coverage in the Commonwealth of Virginia, and shall cover liability arising from premises, operations, independent contractors, products-completed operations, personal injury, and liability assumed under insured contract. The City, its officers, employees, agents and representatives shall be named as additional insured on any such policy. Coverage shall be evidenced by a Certificate of Insurance provided to the City within thirty (30) days after adoption of this Agreement. All insurance policies and certificates shall provide for thirty (30) days advance notice in writing to the City, as the additional insured, if the insurance is cancelled or modified. Michael, and its tenant(s), shall inform the City Attorney and the Department of General Services within 15 days of receiving such notice or cancellation, and immediately obtain coverage compliant with this agreement.

Michael, and its tenant(s), shall maintain the applicable statutory Workers' Compensation Insurance, and Employer's Liability Insurance with a limit of at least \$500,000 per accident/disease, and policy limit of \$500,000 covering any of Michael's employees, and its tenant's employees, whose work occurs within the premises which are subject to this agreement.

19. **INDEMNIFICATION**: Michael, and its tenant(s), shall indemnify and save harmless City from all fines, penalties, costs, suits, proceedings, liabilities, damages, claims and actions of any kind arising out of the use and occupation of the Premises by reason of any breach or nonperformance of any covenant or condition of this Agreement by Michael, or its tenant(s), or by Michael's, or its tenant(s)', intentional act or negligence, and not caused in whole or in part by City. This indemnification shall extend to all claims of any person or party for death or injury to persons and damage to any property, and to legal expenses, including reasonable attorney's fees,

incurred by City in the defense of such claims or incurred by City as a result of a breach of any provision of this Agreement by Michael, or its tenant(s), but does not extend to circumstances caused in whole or in part by City.

20. **FIXTURES:** City covenants and agrees that no part of the improvements constructed, erected or placed by Michael, or its tenant(s), in the Encroachment Area shall be or become, or be considered as being, affixed to or a part of the right of way, and any and all provisions and principles of law to the contrary notwithstanding, it being the specific intention of City, Michael, and its tenant(s), to covenant and agree that all improvements of every kind and nature constructed, erected or placed by Michael, and/or its tenant(s), in the Encroachment Area shall be and remain the property of Michael, and/or its tenant(s), unless such improvements are not removed upon termination of this Agreement.

SS6901 et seq.) (IIRCRAII), the Comprehensive Environmental Response, Compensation, and Liability Act (42 U.S.C. SS9601 et seq.) (CERCLAII) or any other federal, state, or local environmental law, ordinance, rule or regulation.

(ii) "Release" means releasing, spilling, leaking, pumping, pouring, emitting, emptying, discharging, injection, escaping, leaching, disposing, or dumping.

(iii) "Notice" means any summons, citation, directive, order, claim, litigation, investigation, proceeding, judgment, letter or other communication, written or oral, actual or threatened, from any authority of the Commonwealth of Virginia, the United States

(e) Michael, and its tenant(s), hereby agree to defend (with counsel satisfactory to City) and indemnify and hold City harmless from and against any and all claims, losses, liabilities, damages and expenses (including, without limitation, reasonable cleanup costs and attorney's fees arising under this indemnity) which may arise directly or indirectly from any use or Release of Hazardous Substances in the Encroachment Area and losses and claims against City resulting from Michael's, and/or its tenant(s), failure to comply strictly with the provisions of this Section 21. The provisions of this Section 21 shall survive the termination of this permission granted by this Agreement.

22. **LIENS OR ENCUMBRANCES:** If because of any act or omission of Michael, and/or its tenant(s), any mechanic's lien or other lien, charge or order for the payment of money shall be filed against any portion of the Encroachment Area, Michael, and its tenant(s), shall, at their own cost and expense, cause the same to be discharged of record or bonded within ninety (90) days after written notice from the City to Michael, and/or its tenant(s), of the filing thereof, and Michael, and/or its tenant(s), shall have the right to contest the validity of such lien if they so choose.

25. **OTHER REQUIREMENTS:**

(a) Michael, and its tenant(s), shall comply with the City of Norfolk's Downtown Outdoor Dining Policy.

(b) Michael, and its tenant(s), shall comply with all requirements of the City of Norfolk Department of Public Health with respect to the use of the Encroachment Area.

