City Council;

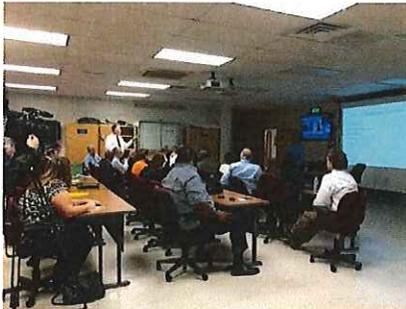

Today's memo provides you with information from the September 13<sup>th</sup> Council meeting.

Highlights include:

- New Wheelchair Signage
- Coastal Resilience Laboratory & Accelerator

### **Hurricane Matthew Preps**

Since Monday, Team Norfolk has planned and prepared for the upcoming weekend impacts from Hurricane Matthew.

Preparations included regular updates from Emergency Operations Manager Jim Redick to city staff and partner agencies.

Public Works crews have cleaned storm drains and ditches. New strainers on the Ohio Creek pumps near Spartan Village will help keep trash and debris out so the pumps work effectively.

We've communicated to citizens through Norfolk Alert, civic league emails, flyers, website and social media updates. Press releases went to the media. The York Street Parking Garage opened at 5:00 p.m. and will remain available to citizens who need a place to park until Monday at 12:00 p.m.

Extra staff is on hand through the weekend to check pumps, assist with storm-related cleanup and help in emergencies if necessary.

## MEMORANDUM

TO: City Council

FROM: Lori A. Crouch, Corporate Communications Director

COPIES TO: City Clerk, City Attorney

SUBJECT: Council Interests

DATE: October 7, 2016

Today's memo includes information from your September 13<sup>th</sup> Council meeting.

**Hampton Blvd. Speeding:** Norfolk Police maintain a consistent presence on Hampton Boulevard to address speeding and other traffic infractions. Since January, traffic officers have written nearly 1,000 tickets. Police will continue to ensure there is a visible presence and continue enforcement actions along Hampton Blvd.

**Wheelchair Signage:** Public Works will install "wheelchair traffic ahead" signs at 701 Easy Street and 5631 Tidewater Drive. The Transportation Division will conduct analysis of other locations and develop a list of pedestrian enhancement improvement projects that will utilize the \$7.5M Urban Allocation funding that you approved this year.

**Ocean View Driver Feedback Signs:** In anticipation of the impacts from Hurricane Matthew, Public Works removed all electronic driver feedback signs in Ocean View. The damaged signs from the last storm will be repaired and all signs returned when weather conditions permit.

**Coastal Resilience Laboratory & Accelerator Center:** The Resilience Office in partnership with the Commonwealth is finalizing a business plan for the Accelerator. Once complete, the Commonwealth will convene other cities in the region and make a decision on how the resources at the Accelerator will be used.

**Successful Bond Sale:** Capturing strong interest among buyers, the City of Norfolk successfully sold \$187 million in general obligations bonds on September 27 and 28, 2016, using a 3-prong approach.

- 1) Capital Improvement Bonds \$106.7 million
- 2) Refunding Bonds for savings \$69.9 million
- 3) Qualified Energy Conservation Bonds (QECBs) \$10.5 million

The innovative structure provides cash flow needs for previously authorized Capital Improvements Programs. The City achieved a savings of \$5.9 million across multiple funds, by refunding previously existing bonds for savings. This saving was anticipated when we developed the FY 2017 Budget. To

further the City's environmental sustainability goals, the City issued QECBs to fund the costs associated with energy efficiency improvements at the Southside STEM Academy at Campostella. Utilizing QECBs, the City saved approximately \$2.2 million in debt service payments over the life of the bonds, when compared to traditional tax-exempt financing.

Have a good weekend.

## MEMORANDUM

TO: City Council

CC TO: Marcus D. Jones, City Manager

FROM: John C. Kownack, Executive Director, NRHA

SUBJECT: October 25 Docket Item - Formation of Legal Entities by NRHA for Conversion  
of Assisted Rental Communities

DATE: October 7, 2016

On the October 25, 2016 regular agenda, City Council will consider a resolution to authorize the formation of legal entities to facilitate the conversion of existing assisted rental communities from the Low Income Public Housing (“LIPH”) program to the Project Based Voucher (“PBV”) program. The communities involved have received preliminary approval by the U. S. Department of Housing and Urban Development (“HUD”) to participate in the Rental Assistance Demonstration (“RAD”) program.

NRHA desires to convert North Wellington (25 units), a recently developed portion of Grandy Village (16 units), and a portion of Grandy Village that underwent significant renovation in 2008 (275 units) to the RAD program in order to streamline HUD funding streams and to replace the current HUD deeds of trusts on these LIPH properties with less restrictive use agreements. To convert from the LIPH program to the PBV program under RAD, HUD requires the use of separate entities to own and manage the properties.

The proposed resolution would authorize only the creation of entities relating to properties that are being converted under the “non-financial” category of the RAD program. These “non-financial” conversions would not involve the pursuit of Low Income Housing Tax Credits (“LIHTC”) and would not result in any changes in the obligation to maintain the units or cause any substantive impact on tenant requirements or rent calculations. In this manner, the authorization to create these entities would differ from the recent discussion relating to entity creation for the Young Terrace and Diggs Town communities, which include mixed-finance renovations involving the use of LIHTC equity.

On May 12, 2016, the NRHA Board of Commissioners approved a resolution authorizing the creation of the required entities, pending approval by the City Council.

As required by HUD, community meetings were held with the residents of North Wellington, on July 9, 2016, and Grandy Village, on July 23, 2016, to describe the RAD program and explain the impact of the program on current tenants.

SUBJECT: Minutes of City Council Meeting

October 7, 2016

Attached are the minutes of the City Council Retreat held on September 19 & 20, 2016 and the Joint School Board meeting held on Tuesday, September 27, 2016.

**CITY COUNCIL MEETING**  
**PETER G. DEICKER JR. CRUISE**  
**AND CELEBRATION CENTER**

**NORFOLK, VIRGINIA**

**SEPTEMBER 19, 2016**

President Alexander called the meeting to order at 8:00 a.m. with the following members present: Mrs. Graves, Ms. Johnson, Ms. McClellan, Mr. Riddick, Mr. Smigiel, Mr. Thomas and Dr. Whibley.

Mr. Riddick asked to make an opening statement. He stated he believes this council is the best he has worked with in a long time and that he is willing to help anyone.

The Mayor opened the retreat by stating the retreat will help set a course for the future and that a shared vision will be crafted.

Themes from the council that emerged from interviews with the consultant included:

- Education
- Boldness when it comes to open, space, parks
- Boldness in addressing public housing
- Boldness in addressing crime, sea level rise and flooding
- Sustainability

Mr. Smigiel asked that council address the parks plan as a work item. Mayor Alexander noted there would be time for that in the afternoon session.

Mrs. Graves suggested scheduling a monthly work session as a way to address issues council does not seem to have time to get to with its present twice a month meeting schedule.

## PRE-RETREAT INTERVIEW SUMMARY

Ms. Suzanne Puryear, serving as facilitator, stated council will work on crafting a vision and developing a strategy for achieving the vision.

She asked what ground rules council wanted to set for the retreat:

- Respect others views
- Take time to listen
- Be candid
- ELMO – enough, let's move on

## VISION FOR THE FUTURE

Council participated in an exercise designed to elicit responses for preparing a vision statement.

- Johnson: Choice neighborhoods, Ward issues are council issues
- Graves: a place everyone loves
- Smigiel: a vibrant, diverse, community that celebrates life
- Alexander: Resilient, alternative, a global destination community, a city where families want to live, work and play

Ms. Johnson: All neighborhoods need to be places where anyone would want to live.

Mayor: Noted income inequalities exist and part of addressing choice is looking at developing mixed income communities and attracting more jobs and job readiness opportunities.

Mrs. Graves: Stated all neighborhoods should be safe and clean.

Mr. Smigiel: Civic leagues in Ocean View have said they support creating mixed income communities and not tearing down entire communities

Mr. Riddick: Make sure public works expenditures are not race and class identifiable.

Dr. Whibley: Expressed interest in creating regulated low-income housing in areas not now identified as low-income.

Mr. Thomas: Wants the City to be progressive, ahead of the curve and wants the city to be economically successful with good jobs and a high median income, and to be an authentic port city and be proud of that and build on it.

Ms. McClellan: Norfolk needs to be a leader in the region; needs to embrace being an inclusive community.

Mrs. Graves: Need to address sexual orientation – have a policy.

Mr. Riddick: Norfolk must be a city where children are safe; they must be kept physically and emotionally strong and have high self-esteem. Must prepare children to be productive members of society.

Mrs. Graves: Wants Norfolk to be perceived positively by people coming to or visiting the city.

Ms. McClellan: Suggested a customer satisfaction survey to assess perception in the city.

Mayor: The City can do better at capitalizing on the many international connections that exist on the city's beaches and other assets.

Mr. Smigiel: There are people, schools and neighborhoods where people aren't celebrating and so the city needs to strive to get all citizens to celebrate life in Norfolk.

Dr. Whibley: Encourage involving citizens who have many skills to help work with city government.

## **EDUCATION**

Mr. Smigiel: Council shouldn't be telling the school board what to do, but should be a partner. He proposed establishing a commission on lifelong learning and to bring the institutions of higher education and others together to work on it.

Ms. McClellan: Stated she is interested in helping children outside of school such as the “Ready to Thrive” program and improving school facilities.

Ms. Johnson: Wants council to look at NPS mission, goals and initiatives and compare with the city’s. She also mentioned providing on-going funding to NPS and examining how council can help NPS.

Mr. Riddick: Asked if council’s role has changed with an elected school board.

Mayor: Constitutionally speaking, the relationship has not changed. Council’s role is to help NPS provide a world class education, close the achievement gap and improve test scores, and the school system needs to tell the council what it needs to achieve those things.

Mrs. Graves: Council needs to do a better job at defining its role in education now that the board is elected, and that council’s role is not to tell the board what to do.

Ms. McClellan: Stated she believes council should have a say in outcomes given council’s role in funding the system.

Dr. Whibley: Reserved money is not the only answer and expressed support for Mr. Smigiel’s suggestion of a commission on lifelong learning and would like to discuss it further.

Mr. Thomas: Suggested meeting more frequently with the school board – perhaps quarterly – and that council needs to be involved in how its funding is spent. He also stated the school system needs bold initiatives and supported the CTE school.

Mayor: Noted the CTE school can be a partnership – a charter school approach – with a charter and a board of governors.

Mr. Smigiel: Noted school board has the final say whether a charter school is set up.

Mr. Riddick: Asked if NPS is getting the best use out of the vocational school on Military Highway. If not, how can more students be sent there to get skills.

Dr. Whibley: Asked about the status of information on a revenue sharing formula for the schools. The City Manager stated staff has looked into this and there are some localities who have this arrangement and it can be brought to the council quickly if desired.

Mr. Smigiel: Five schools are being built but no conversation has been held on what is next. He recommended examining ways to modernize existing schools to bring them up to modern standards.

Ms. Johnson: Expressed support for the proposed revenue sharing agreement and urged that as improvements are made to schools, not to forget to make environmentally sustainable improvements.