(c) The use of the Encroachment Area shall be subject to the jurisdiction and review of the City of Norfolk's Design Review Committee.

(d) Michael's, and its tenant(s)', use of the Encroachment Area shall not interfere with any water meters or sewer cleanouts.

(e) A trashcan compatible in design and style with the table and chairs will be provided for the outdoor dining, and trash shall be removed daily.

## SAFEKEEPING AND CUSTODY AGREEMENT

THIS AGREEMENT ("Agreement") made as of the \_\_\_\_ day of \_\_\_\_\_, 2016, between VIRGINIA CARTOGRAPHICAL SOCIETY, LC, a Virginia limited liability company ("Owner") and CITY OF NORFOLK ("City").

WHEREAS, Owner owns all of those approximately 334 items comprised of (a) atlases, (b) books and pamphlets containing maps, and (c) individual maps, all as listed on Exhibit A attached hereto and incorporated herein by reference and captioned "Maps In Inventory Order" (together the "Collection"), together with (i) any frames and/or other storage media which may accompany the Collection and (b) nine binders containing invoices/bills of sales documenting provenance and inventory sheets containing more particular descriptions of individual maps and notes on individual maps (together the "Ancillary Materials"); and

WHEREAS, Owner desires to arrange for the storage and safekeeping of the Collection and Ancillary Materials; and

WHEREAS, City is willing to accept custody and responsibility for the storage and safekeeping of the Collection and Ancillary Materials on the terms and conditions of this Agreement.

WITNESSETH:

NOW THEREFORE, for and in consideration of the premises and the mutual covenants contained herein, the parties hereto do hereby agree as follows:

1. Custody. City will accept custody of the Collection and Ancillary Materials, and Owner will arrange for the packing and transport of the Collection and Ancillary Documents to City's main library at The Slover Library, Norfolk, Virginia (the "Library"). Concurrently with delivery, City will execute a receipt for the Collection and Ancillary Documents in the form of Exhibit B attached hereto and incorporated herein by reference. Owner will pay all costs associated with packing and transporting the Collection and Ancillary Materials to the Library.

2. Location. The Collection and Ancillary Materials will be located at all times at the Library and no item of the Collection or the Ancillary Materials will be located elsewhere without the prior written consent of Owner.

3. Care.

(a) City will use the same care in the care, storage and safekeeping of the Collection and Ancillary Materials that City exercises in the care, storage and safekeeping of rare objects of like kind, quality and condition held in the Sargeant Memorial Collection. Without limiting the generality of the foregoing, City specifically agrees to observe the following standards and procedures in the care, storage and safekeeping of the Collection and Ancillary Materials: City will (i) keep or cause to be kept each item in the Collection and all the Ancillary Materials in a secure, climate controlled location, readily identifiable and non-commingled with other items of a similar nature, (ii) not remove or allow to be removed, from any item in the

Collection, the existing short title labels corresponding to the list of items in Exhibit A, (iii) not expose or allow to be exposed to patrons viewing items in the Collection for single periods of over one (1) hour or for a sequence of periods aggregating over six (6) hours during a forty-eight (48) hour period, any item in the Collection to illumination at an intensity of greater than four foot-candles, and (iv) promptly inform Owner in writing of the location and of any change in the location of the Collection.

(b) City will not perform any conservation treatments unless approved in advance and in writing by Owner.

(c) Upon request of Owner, but not more frequently than annually, City will report to Owner (i) that it has reviewed the Collection visually and based on that review that all of the items of the Collection are still present and (ii) what City's records show has been the use of the Collection or any item in it. Should Owner desire to individually inspect each item of the Collection, City will assist Owner.

(d) Within five (5) days of discovery, City will report all instances of and circumstances surrounding loss, deterioration and damage to, or destruction of the Collection or any items thereof City will offer its recommendations as to the repairs and restoration to the Collection or any items thereof. Any actions, and the estimated costs thereof, that would involve repair and restoration of any of the Collection must be approved in advance and in writing by Owner.

(e) City will limit access to items in the Collection to individuals acting with City's express permission, in the presence and under the supervision of a librarian or archivist of the Library, and in accordance with the procedures described on Exhibit C.

Notwithstanding the foregoing, no access will be allowed to the Collection to persons outside Library's staff or third party conservationists approved by Owner until the parties mutually agree on further protocols to govern such access.

4. Conservation. City will not be expected to provide any conservation or stabilization and treatment to the Collection. City will be willing to provide those services subject to a separate written agreement with Owner.

5. Prohibition on Encumbrance/Transfer. City shall not mortgage, pledge, assign, transfer, exchange, give, sublet, discard or part with possession of any of the Collection in any manner to any third party, directly or indirectly, without the prior written permission of Owner.

6. Insurance. Owner will insure the Collection and Ancillary Materials for full replacement value, and City will not be responsible to insure the Collection or Ancillary Materials. Owner shall cause all such policies to name City as an additional insured on all such policies. All such insurance policies shall provide that none can be cancelled except on a 30-days' prior written notice to City, and that all such insurance policies shall contain a standard waiver of subrogation clause in favor of City. All such policies shall be paid and in force throughout the Term and any extensions thereof. Owner and City agree and acknowledge that the liability, if any, that the City may have with respect to any item of the Collection shall not

exceed the amount for which that item is insured by Owner under the policy that Owner is required to carry under this Section 7.

7. No Reproduction. Unless authorized in advance in writing by Owner, City shall not photograph or reproduce any of the Collection except in connection with a permitted exhibit pursuant to the provisions of Section 8 below. If any photographs or other reproductions are authorized, Owner will have the right to use photographs or reproductions without charge. Notwithstanding the aforesaid, City reserves the right to photograph, at low resolution, the entire Collection upon receipt of the Collection in order to document a base line. A copy of such record will be provided to Owner.

8. Exhibits. In consideration of City's agreement to accept custody and store and safe keep the Collection in accordance with the terms of this Agreement, Owner agrees that Owner will allow City on one or more occasions as the parties mutually agree to exhibit items of the Collection in accordance with written guidelines and procedures that City and Owner will mutually agree to prior to any such exhibit. It being understood, however, that no such exhibit(s) shall be permitted until the parties have mutually agreed upon the guidelines and conditions for exhibits of any items of the Collection that City may wish to undertake.

9. Term. The term of this Agreement shall be for a period of two (2) years. This Agreement shall automatically renew itself from year to year at the end of the initial term or any renewal term unless City has given Owner at least ninety (90) days notice for termination prior to the end of the then current term. Owner may terminate this Agreement at any time on thirty (30) written days' notice to City. In the event the Agreement is terminated, City will turn over the Collection and Ancillary Materials to Owner. Owner and City will reasonably cooperate to facilitate the packaging of the Collection and Ancillary Materials at City premises. Owner will reimburse City for its charges in connection therewith. The cost to relocate the Collection from the Library will be at the expense of Owner.

10. Confidentiality. City shall not, without Owner's prior written consent, publish or communicate to others outside of City the price, cost or estimated value of the Collection or any item regarding the Collection contained within the Ancillary Materials, except if required by law. This provision will survive any termination of this Agreement.

11. Miscellaneous.

(a) This Agreement (including the Exhibits attached hereto) represents the entire understanding of the parties with respect to the subject matter hereof, supersedes any and all other and prior agreements between the parties with respect to the subject matter hereof and declares all such prior agreements between the parties null and void. The terms of this Agreement may not be modified or amended, except in a writing signed by the party to be charged. This Agreement and all matters relating to it shall be governed by the laws of the State of Virginia. This Agreement shall inure to the benefit of, and shall be binding upon, the successors, heirs, executors and administrators of the parties hereto. Any dispute arising hereunder shall be resolved in the courts of the State of Virginia, or the United States federal courts located in the State of Virginia, and the parties hereto consent to the personal jurisdiction of such courts; provided, however, that the parties hereto agree that they will make concerted

efforts to settle any dispute between them in an amicable manner without the necessity of litigation. This Agreement shall not be interpreted for or against a party because such party or such party's legal counsel drafted such provision.