Mayor: Suggested also examining school consolidations where it makes sense.

Ms. McClellan: Stated council needs to support teachers and make sure they are getting what they need to be successful.

Mr. Smigiel: Expressed support for better pay for teachers.

Mayor: Stated he has spoken with the manager and police chief about pay and pay for teachers and noted ways that need to be found to incentivize teachers to live in the city – the same for police and fire-rescue.

Ms. Puryear said four goals seem to have emerged from the discussion:

1. Commission on Lifelong Learning
2. Career Technical Education School
3. Continuous funding for schools
4. Ready to Thrive concept – wrap around services

## **PUBLIC SAFETY**

Ms. Puryear offered introductory remarks for this topic.

Mayor: Noted previous comments on good and bad neighborhoods and the difference between them and suggested looking at what we can do to lower the crime rate.

Mr. Riddick: Observed it's been a difficult year for homicides and gun crimes and wondered if we are soft on crime and if everything possible is being done to control crime. He also noted problems with traffic safety issues such as speeding and texting while driving. He said he is also concerned with pedestrian deaths, and would like to see more emphasis on traffic safety.

Mr. Smigiel: Wondered if police officers are well enough versed in social media as a number of shootings are mentioned on Facebook and other sites.

Ms. McClellan: Asked how technology is being used by the police such as predictive modeling to get ahead of the curve. Stated it is important to emphasize driver education as more bike lanes are added so cars and bikes can co-exist compatibly.

Mayor: Suggested perhaps police should be stricter on traffic safety stops.

Mrs. Graves: Noted that in helping children there is also a need to look at the parents or family.

Mr. Riddick: Stated he believes there aren't enough activities for girls, and this needs to be addressed; this also has implication for public safety.

Ms. McClellan: Suggested finding ways to bring young people back into school once they've left so they can get their life back on track.

Mayor: Noted there is an urgency to addressing homicide and gun violence, there is also the need for community engagement. He asked how to design a pilot project to develop a partnership between police, neighborhoods/citizens and the school system. He suggested beginning the program in Huntersville, Southside and East Ocean View.

Dr. Whibley: Asked if changing the 11 pm curfew would help.

City Manager: Reviewed crime statistics noting a 15% decrease in the three Nighthawks neighborhoods.

Ms. Johnson: Asked to publicize the results of the Nighthawks Program as well and the Ready to Thrive Program.

Look at policies for dealing with absentee landlords who aren't maintaining their properties.

Ms. McClellan: Suggested looking into a new program in D.C. whereby citizens inform police if they have video cameras so as to develop an inventory for police to call upon when investigating crimes.

Mr. Smigiel: Asked if it's possible to require all apartments to post ownership or property management information.

Ms. Puryear summarized the main points of discussion as follows:

- Use of technology/social media
- Use of data and ability to communicate to citizens
- Community policing

Mayor: Suggested using dashcam and body camera videos as part of policing.

Ms. McClellan: Asked what is being done in terms of maintaining the jail, and noted the large number of young deputies, asking if they are paid comparable to other localities to mitigate against losing experienced deputies.

Mr. Smigiel: What is being done with the Community Resource Officer effort, how it looks now.

Mr. Thomas: Stated as younger people begin to move into neighborhoods they tend to use social media rather than attend civic league meetings and the city will need to adapt to that.

Ms. McClellan: Asked if the CRO's can post their monthly reports to Nextdoor.

## **HOUSING**

Following a presentation on market conditions and housing needs assessment, council discussed aspects of a housing strategy as follows:

Mayor: Asked to be provided with information on what is the median price of a home that makes it revenue neutral – such that values above that produce revenue for city services provided and values below that result in city services costing more than the taxes the property generates.

Mr. Riddick: Stated the challenge is to develop a strategy to reduce public housing and deconcentrate poverty without hurting the public housing residents.

Mayor: Noted the discrepancy between Norfolk and Virginia Beach's total regional population and percentage of public housing and that Norfolk's situation is not sustainable for the long run.

Mr. Riddick: Expressed concern about the expanded scope of the project, and need to be careful about how it is done.

## NORFOLK INDICATORS OF FINANCIAL HEALTH

The City Manager reported as follows:

- General Fund revenue up 6%
- Expenditures down 2.3%
- Variance = .7%
- Projecting at \$4.4 million gap FY2018
- Financial policy on use of surplus: If surplus exceeds .5% of General Fund Budget and structural balance has been achieved, then up to \$2 million to be used for CIP, debt reduction and reserves.
- Recommendation: use \$2 million to reduce debt; direct \$2.4 million to the FY2018 gap; use \$1 million for one-time actions.

Council discussion ensued regarding debt service, employee and teacher raises. In response to a question about the adequacy of risk management reserves, the city attorney expressed concern, and stated he will prepare an answer as to need as there are a number of claims on it.

The Mayor recommended and council concurred to apply the \$1 million available to risk management reserve.

## INFRASTRUCTURE DISCUSSION

Mr. Smigiel: Asked to update the parks master plan, to begin to prioritize projects and examine adequacy of funding.

Mr. Riddick: Asked how to approach assisting Spartan Village with its flooding and what a retention pond will cost.

Ms. McClellan: Asked how will infrastructure projects be funded in light of the city's debt policy.

Dr. Whibley: Recommended including a resiliency requirement for all infrastructure projects.

## **TECHNOLOGY**

Ms. McClellan: Recommended moving forward with a technology advisory commission and involving the creative technology community in helping the city solve its problems.

Steven DeBerry noted the existing Connect Norfolk Committee and the goals of the committee can be broadened to incorporate other needs.

Mr. Smigiel stated the committee needs citizen members.

Mr. Thomas agreed and commented projects needs to be previewed to users to ensure what is proposed will be used. He cited the inadequacies of the city's mobile website as an example.

Mr. Smigiel asked about regional communication.

## **LEGISLATIVE PRIORITIES**

Michelle Washington, Public and Government Relations Director, reviewed the proposed 2017 Legislative Package.

Mr. Riddick: Asked for a presentation on legalization of marijuana.

The administration responded it is in a data gathering state, and needs help with how best to shape it for presentation to the legislature; partners are also needed to help with a statewide effort.

Ms. McClellan: Asked if the General Assembly needs to be involved should council chose to make changes to the 2018 school board election. She stated she would like to discuss it.

## **WRAP-UP**

Ms. Puryear stated she will develop a summary and provide a copy to the council.

Mrs. Graves: Suggested using council committees to work on initiatives coming out of the retreat.

Mr. Smigiel: Volunteered to help put together the Lifelong Learning Commission. Dr. Whibley and Ms. Johnson will help.

Mayor: Said council will work with staff on implementing the projects from the retreat.

With no further business, Mayor Alexander adjourned the meeting.

### **BUSINESS MEETING OF COUNCIL**

**TUESDAY, SEPTEMBER 27, 2016**

President Alexander called the meeting to order at 4:00 p.m. with the following members present: Mrs. Graves, Ms. Johnson, Ms. McClellan, Mr. Riddick, Mr. Smigiel, Mr. Thomas and Dr. Whibley.

#### **JOINT MEETING WITH THE SCHOOL BOARD**

Members of the School Board present, Rodney Jordan, Chair, Noelle Gabriel, M.D., Vice Chair, Courtney Doyle, Tanya Bhasin, Reverend Edward Haywood, Brad Robinson and Yvonne Wagner. Superintendent Dr. Melinda Boone was also present.

Mayor Alexander welcomed the members of the schoolboard and called on chairman, Rodney Jordan for remarks.

Mr. Jordan noted council's retreat discussion on education that included council's role and responsibilities. He then called on board member Courtney Doyle to introduce discussion on school governance.

Ms. Bhasin reviewed a board accountability process.

Rev. Haywood discussed the board's ethics policy.

#### **SUPERINTENDENT'S UPDATE**

Dr. Melinda Boone, superintendent, reported as follows:

- School accreditation percentages have increased from 29% in school year 2013-2014 to 51% after 2015-1016.
- 6 of 13 schools that were third year warned are now fully accredited.
- Based on the 2015-16 data 23 of 45 schools are fully accredited. One school is partially accredited. (Fully accredited last year; missed by 1 point this year.)

- Two schools remain in the warning status.
- There are ten schools with accreditation denied.
- Nine schools are waiting to learn their status.

2016-17 SOL results:

- 18 elementary schools are projected to meet full accreditation. 84% of elementary schools met or exceeded state benchmarks in History; 17 elementary schools had double-digit gains in at least one tested area in Reading; 74% of elementary schools had increases in Science.
- All middle schools met or exceeded state benchmarks in Civics, Economics and World Geography. District average continues to exceed state average in EOC (end-of-course) Geometry and Algebra II. Eighth and seventh grade reading scores increased 11% and 19% respectively from SY2012-13. All secondary math tests had notable improvements since SY2013. Five of six tested areas had double digit gains.
- All 5 high schools met or exceeded the benchmark for EOC Reading, Writing, World Geography, and Chemistry. All 12 EOC benchmarks were met or exceeded. Three EOC tests were greater than the state average; Chemistry, World Geography, and Algebra II.

Gains in student achievement can be attributed to dedicated teachers and principals and a tiered system of support that includes data analysis, lesson plans and professional development. The lesson planning process has been revised. It will be introduced this year and evaluated; tweaks will be made if needed. The district is focused on Redesign in two key areas: literacy and leadership. The key elements are: listening, learning, connecting, aligning and creating systems for effectiveness.

With reference to the recent *Virginian-Pilot* article, Dr. Boone explained that last year the School Board asked the district to research course enrollment and student support at the high school level. Reports on course enrollment and first and second semester trends were then presented in November 2015, January 2016 and May 2016. The results revealed that students at-risk of not passing a first semester may sometimes be redirected from the second semester of a course sequence. The student is guided into either repeating the first semester or to a course that leads the student to be ready for success going forward.

Dr. Boone stated that the majority of the SOL tested courses have 90% or more of the students taking the first and second semesters of course sequence. They found the greatest number of students who experienced a redirection or different pathway

toward graduation were primarily in Algebra I and Geography. Dr. Boone stressed that all students who will receive a standard or advanced study diploma still must take and pass the SOL test in order to receive verified credits. There is no circumventing the opportunity for the SOL course prior to graduation.

Councilman Riddick asked Dr. Boone where the term “recycling” originated. Dr. Boone answered that it’s a term used by the media, not NPS. Councilman Riddick applauded the efforts to recognize these students and to support and strengthen them. He suggested NPS create a term that reflects the support and strength building. Dr. Boone referenced the phrase in her presentation: “alternative pathway to success.”

Dr. Boone gave a breakdown of revenue sources for the 2016-17 approved operating budget. The Governor’s budget included a mid-year 2% increase for teachers in certain positions. The school district built its budget on a full-year 2.5% increase for all employees. In the event that the state is not able to sustain its portion of that raise, the district will immediately face a \$1.4 million deficit in the current fiscal year budget.

Revenue sources:

- State funds - \$190,545,112
- Federal Funds - \$5,651,426
- City Funds - \$118,499,322
- Carry Forward Funds - \$3,149,274
- Other funds - \$4,023,361

Mr. Smigiel commented that the newspaper unfairly focused on Norfolk, that the state design for high schools provides flexibility for helping students succeed and that SOL courses can be moved between grades.

Mrs. Graves stated she believes the alternative pathway to success is a positive strategy for helping students succeed.

Ms. Johnson said she has visited the vocational technical school and what she saw was impressive particularly the partnership with shipyards. She asked what the qualifications are for students to enroll there.

## CTE SCHOOL UPDATE

The City Manager reported as follows:

- The effort for a Career Technical Education school began in 2010 with a partnership that included Greater Norfolk Corporation, the *Virginian-Pilot* publisher and the Hampton Roads Community Foundation.
- In 2012, City Council appropriated \$500,000 for planning; the study was completed in 2013.
- Poverty Commission recommended CTE
- 2015 the School Board endorsed CTE planning and public charter formation and council appropriated \$1 million to the project.
- The concept has now moved to a Regional Career Pathways Center
- There is a need to recruit major employer sponsors, higher education partners and other regional school system participants.
- A tentative schedule calls for lining up funding, design in 2017, construction in 2018 and opening in 2019.
- The question is whether the school should start smaller as a city initiative or proceed as a regional effort.

Mayor Alexander asked the Manager to work with the superintendent on a recommendation.

Ms. Johnson commented the board supports the school and moving forward.

Dr. Whibley stated there seem to be questions about funding, location and whether it's a city or regional facility and a decision needs to be made.

Mr. Smigiel said a timetable is needed.

Ms. McClellan recommended implementing 2-3 programs and worry about building design later.

Mr. Riddick asked how much it would cost to send a student through a program and to target young people 13 to 17 years old.

Mayor Alexander directed the manager to work with the superintendent to develop the idea further and come back with a recommendation.

## **SCHOOL LEGISLATIVE PRIORITIES**

Ms. Doyle reported the board will develop legislative priorities at its next meeting and should approve them by the end of the month.

Dr. Whibley asked to know what the priorities are before council meets with the legislative delegation on November 1.

Mayor Alexander asked Council and School Board members for final remarks.

Ms. Wagner stated that working collectively with Council shows a real unity in making sure our schools move forward.

Councilman Smigiel suggested having quarterly retreats or joint meetings with the School Board. He added that the first meeting should be a half-day at a minimum.

Rev. Haywood echoed Councilman Smigiel's suggestion for quarterly meetings that would allow ample time for discussion.

Councilwoman Graves stated that as we move to an elected School Board there will be changes in the roles of the Council and School Board. She stressed that it's important to acknowledge that it's not the Council versus the School Board because both bodies are moving forward collectively to ensure students' success.

Councilwoman Johnson suggested discussion of Norfolk Public Schools' initiatives and City Council's initiatives and how they link, noting it will help both to better plan for the future of families and students.

Ms. Bhasin shared the sentiments of Councilman Smigiel. She stressed that there is a lot of work to be done and she looks forward to future discussions with Council. She added that the discussions should include public safety, housing and health.

Dr. Robinson stated he is very encouraged by the conversations around the table and that we have very dedicated people working to improve our schools and our entire city. He echoed Councilman Smigiel's suggestion for a joint retreat. He stated that he would like to see the CTE move forward.

Councilman Thomas thanked the School Board for their hard work. He echoed the request for more joint meetings. He also criticized the media for the recent article in the *Virginian-Pilot* which has turned out to be a non-issue.

Councilman Riddick echoed Councilwoman Graves' statements about the City Council and the School Board working together collaboratively.

Ms. Doyle suggested starting to work on the budget as soon as possible. She added that the more supports in place for the community at-large ultimately helps students who come from challenging areas of the city.

Councilwoman McClellan echoed Ms. Doyle, noting the need to ensure that students come to school healthy and ready to learn. She suggested that Council recognize at every City Council meeting something positive happening in the school system.

Councilwoman Whibley suggested that Mayor Alexander and Chairman Jordan work out a schedule for future joint meetings.

Dr. Gabriel thanked the City Council for hosting the meeting today and added that she looks forward to working with them in the future. She pointed out that the School Board's student member was not in attendance today. She added that this appointment to the Board is an example of how Norfolk has put students first.

### **CLOSED SESSION**

Motion for closed session was approved for purposes which are set out in **Clause 1 of subsection (A) of Section 2.2-3711 of the Virginia Freedom of Information Act**, as amended:

(1) Discussion of candidates for appointment to city boards, commission and authorities.

Yes: Graves, Johnson, McClellan, Riddick, Smigiel, Thomas, Whibley and Alexander.

**DECLARATION OF  
PROTECTIVE AND RESTRICTIVE COVENANTS  
RELATIVE TO PROPERTY LOCATED AT  
N S WASHINGTON AVE (TAX ACCOUNT #4044-5600)**

THIS DECLARATION, made this 31<sup>ST</sup> day of May, 2006, by the CITY OF NORFOLK, a municipal corporation of the Commonwealth of Virginia ("Declarant"), whose address is City Hall, 810 Union Street, Norfolk, Virginia, 23510.

WITNESSETH:

WHEREAS, Declarant is the owner of certain property described in Exhibit A, attached hereto and made a part hereof ("Property"); and

WHEREAS, Declarant, in order to provide for orderly development, improvement and maintenance of the Property, and the surrounding neighborhood, deems it suitable and appropriate to establish and publish certain standards and restrictions and to impose the same upon the Property;

NOW, THEREFORE, for and in consideration of the premises, the mutual benefits accruing to Declarant, to the surrounding neighborhood, and to subsequent purchasers of the Property, Declarant does hereby declare said Property to be subject to the following covenants, which covenants shall run with the land and shall be binding on all parties having or acquiring any right, title or interest in and to the Property or any part thereof.

A. PERMITTED AND PROHIBITED USES.

1. Any construction on or development of the Property shall be in keeping with the City of Norfolk's General Plan, as well as the City's neighborhood plans, as such plans may be approved from time to time by the City Council.

2. No building or structure of any kind shall be constructed, altered or permitted on the Property without the prior written approval of the design of such building or structure by the Director of City Planning for the City of Norfolk ("Director"). A set of plans shall be submitted to the Director for approval as set forth herein.

3. All buildings and structures located on the Property shall be kept in good repair and the Property shall be kept in compliance with all City codes and ordinances.

4. If the Property is located on a street or in a district that is designated as an underground street or district under the provisions of the Norfolk City Code, 1979, as amended ("City Code"), then any building or structure located on the Property shall be served by underground utilities, and no above ground poles and wires shall be permitted, unless otherwise provided in the City Code.

B. REVIEW AND APPROVAL OF PLANS

1. All plans for any new buildings or structures to be located on the Property, including any additions to existing buildings or structures, must be presented to and approved by the Director in writing prior to the commencement of any construction.

2. The Director shall approve or disapprove plans submitted to him within forty-five (45) days after an application has been made to him. If the Director fails to act within the said 45 days, the application shall be deemed to have been approved. In the event the plans are disapproved by the Director, the party submitting the plans shall have 45 days from the date of such disapproval to submit revised plans, such revised plans to contain any revisions required by the Director.

3. The plans required to be submitted to the Director for approval shall include a full set of construction plans and site plans.

4. The construction of any building or structure on the Property must commence within ninety (90) days of the receipt of approval by the Director. Work thereon shall be prosecuted diligently and must be completed within a reasonable time not to exceed twelve (12) months from the date construction commences.

C. GRANTEE'S ACCEPTANCE

The Grantee of the Property subject to the coverage of this Declaration, by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from Declarant or a subsequent owner of the Property, shall accept such deed or contract upon and subject to each and all of these protective and restrictive covenants and the agreements herein contained, and also the jurisdiction, rights, and powers of Declarant, and by such acceptance shall, for himself, his heirs, personal representatives, successors and assigns, consent, and agree to and with Declarant to keep, observe, comply with, and perform said protective and restrictive covenants.

D. EFFECTS OF PROTECTIVE AND RESTRICTIVE COVENANTS.

1. These protective and restrictive covenants shall run with the Property and shall be binding upon all parties and all persons claiming under them.

2. These protective and restrictive covenants may be changed, modified, or amended by a duly recorded instrument signed by the Declarant and the then current owner of the Property.

3. Each and every protective and restrictive covenant contained herein shall be considered to be an independent and separate covenant and agreement, and in the event that any one or more of said protective or restrictive covenants shall, for any reason, be held to be invalid or unenforceable, all remaining protective and restrictive covenants shall nevertheless remain in full force and effect.

4. The failure of any party or person to enforce a protective or restrictive covenant contained herein in any instance or against any person shall not constitute a waiver or abrogation of said protective or restrictive covenant.

E. REMEDIES.

The Declarant or any party to whose benefit these protective and restrictive covenants inure may proceed at law or in equity to prevent the occurrence, continuation, or violation of any of these protective and restrictive covenants, and the court in any such action may award reasonable expenses in prosecuting such action, including attorney's fees. In addition to any other remedy available at law or in equity, a violation of any protective or restrictive covenant contained herein shall, in the sole

discretion of the Declarant and upon the giving of written notice to the then current owner of the Property, cause the title to the Property to revert to the Declarant.

IN WITNESS WHEREOF, the Declarant has executed this Declaration the day and year first above written.

**EXHIBIT A TO ORDINANCE**

**LEASE AGREEMENT**

**THIS LEASE AGREEMENT** (“Lease”) made this \_\_\_\_\_ day of \_\_\_\_\_, 2016, by and between the **CITY OF NORFOLK** (“City”), a municipal corporation of the Commonwealth of Virginia, Lessor, and **COPY CONNECTION, LLC** (“CC”), a Virginia limited liability company, Lessee.

**WITNESSETH:**

**1. PREMISES.** City, for and in consideration of the rents, covenants and agreements hereinafter mentioned, reserved and contained, to be paid, kept and performed by CC, does hereby demise and lease unto CC, and CC does hereby lease from City, the property owned by the City of Norfolk known as 236 East Main Street, 954 square feet in area, in Norfolk, Virginia, as shown in Exhibit A attached hereto (“Premises”).

**2. USE.** CC covenants and agrees to use and occupy Premises as an office space for copying services and for no other purpose.

**3. ACCEPTANCE OF PREMISES:** CC hereby agrees to accept the Properties from the City as they are found by CC in “as is and where is” condition. CC further understands that the Premises are part of the Main Street Parking Garage complex and that other portions of the building will be utilized in a manner consistent with that purpose.

**4. LEASE TERM.** This lease agreement is for a five year term and will commence on October 1, 2016 (“Commencement Date”) and will terminate on September 30, 2021 (“Termination Date”), subject to the default provisions contained in Section 25.

**5. RENT:** Rent shall be made payable to the Norfolk City Treasurer and shall be in such sums as are set forth in the table below. The rent amount will increase 3% annually in each successive year of the lease.