(b) If any term, provision, covenant, or condition of this Agreement, or the application thereof to any person or circumstance, shall be held by a court of competent jurisdiction to be invalid, unenforceable, or void, the remainder of this Agreement and such term, provision, covenant, or condition as applied to other persons or circumstances shall remain in full force and effect. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

12. Future of the Collection. Owner's intention is to find a permanent home for the Collection in the Hampton Roads area. The Library will certainly be a leading candidate for that role. However, Owner will be under no obligation to City or the Library with respect to the disposition of the Collection which will be Owner's decision in its sole discretion.

13. Notices. The point of contact for Owner and City and the address that all communication should be directed shall be as follows. Either party may change its address and point of contact by written notice to the other.

## EXHIBIT C

### Access Considerations

All normal archival practices should be observed. Visitors should produce identification, sign in, and leave pens, portfolios and cases outside the access area. A record should be kept of the visitor and the items to which the visitor has had access. The archivist should affirmatively determine when an item is returned that it has not been tampered with or damaged or removed. Only pencils may be used. An archivist or librarian should be present at all times. Listing these common precautions is not intended to foreclose any additional procedures which the archive follows or which seem appropriate in the judgment of the archivist in a particular situation.

The maps are housed in several different ways:

- a. Framed
- b. In mylar sleeves with an archival board for stiffness
- c. Matted on board with mylar cover
- d. In mylar sleeves or folders without a stiffener
- e. Folding into books
- f. Folding into self-covering boards
- g. Rolled up in a tube
- h. Stored in a paper portfolio (e.g. *1776 Anthony Smith Chesapeake*)
- i. In a few cases, unprotected

For anyone complying with normal archival procedures, access to framed items and to items in mylar sleeves with board stiffeners (a. and b.) can be provided routinely. Of course, the items should not be removed from the sleeves. These maps need not be touched so access can be routine.

A similar standard (routine access) applies to matted maps under mylar cover, and to maps in mylar sleeves or folders without a mat or stiffener, but the user should be cautioned and the superintending archivist should assure that the maps remain at all times flat and *stay in their housing*, as lifting or folding back the mat or mylar would expose the map.

In the remaining categories, e. through i. inclusive, access necessarily involves touching the map. Accordingly, it should be limited to those with a legitimate and particularized need to have access to the original map. Maps which are in a book and have only a centerfold (like most atlas maps) can be seen safely. It is suggested that NO access be provided to maps with multiple folds (e.g., maps in *1771 Grant to Washington*; and the *1777 Gallatin-James*), including maps folded down into a book (e.g. *1624 Smith Generall Historie*; *1786 Paris Jefferson Notes* and *1787 London Jefferson Notes*) and, particularly, maps folding down into self-covering boards (e.g., the *1859 Large Boye Buchholtz* captured from General Garnett). Repeated folding and unfolding will unavoidably break, or extend the existing breaks at, the folds.

The pages in the *1590 Illuminated deBry Admiranda Narratio* are fragile, so there should be extremely restricted access to this item.

Permission of Owner should be obtained for any photography. Photography should be accomplished if at all possible in natural light (not flash). Owner may wish to prohibit commercial photograph, or assess a charge. If photography is permitted by Owner, Owner may wish to require that any use include a credit line.

BUSINESS ASSOCIATE AGREEMENT  
QUALIFIED SERVICE ORGANIZATION AGREEMENT**

**PREAMBLE**

WHEREAS, pursuant to the Health Insurance Portability and Accountability Act ("HIPAA") of 1996, and its implementing regulations, the Standards for Privacy of Individually Identifiable Health Information, and the 2013 HIPAA Omnibus Rule, 45 CFR part 160 and part 164 subparts A and E ("Privacy Rule"), and the Health Insurance Reform: Security Standards, Final Rule, 45 CFR part 164 subpart C ("Security Rule"), the Health Information Technology for Economic and Clinical Health Act ("HITECH Act") and pursuant to the Federal Confidentiality of Alcohol and Drug Abuse Patient Records Regulation, 42 CFR Part 2 (collectively the "HIPAA Privacy and Security Rules"), the Department of Behavioral Health and Developmental Services (DBHDS), and the Business Associate/Qualified Service Organization (collectively, the "Parties") wish to enter into an Agreement that addresses the requirements of the HIPAA Privacy and Security Rules.