Term	Monthly Rent	Annual Rent
10/01/2016-09/30/2017	\$1,340.99	\$16,091.88
10/01/2017-09/30/2018	\$1,381.22	\$16,574.64
10/01/2018- 09/30/2019	\$1,422.65	\$17,071.80
10/01/2019-09/30/2020	\$1,465.33	\$17,583.96
10/01/2020-09/30/2021	\$1,509.29	\$18,111.48

The rent shall be paid in monthly installments, made promptly on the first day of each month during the term of this Lease without demand and without offset or deduction. No payment by CC or receipt by City of a lesser amount than the monthly installment stipulated in this Lease shall be deemed other than on account of the earliest stipulated rent, nor shall any endorsement or statement on any check or payment, or any writing accompanying any check or payment of such rent, be deemed an accord and satisfaction, and City may accept such check or payment without

prejudice to City's right to recover the balance of such rent or pursue any other remedy provided in this Lease.

**6. PAST DUE RENT AND LATE CHARGES:** CC hereby acknowledges that late payment by CC to City of rent or other sums due hereunder will cause City to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges. In the event CC shall fail to pay, when the same is due and payable, any Rent, charges or adjustments, and if said sums have not been paid within five (5) days of their due date, then CC shall pay to City a "Late Charge" of five percent (5%) of the amount due on all rents. CC further covenants and agrees to pay City as a "bad check" or returned check charge the amount of Fifty Dollars (\$50.00) per bad check.

**7. UTILITIES AND OTHER COSTS:** CC shall make arrangements to have the individually metered electrical service to the Premises billed directly to CC and promptly pay for all charges when due in connection with the use of the Premises.

CC shall pay City, as additional rent, its prorated share of the expenses for providing HVAC, water and sewerage, and trash collection to the Premises. CC and City expressly agree that the following amounts shall be CC's prorated share of the HVAC, water and sewerage, and trash collection expenses provided to the Premises, and electricity and gas used in connection with the operation of the HVAC. This monthly charge shall be increased by three percent (3%) each year of the term of this Lease as set forth below:

Term	Additional Rent
10/01/2016-09/30/2017	\$144.90
10/01/2017-09/30/2018	\$149.25
10/01/2018- 09/30/2019	\$153.72
10/01/2019-09/30/2020	\$158.34
10/01/2020-09/30/2021	\$163.09

**8. ADDITIONAL RENT:** Additional Rent payable by CC shall include:

- (a) all taxes, leasehold taxes, assessments, utilities (as noted in Section 6) and other governmental charges, excluding charges arising from hazardous substances deposited prior to CC's tenancy assessed against or levied upon the Premises or related to the use or occupancy thereof;
- (b) all other expenses and charges which, during the term hereof, shall arise, be levied, assessed or imposed upon or against the Premises as an incident of the ownership thereof and which are of the kind customarily paid by owners of land and buildings by reason of such ownership, it being the intention hereof that, during the term of this Lease, CC shall be chargeable with and shall pay all sums which an owner of the Premises would pay, having regard to the safeguarding of his investments and the preservation of the freehold.
- (c) notwithstanding anything in this Lease to the contrary, CC does not hereby become responsible or in any manner whatsoever assume liability for environmental conditions or liabilities existing prior to its occupancy hereunder, or for such conditions not caused or permitted by CC.

Each of the items payable as Additional Rent shall be paid on or before the date when each becomes due, except CC may pay any tax, assessment, water rent or other governmental charge after it becomes due but before any penalty or interest accrues thereon. City shall furnish to CC any and all bills for items payable as Additional Rent in sufficient time for payments to be made by CC. City agrees to elect to pay any future assessment which may be levied against the Premises in the maximum number of installments permitted by law. CC shall furnish to City, within thirty (30) days after the date upon which any such charge is payable by CC as hereinabove provided, official receipts of the appropriate taxing or governmental authority, or other proofs satisfactory to City, evidencing the payment of Additional Rent. If CC shall fail to make any payment or to do any act required of it by any provision of this Lease, City may make such payment or do such act and the amount of such payment, or the cost of doing such act, together with interest thereon at the rate of 18% per annum, shall be deemed Additional Rent payable by CC upon demand by City. The making of any such payment or the doing of any such act by City shall not constitute a waiver by City of any right or remedy provided by this Lease upon CC's default in the making of such payment or the doing of such act. All taxes, assessments, and other governmental charges assessed against or levied upon the Premises shall be apportioned as between City and CC at the Commencement Date and Termination Date.

CC shall have the right to contest or review by appropriate proceedings or in any other manner permitted by law, at CC's sole cost and expense, in CC's name or in City's name, or both, any tax, assessment or charge, and City shall, without expense or charge to it, cooperate with CC and execute any documents or pleadings required for such purposes. If required by City, CC shall furnish a surety company bond, or other security reasonably satisfactory to City, against any liens by reason of such contest. The aforesaid contest by CC may include appeals from any judgments, decrees or orders until a final non-appealable determination shall be made by a court or governmental department or authority having jurisdiction in the matter.

**9. TRASH REMOVAL AND JANITORIAL SERVICES:** As the Premises are part of the Main Street Parking Garage complex, CC is part of a common trash removal service provided by the City. CC shall store all trash, rubbish and garbage in fully closed containers at the rear of the Premises in the loading dock area off Atlantic Street. CC shall not burn or otherwise inappropriately dispose of any trash, waste, rubbish or garbage in and/or about the Premises. Any expenses incurred by City related to the removal of such inappropriate disposal shall be reimbursed by CC.

**10. PARKING:** At the discretion of CC, City agrees to make available two (2) unreserved parking spaces for CC's use within the parking garage attached to the Premises. CC is responsible for making arrangements with the City's Division of Parking and paying the costs of parking at published rates per space, per month.

**11. CHANGE IN SCOPE OF TAXATION:** If at any time during the term of this Lease, the method or scope of taxation prevailing on the date hereof shall be altered, modified or enlarged so as to cause the method of taxation to be changed, in whole or in part, so that in substitution for the real estate taxes now assessed there may be, in whole or in part, a capital levy or other imposition based on the value of the Premises, or the rents received therefrom, or some other form of assessment based in whole or in part on some other valuation of the City's real

property comprising the Premises, then the substituted tax or imposition shall be payable and discharged by CC in the manner required pursuant to the law promulgated which shall authorize the change in the scope of taxation, and as required by the terms and conditions of this Lease.

Nothing contained in this Lease shall require CC to pay any franchise, estate, inheritance, succession, capital levy or transfer tax of City, or federal income or state income tax or excess profits or revenue tax, except to the extent such taxes; are imposed in whole or partial substitution for real property taxes.

If any tax which CC is required to pay as previously stated is a graduated tax, CC shall be required to pay only the portion thereof which would have been payable by City if the Premises were the only real property owned by City.

**12. INDEMNIFICATION AND CC'S INSURANCE:** CC, at its own cost and expense, shall obtain and maintain Comprehensive General Liability Insurance on the Premises for the joint and separate benefit of City and CC in an amount not less than \$1,000,000 for injury to or death of any person or persons, \$2,000,000 for any one occurrence, and \$500,000 for property damage, or in such higher limits as shall be reasonably required by City.

CC will be responsible for any and all damages to CC's inventory, furniture, fixtures and equipment, and will, at all times during the lease term and at its own cost expense, maintain all risk property insurance against damage by fire or other perils in an amount equal to the replacement value of all parts of the Premises for which the CC is responsible. Each insurance policy shall be so written as to protect the City and the CC, as their respective interests may appear, and all liability policies shall specifically name the City as an Additional Insured under the policy. If CC fails to provide such insurance, City may terminate this lease with ten (10) days notice to CC. Certificates of Insurance verifying all required insurance policies shall be delivered to the City prior to the CC's occupancy or build-out of the leased space.

CC agrees to look solely to the proceeds of CC's own insurer for indemnity against exposure for casualty losses of property or business interruption. CC warrants that its liability, property and business interruption insurers shall have no rights against City by virtue of assignment loan agreement or otherwise.

CC shall indemnify City for and against any and all claims, demands, suits, actions and judgments of any kind or nature whatsoever, including costs and expenses, for any personal injury or property damage to any person, or property, arising or resulting, directly or indirectly, from the entry onto the Premises by CC or CC's agents.

**13. REPAIRS:** CC shall keep and maintain the Premises in a good and complete state of repair and condition, except for ordinary wear and tear. CC shall make all repairs and replacements of every kind and character, to include, but not be limited to, store front glass, and maintain the Premises and the appurtenances belonging thereto, and will not call upon City during the term of this lease for the making of any repairs or replacements whatsoever. All repairs and replacements shall:

- (a) be performed in a good and workmanlike manner,

- (b) be at least substantially equal in quality and usefulness to the original work,
- (c) be of first-class modern character, and
- (d) not diminish the overall value of the Premises.

In this context, Premises refers to the partitions, ceilings, floors and other improvements heretofore or hereafter constructed at CC's expense.

**14. NO ASSIGNMENT OR SUBLEASE:** CC covenants not to assign, mortgage or encumber this Lease nor sublet or suffer or permit the Premises or any portion thereof to be used by others without the prior written consent of the City in each instance. The transfer of fifty percent (50%) or more of CC's stock, if CC is a corporation, or the transfer of twenty-five percent (25%) or more partnership interest in CC, if CC is a partnership, or the dissolution of CC as a corporation or partnership, is regarded as an assignment of the Lease, and the same is not permitted without the prior written consent of the City. CC and any guarantors shall remain liable for this Lease, its terms and covenants in such event that the City does grant consent to an assignment or sublease, and shall guarantee the performance of the assignee or sublessee without the need for guarantor's signature or consent thereto.

**15. ESTOPPEL CERTIFICATE:** CC shall, from time to time and within ten (10) days after request therefore by the City, execute, acknowledge and deliver to the City or its Agent a written Estoppel Certificate in recordable form. The Estoppel Certificate shall certify to the City, its Mortgagee or other party designated by the City, as of the date of such Estoppel Certificate that (a) the CC is in possession of Premises and is currently paying the Base Rent reserved hereunder; (b) the following Lease dates are and have been established: the Commencement Date and Termination Date of the Lease and that date upon which the CC started to pay rent; (c) that this Lease is unmodified and in full force and effect, or if there have been modifications, that the same are in full force and effect as modified and setting forth such modifications; (d) that there are no existing set-offs or defenses against the enforcement of any rights or remedies of the City, or any duty or obligation of the CC, hereunder, and if so, specify the same in detail; and (e) that the CC has no knowledge of any event having occurred that will authorize the termination of this Lease by the CC, or that the CC has no knowledge of any uncured defaults on the part of the City under this Lease, or if the CC has such knowledge, specifying the same in detail. In the event that the CC does not execute and deliver such Estoppel Certificate, as required herein, for purposes of this Lease, shall be and shall constitute an Irrevocable Power of Attorney, appointing and designating the City, its successors and assignees, as the CC's attorney-in-fact to execute and deliver such Estoppel Certificate as herein provided.

**16. SUBORDINATION AND ATTORNMENT:** CC agrees that this Lease is subordinate to any mortgage or lien resulting from financing or refinancing, now or hereafter placed upon the land on which the Premises have been built or upon any building hereafter placed upon the land, of which the Premises are a part. CC will further attorn to and acknowledge the foreclosure purchaser or purchasers as the City hereunder. This shall be self-operative and no further instrument of subordination shall be required by any mortgagee. However, CC shall, upon the request of any party in interest, promptly execute such instrument or certificate to carry out the intent thereof. City agrees to use its best efforts to obtain a non-disturbance agreement.

**17. QUIET ENJOYMENT:** City hereby covenants that CC, upon fully complying with and promptly performing all the terms, covenants and conditions of this Lease, on its part to be performed, and further, upon the prompt and timely payment of all rental sums due hereunder, shall have and quietly enjoy the Premises for the Lease Term set forth herein.

**18. ADDITIONAL COVENANTS BY CC:** CC shall not make alterations, additions or improvements to the building structure of which the Premises are a part without first obtaining City's written approval and consent. For purposes of this Lease, the structural components of the building are hereby defined as the foundation, structural steel, roof, exterior walls, storefront components including storefront glass and doors, back doors, or loading doors, existing interior plumbing improvements, exterior plumbing lines, HVAC unit components and ductwork, electric service, ceiling and light fixtures and common areas. CC shall present to City plans and specifications for any such work at the time approval is sought from City for CC structural modifications.

CC has the right to install its store trade fixtures in the Premises, provided that such installation does not damage the construction of the building nor interfere with the structural components of the building of which the Premises are a part. Such installations shall be at the sole risk and at the expense of the CC. All fixtures installed by CC shall remain the property of CC, and if the CC is not in default of the Lease, its terms and covenants herein, the same fixtures shall be removed by CC at the expense of the CC at the end of the Lease. CC further agrees to repair and/or to reimburse City for the cost of repair for any damages to the Premises caused by the installation and removal of its trade fixtures. In the event that fixtures are left behind or abandoned, CC shall pay to City any expenses associated with repairs to the Premises caused by the removal of same fixtures.

CC's signage is subject to and shall be within the sign criteria established by the Department of City Planning of the City of Norfolk. Design of storefront signage and fabrication and installation of the same shall be approved by the City or its Agent in writing prior to sign installation by CC at CC's expense. CC further agrees to maintain such storefront signage, awning signs, canopy signs, show window lettering, door signs or additional similar advertising signs in a good condition of repair and attractive display at all times.

Signs installed by CC are the property of CC, and if CC is not in default hereunder, shall also be removed by CC at the end of the Lease Term at CC's expense. Signs that are left behind or abandoned become the property of the City. If CC abandons sign upon termination of this Lease, or sooner, City shall have the right to remove the sign and CC agrees to be responsible and liable for the cost of such removal and the cost of such repairs occasioned by same removal.

CC will not use nor permit the Premises to be used for any illegal or immoral purpose. CC hereby agrees to comply with all Federal, State and Municipal laws, ordinances and regulations as they relate to CC's business and/or to the Premises in which the CC's business is located, and the use, storage and disposal of hazardous substances.

CC shall not make any use of the Premises, which would make voidable or void any policy of fire or extended coverage insurance covering any of the buildings or cause the buildings to

become uninsurable. CC covenants that, without prior written consent of the City, CC will not do anything which will increase the rate of fire insurance premium on the building. If by reason of any use by CC of the Premises or the keeping by CC of any flammable substances in the Premises, the hazardous insurance premiums or policies maintained by City shall be increased over normal rates for the building, the amount of the increase in the City insurance premium shall be paid to City by CC from time to time on demand. CC hereby covenants that it shall cease and desist any activity so affecting the insurability of the Premises upon written demand of the City.

CC will not use nor permit to be used any advertising medium or device such as audio broadcast, loudspeaker, radio, public address system, remote radio station, or flashing or digital reader sign, without the prior written consent of the City.

CC shall not hold any fire, bankruptcy, and going-out-of-business or auction sales, without the prior written consent of the City.

CC shall not use the sidewalks or any other portions of the common areas for any purpose related to the selling of merchandise or services without the City's consent in writing.

CC shall notify City in writing of all accidents or security-related incidents, i.e. crimes against person(s) and property, which occur in or about the Premises.

CC is hereby responsible and liable for any freezing in pipes and/or within plumbing fixtures and shall pay for the damages incurred. CC shall keep the Premises at a sufficient temperature to prevent such freezing or make such arrangements with a local utility service to prevent freeze-ups.

**19. CITY'S INSPECTION AND ACCESS:** City or its Agent, employees and/or contractors shall have the right to enter the Premises at any reasonable time to examine the same; to show the Premises to prospective purchasers, lenders, or prospective tenants of the Premises; and to make such repairs, alterations, improvements or additions as City may deem necessary or desirable. If CC is not personally present to permit entry and an entry is necessary, City or its Agent may, in the case of emergency, or if the Premises are unsecured and temporarily unoccupied, forcibly enter or secure the same, or take such other steps to address the emergency that City deems appropriate, without rendering City liable therefore. Otherwise, all such work and installation shall be done, so far as practical, so as not to unreasonably interfere with CC's use of the Premises. CC also hereby grants unto City and its Agent the right, within four (4) months prior to the Termination Date, to post and to remain thereon, without hindrance or destruction, the usual notice of "For Rent" on the storefront glass or front walls of said Premises. The exercise of any of these reserved rights by City shall not be deemed as an eviction or disturbance of CC's use, possession and quiet enjoyment of the Premises, and shall never render City liable in any manner to CC or any other person.

**20. WAIVER OF SUBROGATION:** City and CC waive all right of recovery against each other for any loss in or about the Properties, from perils insured against and under the fire insurance contract, including any all risk endorsements thereof, whether due to negligence or any other cause. This release of liability shall be operative only as long as waiver of subrogation clauses

are available on insurance policies, in the amounts, form, kinds and with a company satisfactory to City.

**21. INDEMNITY AGAINST LIENS:** CC agrees that it will, at all times during this Lease, take any and all steps necessary to prevent the filing of mechanics liens against the Premises. CC further agrees to indemnify and save the City harmless from and against any and all liabilities incurred by CC or claimed or charged against the Premises. CC shall promptly pay, or otherwise discharge, any and all such claims, expenses and liens, including the mechanic's materialmen's and other laborer's liens asserted or claimed against the Premises or any part thereof. In no event shall City or any of the City's property be liable for or chargeable with any expense or lien for work, labor or materials used for and in the Premises; or for any improvements thereof or changes made upon the order of CC, or to discharge the obligations of the CC.

**22. FIRE AND/OR DESTRUCTION:** If the Premises shall be damaged by fire or other casualty during the Term hereof, City agrees that it will restore the structural components and items, as defined in Section 17 hereof, with reasonable dispatch to substantially the same condition that they were in so far as the proceeds from City's insurance permit and, further provided that, City's mortgagee does not require insurance proceeds to be paid to it. Once City restoration work is complete, and since time is of the essence, CC's rent payment shall recommence on the date that CC reopens for business but no later than the sixtieth (60<sup>th</sup>) day after City notifies CC in writing that the Premises are ready for fixturing. The CC shall be responsible, at its sole cost and expense, to repair or replace any and all of the CC's fixtures, equipment and leasehold improvements, which were damaged or destroyed by the same insured cause. The rent payable hereunder shall be equitably and proportionately abated, according to loss of use to CC, during the period of time intervening between the date of such fire and/or destruction and the date that the Premises are restored. However, if the damage is due to the fault or the negligence of the CC or its employees, there shall be no abatement of rent. If such destruction occurs, during the last two (2) years of the term and exceeds fifty percent (50%) of the insurable value of the Premises at the time of such destruction occurs, City, at its option, may terminate this Lease as of the date of such destruction by giving CC written notice of its intention to do so within sixty (60) days after such date of destruction. If this Lease is so terminated, then the rent payable hereunder shall be abated as of the date of same destruction and CC shall remove all its property from the Premises within thirty (30) days after the receipt of written notice of termination. Unless City gives such notice, this Lease shall remain in full force and effect and City shall repair such damage as its expense, as expeditiously as possible under the circumstances. Notwithstanding the foregoing, in the event of damage to the Premises by fire or casualty which is not the result of CC's negligence, and which cannot be repaired within one hundred eighty (180) days of occurrence, City or CC shall have the right to terminate this Lease by giving the other party thirty (30) days prior written notice.

**23. FORCE MAJEURE:** In the event that either party hereto shall be delayed or hindered in, or prevented from, the performance of any act required hereunder by reason of strikes, lock-outs, labor troubles, inability to procure materials, failure of power, restrictive governmental laws or regulations, riots, insurrection, war or other reason of a like nature, not the fault of the party delayed in performing the work or doing acts required under the terms of this Lease, then performance of such acts shall be excused for the period of the delay; and the period for the

performance of any such act shall be extended for a period equivalent to the period of such delay; provided, however, that the provisions of this Lease shall not operate to release CC from this Lease nor to excuse CC, nor shall CC in any event be excused from prompt payment of rent and adjustments, and all other charges due to City by CC.

**24. EMINENT DOMAIN:** If all the Premises are condemned or taken by the power of eminent domain exercised by any governmental or quasi-governmental authority, this Lease shall terminate as of the date that the CC is required to vacate the Premises and all Rent shall be paid up to and until same date of termination. If only part of the Premises shall be taken and the size of the Premises are proportionately reduced, then the CC is entitled to an equal and proportionate reduction in Rent. Further, City shall, as expeditiously as possible, repair the remaining portion of Premises to the extent necessary to render the same suitable for which the Premises were leased. CC hereby waives any right that it may have to any condemnation award or sum paid under threat of condemnation as a result of a complete or partial taking of the Premises and/or any portion of the common areas. If there is only a partial taking of the common areas, this Lease shall not terminate and this Lease shall remain in full force and in effect. After partial taking of the common areas, the City, within a reasonable time thereafter, shall repair or reconstruct the remaining portion of the common areas to the extent necessary to make the same a complete architectural unit.

**25. CC'S DEFAULT:** The occurrence of any one of the following events constitutes a default by the CC and a breach of this Lease and its covenants by the CC, if such default, breach or non performance is continued and not cured within ten (10) days after written notice from City: (a) The vacating or abandonment of the Premises by CC, or the failure of the CC to be open for business and for the conduct of business as described in Section 2 of this Lease; (b) The failure by CC to make any payment of rent and adjustments on or before the due date thereof; (c) The failure by CC to perform any covenants herein or the breach by CC of any Lease covenants herein, other than those described in this section, and the further failure by CC to cure such covenant breach or non-performance, or to commence to cure and diligently pursue the cure of the covenant breach or non-performance which cannot be fully remedied within ten (10) days; (d) Petition by CC for bankruptcy, insolvency, or general assignment for the benefit of its creditors, or receiver appointment for CC for the substantial part of its assets and properties and such receiver is not removed within ten (10) days after its appointment; (e) If the CC shall default as described in this section, or in the performance of any covenant contained in this Lease, and if such default is repeated once within the next twelve months then, notwithstanding that such defaults shall have been cured within the period after notice as herein provided, any further similar default within such twelve month period shall be deemed a CC Default which cannot be cured, notwithstanding provisions for cure provided in this Lease. Upon such default, the City may proceed, with five days notice but no opportunity for cure, to exercise its remedies upon default.