NOW, THEREFORE, the Parties to this Agreement, in consideration of the mutual covenants, promises, and stipulations set forth below, agree as follows:

**1. DEFINITIONS**

1.1 "**Department**" means the Department of Behavioral Health and Developmental Services (DBHDS), "covered entity" as defined by 45 CFR § 160.103. The Department is a hybrid entity, as defined by 45 CFR § 160.504.

1.2 "**Business Associate**" means HNN-CSB, Inc., a corporation with its principal place of business at 300 Medical Drive, Hampton, VA 23666, a "business entity" as defined by 45 CFR § 160.103. A business associate is one that creates, receives, maintains, or transmits PHI on behalf of a covered entity, as well as other specific types of organizations. Business associate contracts must specify requirements for breach notification, electronic access to PHI, etc. Subcontractors are now considered business associates and are bound by the same HIPAA privacy and security requirements.

1.3 "**Protected Health Information**" or "**PHI**" means individually identifiable health information maintained or transmitted in any form or medium, including, without limitation, all information (including demographic, medical, and financial information), data, documentation, and materials that relate to: (i) the past, present, or future physical or mental health or condition of an individual; (ii) the provision of health care to an individual; or (iii) the past, present, or future payment for the provision of health care to an individual.

1.4 "**Qualified Service Organization**" means \_\_\_\_\_ a Virginia corporation with its principal place of business at \_\_\_\_\_, a "qualified service organization" as defined by 42 CFR §2.11.

1.5 "**Security Incident**" means the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with system operations in an information system.

1.6 "**Underlying Service Agreement**" means the contract, agreement, or arrangement (written or unwritten) in effect that governs interactions between the DBHDS and the Business Associate/Qualified Service Organization.

3.1. Report to the DBHDS Privacy Officer, in writing, any use and/or disclosure of the PHI that is not permitted or required by the Underlying Services Agreement of which it becomes aware at the earliest opportunity (but in no event later than fifteen (15) days of the Business Associate/Qualified Service Organization's discovery of such unauthorized use and/or disclosure). Report each individual whose PHI was, or is reasonably believed to have been, accessed, acquired or disclosed.

3.2. Report to the DBHDS Security Officer, in writing, any security incident disclosing PHI of which it becomes aware at the earliest opportunity (but in no event later than fifteen (15) days of the Business Associate/Qualified Service Organization's discovery of such unauthorized use and/or disclosure). In addition, the Business Associate/Qualified Service Organization shall determine whether an event described in this paragraph is a breach of unsecured Protected Health Information that presents a significant risk of financial, reputational or other harm to affected individuals, all within the meaning of the breach notification requirements of the HITECH Act (a "Breach"). If the Business Associate/Qualified Service Organization determines that a Breach has occurred, it shall notify the Plan without unreasonable delay and in no case later than five (5) days following discovery of the Breach. At the election of DBHDS, the Business Administrator shall:

(1) include in its notice to the DBHDS, to the extent possible, the identification of each individual whose PHI has been, or is reasonably believed by the Business Associate/Qualified Service Organization to have been, accessed, acquired, used or disclosed during the Breach. At the time of such notification or as promptly thereafter as the information becomes available, the Business Associate/Qualified Service Organization shall also provide to the Plan any other available information that the DBHDS is required to include in notification to the individual under the HITECH Act; or

(2) provide notice directly to all affected individuals, which shall include, to the extent possible, the following information:

A. A brief description of what happened, including the date of the Breach and the date of discovery, if known.

B. A description of the types of unsecured PHI involved (such as full name, Social Security number, date of birth, home address, account numbers, etc.)

C. The steps individuals should take to protect themselves from potential harm resulting from the Breach.

D. A brief description of what Business Associate/Qualified Service Organization is doing to investigate the Breach, to mitigate losses, and to protect against any further breaches.

E. Contact procedures for individuals to ask questions or learn additional information, which shall include a toll-free telephone number, an email address, web site or postal address.