**26. CITY'S REMEDIES:** In the event of CC Default, including CC's abandonment or vacating the Premises, City shall have the right, in addition to all other rights and remedies provided by the law, to terminate this Lease, and/or to re-enter and take possession of the Premises, peaceably or by force, and/or to change the locks thereto and to remove any property and merchandise therein, without liability to CC for damage arising therefrom and without obligation to CC to store any merchandise and property. Any costs of removal and storage of CC's fixtures,

inventory, equipment or any other personal property shall be the expense of CC and shall be added to all sums owed by CC to City. Further, City is under no obligation to CC, after default or abandonment, to relet the Premises in the name of CC or for the benefit of the City. City may, at its option and without subsequent notice to CC, re-let the Premises for such term and on such covenants and purposes as City, in its sole discretion, may determine are in the best interest of the City. City may collect and receive all rents derived therefrom and apply the same, after deduction of appropriate expenses, to the payment of the rent overdue and payable hereunder from the CC in default. The CC in default shall remain liable for any deficiency. Further, City shall not be responsible for or liable for any failure to re-let the Premises or any part hereof, or for any failure to collect any rent connected therewith. The City's recovery of possession of the Premises by any means shall not relieve the CC of its obligation to pay rent and adjustments through the term of the Lease, including any extensions in effect at the time of default under which CC then occupies the Premises.

Acceptance by City of delinquent rent from CC after CC Default shall not cure such default or entitle CC to possession of the Premises. CC hereby expressly waives any and all rights of redemption, if any, granted by and under any present or future law, in the event that CC shall be evicted or dispossessed for any cause in default or in the event that the City obtains possession of the Premises by virtue of the remedies outlined in this Lease, or otherwise. The receipt by City of rent with knowledge of the breach of any covenant hereof shall not be deemed a waiver of such breach, and no waiver by City of any covenant hereof shall be deemed to have been agreed upon, unless explicitly reduced to written agreement and signed by City and CC.

All remedies of City shall be cumulative.

**27. ATTORNEYS' FEES:** CC hereby agrees to pay all costs incurred by the City on account of the CC's default, including but not limited to collection costs, court costs and attorney fees in an amount equal to twenty-five percent (25%) of any money owed to City by CC at the time and accruing after City requests the assistance of an attorney. If CC's default is a non-monetary default, CC shall pay the greater of Two Hundred Fifty Dollars (\$250.00) or City's actual attorney's fees.

**28. TERMINATION AND SURRENDER:** Upon the Termination Date of this Lease, CC shall surrender the Premises to City in as good condition as they were found upon the CC taking possession of the Premises; except for ordinary wear and tear, reduction of the Premises by condemnation or damage by fire, destruction or other casualties or causes beyond CC's control. CC shall deliver to City or its Agent all keys to the Premises and remove all its personal property, merchandise and trade fixtures. After CC vacation or CC abandonment, City may elect to retain or dispose of, in any manner, CC alterations and improvements or CC's personal property that CC does not remove from the Premises before or after the Termination Date. Title to any such CC alterations or CC's personal property, that City elects to retain or dispose of after the Termination Date, shall vest to and in the City. CC waives all claims against City for any damage to CC resulting from City's retention or disposition of any such alterations or personal property. CC is further liable to City for City's expenses and costs for removing and disposing of any CC alterations or CC personal property, which City does not elect to acquire.

**29. WAIVERS:** The failure of City to insist, in any one or more instances, to strict performance by CC as to any Lease covenants shall, not be construed as a waiver by City or relinquishment, in the future, of such covenants, but the same shall continue and remain in full force and effect. The receipt by City or its Agent of rent with knowledge of a covenant breach hereof shall not be deemed a waiver of the same covenant breach, and no waiver by City of any provision hereof shall be deemed to have been agreed upon unless expressed in writing and signed by the parties hereto.

CC hereby waives the benefit of the homestead exemption as to this Lease.

**30. EXCULPATION:** The term “City” as used in this Lease means only the owner, for the time being or at the time of Lease execution by CC, of the building in which the Premises are located or the owner of a Lease of both said building and the land thereunder. City shall be liable for the performance of its obligations hereunder only to the extent of City’s assets as they pertain to the Premises. The City and its officers, agents, employees, successors and assignees shall not be liable personally. Further, the liability of the City shall not extend beyond the period of time of City’s ownership of the Premises.

**31. SUCCESSORS AND ASSIGNS:** All the terms, covenants and agreements of this Lease shall extend to and be binding upon the City and be binding upon the CC and its respective heirs, administrators, executors, successors, assignees, concessionaires, marital communities, if any, and their respective assigns; and/or upon any person or persons coming into ownership or possession of any interest in the Premises by operation of law or otherwise.

AMERICANS WITH DISABILITIES ACT:** In the event that any federal, state, or local government authority (the "Applicable Authority") with jurisdiction determines that the exterior and/or interior of the Premises are not in compliance with the Americans with Disabilities Act of 1990 (the "ADA"), City, at its sole cost, agrees to take such remedial action as is required by the Applicable Authority pursuant to the ADA to correct or remedy such noncompliance. Alternatively, if in City's judgment the remedial or corrective measures proposed by the Applicable Authority do not have to be performed in order for City to be in compliance with the ADA, City may contest, at its sole cost, such matter in lieu of performing the remedial action. However, upon final judgment being entered against City in a court of competent jurisdiction with regard to ADA requirements, City agrees to take such remedial actions, at its sole cost, as ordered by such court.

**35. Transfer of Ownership.** Grantee shall not sell, transfer, lease, assign, sublet, or dispose of, in whole or in part, either voluntarily or by forced or involuntary sale, or ordinary sale, consolidation, or otherwise (except to a parent, affiliate, wholly owned subsidiary, or in connection with financing by Grantee in the ordinary course of business) any of the rights or privileges granted by this Agreement without the prior consent of the City Council, which consent shall not be unreasonably withheld. Failure to pay such fee shall entitle the Grantor to revoke this Franchise Agreement at its sole discretion.

**Section 13. Location of Facilities.** Subject to the terms of Section 16 of this Agreement, Grantee's facilities shall be constructed, installed and located, at their sole expense, as follows:

- (a) Grantee shall install its copper and/or fiber optic cables within an existing underground duct or conduit whenever excess capacity exists within such utility facility, so long as Grantee, by so doing, would not be required to relinquish ownership and control of its facilities to the owner of the duct or conduit, and so long as Grantee determines such installation to be the most economically feasible option available.
- (b) Subject to any applicable City ordinances or code provisions, Grantee may install utility poles in the public right-of-way and attach Telecommunications facilities to said utility poles. In addition, Grantee may install its Telecommunications facilities on existing or replacement utility poles to the extent that space is available thereon.
- (c) Grantee shall comply, at its sole expense, with all requirements regarding the placement of its facilities underground in those areas designated as underground districts in the Norfolk City Code, or whenever all new and existing cable facilities and Telecommunications facilities are located or are required to be located underground within a particular segment of a public way of the City.

**Section 14. Permits.** Grantee, including its contractors and consultants, prior to any construction or work being commenced, is required to obtain at its sole expense all applicable permits, including any application and permit for, street opening, if any streets will be disturbed, and street, lane or sidewalk closures. However, nothing herein shall prohibit the City and a Grantee from agreeing to an alternative plan to review permit and construction procedures provided such alternative procedures provide substantially equivalent safeguards for responsible construction practices, and are in accordance with applicable City Code provisions.

**Section 15. Public Works.** The rights and privileges granted by this Agreement shall not be in preference or hindrance to the rights of the City and any other lawful governmental authorities having jurisdiction to perform or carry out any public works or public improvements. Should the telecommunications system interfere with the construction, maintenance or repair of such public works or improvements, Grantee, at its expense, shall protect or relocate the telecommunications system, or any applicable part thereof, as directed by the City or other governmental authorities having jurisdiction.

## **Section 16. Use of Public Ways.**

- 16.1 Grantee, in any opening it shall make in the public ways of the City, shall be subject to the provisions of this Agreement and to all applicable ordinances, codes and regulations of the City. The Telecommunications system of the Grantee shall be located so as not to interfere with the public safety or with the convenience of persons using the public ways.
- 16.2 The City reserves the right by resolution of the City Council or otherwise through proper representatives of the City to specifically designate the location of the Telecommunications system of Grantee with reference to municipal facilities, such sewer and water mains, drainage facilities, fiber optic cable, signal poles and lines and similar services, other facilities, such as public telephone utilities, public electric utilities, public cable television utilities, and railway communication and power lines, in such a manner as to protect the public safety and public and private property. Failure by the City to so designate does not relieve Grantee of its responsibilities in matters of public safety as provided in this Agreement. Grantee shall construct, maintain and locate its telecommunications system so as not to interfere with the construction, location and maintenance of sewer, water, drainage, electrical, signal and fiber optic facilities of the City.
- 16.3 Except in the cases of emergencies, Grantee shall not move, materially alter, materially change, or extend any of its telecommunications system in any public way unless prior written notice of its intention to do so is given to the City Manager and permission in writing to do so is granted by the City Manager or such requirement is waived by the City Manager. Such permission shall be conditioned upon compliance with the terms and conditions of this Agreement, with such other terms and conditions as will preserve, protect and promote the safety of the public using the public ways, and as will prevent undue interference with or obstruction of the use of the public ways by the public, the City or by any other public utility or public service corporation for their respective purposes and functions. Such work by Grantee shall also be coordinated with the City's annual paving program through the Department of Public Works. This section shall be subject to 47 U.S.C. § 1455.
- 16.4 The City requires that written permits, in any and all cases, be obtained by Grantee whenever it becomes necessary for Grantee to excavate in the public ways in order to install, construct, maintain or extend the Telecommunications system. Such permits may be made applicable to any and all types of excavations in the public ways, as prescribed by City, and City may establish a fee for each excavation made in a public way by a Grantee. Such permits may require the particular part or point of the public ways where construction or excavation is to be conducted, the length of time in which such permit shall authorize such work to be done and the hours of each day during which such work shall be undertaken. A single permit maybe issued for multiple excavations to be made in public ways; provided, however, any public way opening fee established by City shall apply to each excavation made in public ways of the City. Exceptions to the requirement for a written permit may be allowed in cases of emergencies involving public safety or restoration of service. In the case of emergency excavations made in the public ways without permit, Grantee shall attempt to notify the Director of Public Works or his designee immediately to obtain appropriate guidance and authority; however, in the event Grantee is unable to make such contact after making a diligent attempt to do so, Grantee may make a report of each such excavation to the City within two (2) working days and pay such fee as may be established by City for excavations in public ways by Grantee. Any permit applications and inspections related to repair of excavations shall be promptly acted upon by the City so as not to unreasonably delay Grantee in efficiently discharging its public service obligation.
- 16.5 Immediately after installation, repair or extension of the Telecommunications system or any portion thereof or any pavement cut by Grantee in any public way of the City, the incidental trenches or excavations shall be refilled by Grantee in a manner acceptable to the Director of Public Works. Pavement, sidewalks, curbs, gutters or any other portions of public ways damaged, disturbed or destroyed by such work shall be promptly restored and replaced with like materials to their former condition by Grantee at its own expense; however, where it is necessary, and if authorized by the City, in order to achieve the former conditions, Grantee shall use materials whose type,

- specification and quantities exceed or are different from those used in the installation, then Grantee at its own expense shall provide such different materials. Where a cut or disturbance is made in a section of sidewalk or paving, rather than replacing only the area actually cut, Grantee shall replace the full width of the existing sidewalk or appropriate sections of paving as determined by the Director of Public Works and the full length of the section or sections cut, a section being defined as that-area marked by expansion joints or scoring or as determined by the Director of Public Works in accordance with the City's Right-of-Way Excavation & Restoration Manual. Grantee shall maintain, repair and keep in good condition for a period of two (2) years following such disturbance all portions of public ways disturbed by Grantee, to the extent that such maintenance and repair is necessary because of defective workmanship or materials supplied by Grantee.
- 16.6 Grantee shall promptly remove or correct any obstruction, damage, or defect in any public way which may have been caused by Grantee in the installation, operation, maintenance or extension of Grantee's telecommunications system. Any such obstruction, damage, or defect which is not promptly removed, repaired or corrected by Grantee after proper notice so to do, given by the City to Grantee, may be removed or corrected by the City, and the cost thereof shall be charged against Grantee and may be enforced as a lien upon any of Grantee's properties or assets. Any expense, cost, or damages incurred for repair, relocation, or replacement to City water, sanitary sewer, storm sewer, storm drainage, communication facilities or other property resulting from construction or maintenance of Grantee's Telecommunications system shall be borne by Grantee and any and all expense and cost incurred in connection therewith by the City shall be fully reimbursed by the Grantee to the City.
- 16.7 If weather or other conditions do not permit the complete restoration required by this Section, the Grantee shall temporarily restore the affected public ways or property. Such temporary restoration shall be at the Grantee's sole expense and the Grantee shall promptly undertake and complete the required permanent restoration when the weather or other conditions no longer prevent such permanent restoration.
- 16.8 Grantee or other person acting in its behalf shall use suitable barricades, flags, flagmen, lights, flares and other measures as required for the safety of all members of the general public and to prevent injury or damage to any person, vehicle or property by reason of such work in or affecting such ways or property and shall comply with all federal, state, and local laws and regulations, including the Virginia Work Area Protection Manual as amended from time to time.
- 16.9 Grantee shall not open, disturb or obstruct, at any one time, any more of the public ways than reasonably may be necessary to enable it to proceed in laying or repairing its Telecommunications system. Neither shall Grantee permit any public ways so opened, disturbed or obstructed by it in the installation, construction, repair or extension of its Telecommunications system to remain open or the public way disturbed or obstructed for a longer period of time than reasonably shall be necessary. In all cases where any public ways shall be excavated, disturbed or obstructed by Grantee, Grantee shall take all precautions necessary or proper for the protection of the public and shall maintain adequate warning signs, barricades, signals and other devices necessary or proper to adequately give notice, protection and warning to the public of the existence of all actual conditions present.
- 16.10 Whenever the City shall widen, reconstruct, realign, pave or repave, or otherwise work on any public ways, or shall change the grade or line of any public ways, or shall construct or reconstruct any water, sanitary sewer, storm sewer, drainage or communications facility of the City, it shall be the duty of Grantee to move, alter or relocate its Telecommunications system or any part thereof as requested by the City at Grantee's expense. Upon written notice by the Director of Public Works of the City's intention to perform work as specified above, Grantee shall within a reasonable period of time accomplish its obligation in accordance with and to conform to the plans of the City for such construction, reconstruction or improvements. Should the Grantee fail, refuse or neglect to comply with such notice, the Telecommunications system or any part hereof may be removed, altered or relocated by the City and the City shall not be liable to Grantee for any damages resulting from such removal, alteration or relocation.

16.11 In the event any Street or portion thereof used by Grantee shall be vacated by the City or the use thereof discontinued by Grantee during the term of this Franchise, Grantee shall not be obligated to remove its Telecommunications facilities therefrom unless specifically requested by the City to do so and on the removal thereof Grantee shall, at its own expense, restore, repair or reconstruct the Street area where such removal has occurred and place the Street area where such removal has occurred to a condition similar to that existing before such removal took place. In the event of failure, neglect or refusal of Grantee, after one hundred twenty (120) days' notice by the City to remove the Telecommunications facilities or to repair, restore, reconstruct, improve or maintain such Street portion, the City may do such work or cause it to be done, and the cost thereof as found and declared by the City shall be paid by Grantee as directed by the City and collection may be made by any available remedy.

**Section 17. Damage to Property.** Neither Grantee, nor any person acting on Grantee's behalf, shall take any action or permit any action to be done which may impair or damage any City Property, public ways of the City, other Ways or other property located in, on or adjacent thereto.

**Section 18. Repair and Emergency Work.** In the event of an unexpected repair or emergency, Grantee may commence such repair and emergency response work as required under the circumstances, provided Grantee shall notify the City as promptly as possible, before such repair or emergency work is started or as soon thereafter as possible if advance notice is not practicable.

**Section 19. Maintenance of Facilities.** Grantee shall maintain its Telecommunications facilities in good and safe condition and in a manner that complies with all applicable federal, state and local requirements, laws, ordinances, and regulations.

**Section 20. Safety Standards.** Grantee shall at all times employ a high standard of care and shall install and maintain and use approved methods and devices for preventing failure or accidents which are likely to cause damages, injuries or nuisances to the public.

**Section 21. Police Power.** All rights and privileges granted hereby are subject to the lawful exercise of the police power of the City to adopt and enforce local laws, rules and regulations necessary to the health, safety and general welfare of the public. Expressly reserved to the City is the right to adopt, in addition to the provisions of this Agreement and existing laws, such additional ordinances and regulations as are necessary for the lawful exercise of its police power for the benefit and safety of the public.

**Section 22. Relocation of Facilities.** Within one hundred twenty (120) days following written notice from the City, Grantee shall temporarily or permanently relocate, change or alter the position of any Telecommunications facilities within the public ways at Grantee's expense whenever the City shall have determined that such removal, relocation, change or alteration is reasonably necessary for:

- (a) The construction, repair, maintenance or installation of any City facilities or other public improvement in or upon the public ways.
- (b) The operations of the City or other governmental entity in or upon the public ways.

Grantee shall only relocate, change, or alter the position of Telecommunications facilities to sites that are mutually agreed upon by City and Grantee.

**Section 23. Emergency Removal or Relocation of Facilities.** The City retains the right and privilege to cut or move any Telecommunications facilities located within the public ways or other areas of the City as the City may determine to be necessary, appropriate or useful in response to any life-threatening emergency. The City will endeavor to notify Grantee of such emergencies that may affect their Telecommunications facilities. Nothing herein shall create any duties or obligations on the City to so notify Grantee nor shall the City, its officers, agents, employees, or volunteers in any way be liable for any failure to notify Grantee.

**Section 24. Damage to Grantee's Facilities.** Except for acts of gross negligence or willful misconduct, and subject to the City's rights to sovereign immunity, the City, its officers, agents, and employees, shall not be liable for any damage to or loss of any Grantee's Telecommunications services or Telecommunications facilities within the public ways or any other areas of the City as a result of or in connection with any public works, public improvements, construction, excavation, grading, filling, or work or activity or lack of any activity of any kind by or on behalf of the City.

- (b) All books, records, maps, and other documents maintained by Grantee with respect to its services or facilities within City or the public ways shall be made available for inspection by representatives of the City at least every six (6) months and at other reasonable times and intervals.

The City may request such information to the extent it is necessary to ensure compliance with this franchise agreement.

**B. Plan Consistency**

**Analysis**

The proposed special exception is consistent with *plaNorfolk2030*, which designates this site as commercial.

**C. Zoning Analysis**

i. General

The use is permitted in the C-2 and PCO-21<sup>st</sup> districts by special exception.

	Proposed
Hours of Operation and for the Sale of Alcohol	11:00 a.m. until 12:00 midnight Seven days a week
Capacity	42 seats indoors 0 seats outdoors 64 total capacity

ii. Parking

This establishment is located within the 21 West shopping center, which provides adequate on-site parking to support this use.

iii. Flood Zone

The property is in an X Flood Zone which is a low risk flood zone.

**D. Transportation Impacts**

- Institute of Transportation Engineers figures estimate that no new trips will be generated by changing operations at this existing restaurant site.
- W. 21<sup>st</sup> Street near the site is identified as a severely congested corridor in the PM peak in the current update to regional Hampton Roads Congestion Management analysis.
- The site is near transit service with Hampton Roads Transit bus route 4 (Church) operating near the site.
- W. 21<sup>st</sup> Street adjacent to the site is not an identified priority corridor in the City of Norfolk Bicycle and Pedestrian Strategic Plan.

#### **E. Historic Context and Impacts**

- The site is not located in any local, state or federal historic district.
  - Since some or all of the structures on the site are at least 50 years old, the building could potentially meet the criteria for designation as a federal, state or local historic resource under the Department of Historic Resources guidelines.

#### **F. Public School Impacts**

The site is located in the Taylor Elementary School, Blair Middle School, and Maury High School Attendance Zones.

#### **G. Environment Impacts**

The shopping center was developed under current landscaping standards and therefore provides an adequate buffer between the parking area and the W. 21<sup>st</sup> Street frontage.

#### **H. Surrounding Area/Site Impacts**

- The site is surrounded by commercial uses with some industrial uses nearby.
- The addition of a restaurant serving alcohol for on-premises consumption would not have a negative impact on the surrounding land uses, as there are multiple establishments serving alcohol in close proximity.

#### **I. AICUZ**

N/A

#### **J. Payment of Taxes**

The owner of the property is current on all real estate taxes.

#### **K. Civic League**

Notice was sent to the Ghent Neighborhood League and the Ghent Business Association on August 10.

#### **L. Communication Outreach/Notification**

- Legal notice was posted on the property on August 16.
- Letters were mailed to all property owners within 300 feet of the property on September 8.
- Legal notification was placed in *The Virginian-Pilot* on September 8 and September 15.

Dear Mr. Homewood:

This is to provide input from the Ghent Neighborhood League regarding two projects within Ghent's Pedestrian Commercial Overlay district and scheduled on upcoming City Planning Commission agendas.

On the September 22 agenda, GNL has no objection to the proposed application by Wing Stop for a special exception for an eating and drinking establishment at 520 West 21<sup>st</sup> Street.

On the October 27 agenda, in regard to the application by The Monument Companies for a multi-family project re-using existing buildings in the 200 block of West 22<sup>nd</sup> Street, GNL had an opportunity to hear from Mr. Chris Johnson, representing The Monument Companies, who was invited to GNL's regular meeting on September 15. Mr. Johnson presented the proposed project and GNL members and guests had the opportunity to ask questions. Input was generally supportive of the project and its potential to activate an under-utilized area, and no objections were registered.

As always, we appreciate your consideration of these comments.

Subject: New York Deli and Smokehouse Application for a Special Exception

I am pleased to give my support and that of the East Ocean View Civic League to the request for a special exception to operate an establishment for the sale of alcoholic beverages for off-premises consumption at 4214 E. Little Creek Road. I met personally with Mr. Antonio Amareen, the owner, regarding his request. He was very personable; he's a small business owner just "trying to stay afloat." He sells a variety of sandwiches, pizza, sodas and assorted counter items; and indicated this will help.