Such notification shall be made without unreasonable delay and in no case later than 60 days following discovery of the Breach. However, notification will be delayed if a law enforcement official determines that it would impede a criminal investigation or cause damage to national security. Notice will be provided by first class mail or by email if the individual has indicated that he prefers that form of delivery. Where Business Associate/Qualified Service Organization and the DBHDS do not have sufficient contact information to permit direct written contact, Business Associate/Qualified Service Organization shall provide alternative notice which may include posting on its web site or other media. Such posting will include a toll-free

3.12. Make any amendment(s) to the PHI that the DBHDS directs or that is required pursuant to 45 CFR § 164.526.

3.13. Business Associate acknowledges that as it is also a Qualified Service Organization pursuant to 42 CFR Part 2 to the extent it, as defined by 42 CFR 2.11 and accordingly may be receiving, storing, processing, or otherwise dealing with any patient substance abuse application, enrollment and treatment records from the DBHDS covered services, it is fully bound by 42 CFR Part 2; and if necessary, will resist in judicial proceedings any efforts to obtain access to substance abuse patient records except as permitted by 42 CFR Part 2

#### **4. OBLIGATIONS OF THE DBHDS**

4.1. The DBHDS shall provide the Business Associate/Qualified Service Organization with any changes in, or revocation of, permission by an individual to use or disclose PHI, if such changes affect the Business Associate/Qualified Service Organization's permitted or required uses and disclosures.

4.2. The DBHDS shall notify the Business Associate/Qualified Service Organization of any restrictions to the use that would not be permissible under the HIPAA Privacy or Security Rules if done by the DBHDS, to the extent that such changes may affect the Business Associate/Qualified Service Organization's use or disclosure of PHI.

#### **5. TERM AND TERMINATION OF AGREEMENT**

5.1. **Term.** This Agreement shall be effective as of the date of the Underlying Service Agreement, and shall terminate when all of the PHI provided by the DBHDS to the Business Associate/Qualified Service Organization, or created or received by the Business Associate/Qualified Service Organization on behalf of the City, is destroyed or returned to the DBHDS, or, if it is infeasible to return or destroy PHI, protections are extended to such information in accordance with the termination provisions in this Section.

5.2. **Termination for Cause.** If a party hereto has knowledge of a material breach by the other, the non-breaching party shall take the following actions:

- a. provide an opportunity for the breaching party to cure the breach or otherwise take corrective action, and if the breach is not cured or corrected, the non-breaching party may cease delivery of PHI or terminate the Agreement;
- b. immediately terminate this Agreement if breaching party has breached a material term and cure is not possible; or
- c. if neither cure nor termination is possible, the non-breaching party shall report the violation(s) to the Department of Health and Human Services. The non-breaching party reserves the right, in any situation in which a material breach by the breaching party occurs, to report such violation(s) to the Department of Health and Human Services.

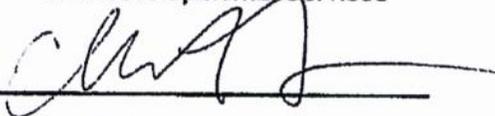

5.3. **Termination of Underlying Service Agreement.** The Parties agree that the termination of the Underlying Service Agreement between the Parties will result in the termination of this Agreement. The Business Associate/Qualified Service Organization shall authorize termination of the Underlying Service Agreement by the DBHDS, if the DBHDS determines that the Business Associate/Qualified Service Organization has violated a material term of the Underlying Service Agreement.

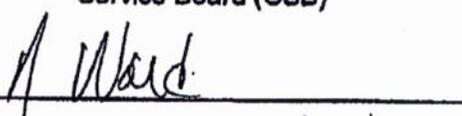

caused by or resulting from or arising out of any act or omission on the part of the Business Associate/Qualified Service Organization, its subcontractors, agents, or employees under or in connection with this Agreement or the performance or failure to perform any duty or by the Privacy or Security Rules required by this Agreement. The Business Associate/Qualified Service Organization agrees to indemnify and hold harmless the DBHDS and its agents, volunteers, servants, employees, and officials from and against any and all claims, losses, or expenses, including reasonable attorney's fees and litigation expenses suffered by any indemnified party or entity as the result of claims or suits due to, arising out of, or in connection with (a) any and all such damages, real or alleged, and (b) the violation of any law applicable to this Agreement. Upon written demand by the DBHDS, the Business Associate/Qualified Service Organization shall assume and defend at the Business Associate/Qualified Service Organization's sole expense any and all such suits or defense of claims made against the DBHDS, its agents, volunteers, servants, employees, or officials.

**IN WITNESS WHEREOF**, the Parties hereto have executed this Agreement effective on the day and year stated above.