There were no questions at our Civic League meeting on 1 September about the request, and it was voted on and approved unanimously.

His store fills a niche for our area; it has done reasonably well; we wish them continued success.

Sincerely,

- III. **Description:**  
This agenda item is an ordinance to approve the dedication of a fifteen foot public drainage easement to the City of Norfolk (the "City") by Norfolk Christian Holding Academy ("Norfolk Christian") for drainage of public rights-of-way.
- IV. **Analysis:**  
This drainage easement is being conveyed to the City for drainage pipe being installed in Seekel Street, east of Midfield Street. The storm water pipe drains the rights-of-way of Midfield Street, Seekel Street and Filbert Street and is necessary to maintain continuity of the drainage from the rights-of-way. The City vacated the former Seekel Street right-of-way on October 29, 2013 as it was no longer needed for municipal purposes.
- V. **Financial Impact:**  
There are no costs associated with the dedication of the drainage easement.
- VI. **Environmental:**  
There are no known environmental issues associated with dedication of this new drainage easement.
- VII. **Community Outreach/Notification:**  
Public notification for this agenda item was conducted through the City's agenda notification process.

### ORDINANCE No.

AN ORDINANCE PERMITTING GEORGE P. AND BRENDA W. ARNOLD TO ENCROACH INTO CITY PROPERTY AT 1119 LITTLE BAY AVENUE, WITH RIP RAP, A PIER AND LIFTS.

- - -

BE IT ORDAINED by the Council of the City of Norfolk:

Section 1:- That permission is hereby granted to George P. and Brenda W. Arnold, and their successors and assigns, the owners of certain property located at 1119 Little Bay Avenue, to encroach into City property, with a pier, rip rap and lifts, as shown on the physical survey attached hereto as Exhibit A, subject to and contingent upon the following conditions:

- (1) Walkways and stairs on City land or public right-of way are to remain open to the public. Signage shall not be erected that indicates that the structure is private. Signage or gates may only be installed on adjacent private property in conformity with applicable City codes.
- (2) No modification or expansion of the structure is permitted without authorization by City Council. Should the structure be damaged or destroyed by a storm event, the grantee may be permitted to repair and/or rebuild the structure subject to conformity to current building codes and according to the attached plans.
- (3) For encroachments involving stairs from the sand dune to the beach, the grantee shall undertake yearly revegetation of the sand dune's bayward slope with American Beach grass (Hatteras or Bogue variety) for a distance no less than 30 feet, east and west of the structure. The specifications and timing of the planting shall be as prescribed by the

City's Environmental Services Bureau. No sand fencing or placing of other material, such as Christmas trees or branches, is permitted on the beach or in the sand dunes without permission from the Environmental Services Bureau.

- (4) Following construction of any walkway or stairway across the sand dunes, the grantee is responsible for revegetating and maintaining the dune adjacent to the structure with appropriate dune grasses. Information on appropriate planting requirements shall be as prescribed by Environmental Services Bureau.
- (5) The structure shall be maintained according to the attached plans and in conformity with the building code. Should a storm event damage the structure, the grantee shall immediately following the event erect a physical barrier, such as three 2"x 4" cross boards to prevent access to the damaged structure until such time as permission is granted to repair or replace the damaged structure.
- (6) Unless specifically authorized by City Council, encroachment permission for walkways and stairways crossing the sand dunes are limited to providing access to and from the beach. These structures may not be retrofitted for other recreational purposes and no chairs, tables, benches, swings, hammocks, grills, fire pits, chimineas, watercraft, flagpoles, or other items may be placed on or attached to the subject structure.
- (7) Should migrating sand cover the structure, the Grantee shall notify the City's Environmental Services Bureau prior to undertaking any excavation of the sand. The Bureau can advise the Grantee if the needed maintenance will require a sand dune permit from the Norfolk Wetlands Board.
- (8) This permission is expressly subject to the right of revocation by the Council and that in

the event of such revocation, George P. and Brenda W. Arnold, or their successors and assigns, shall immediately remove the encroaching structures.

- (9) Upon the removal of the encroaching structures or any part thereof the authority hereby granted shall cease and terminate.
- (10) George P. and Brenda W. Arnold, or their successors and assigns, at their own cost and expense, shall take out and keep in full force and effect public liability insurance in some company authorized to do business in the Commonwealth of Virginia, insuring them and naming the City of Norfolk as an additional insured party in the amount of at least \$300,000.00 against liability from any and all claims, actions and suits that may be asserted or brought against the City of Norfolk and/or George P. and Brenda W. Arnold, and their successors and assigns, for any injury to or death of any person or persons or for any damage to or destruction of property resulting from the installation, maintenance, or existence of said encroaching structures; that evidence of such insurance shall be filed with the Risk Manager, Department of Finance, of the City of Norfolk.

Section 2:- That the failure of George P. and Brenda W. Arnold, or their successors and assigns, to fully comply with all contingencies set forth herein shall operate as an automatic revocation of the permission granted hereby.

Section 3:- That the use of the said encroaching structures shall be deemed an acceptance by George P. and Brenda W. Arnold, and their successors and assigns, of all conditions to which the permission herein granted is subject.

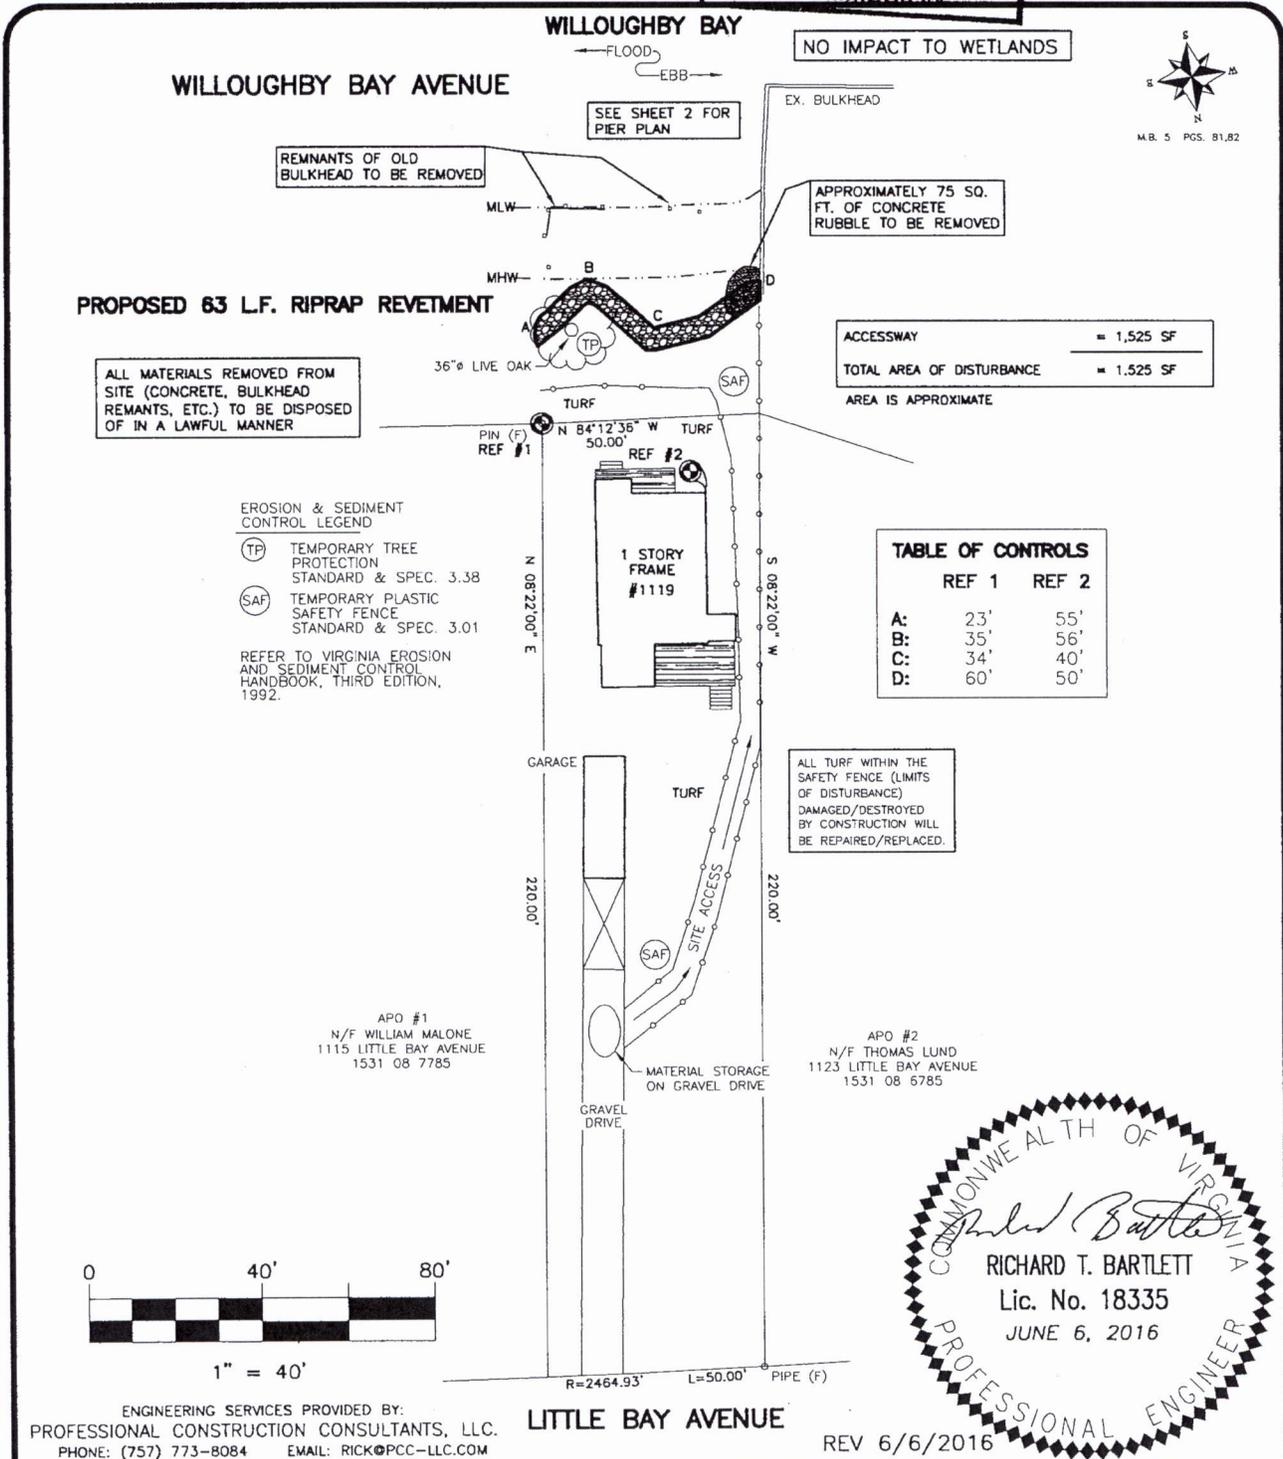

Section 4:- That this ordinance shall be in effect from and after its adoption.

Fugro Roadware is pleased to provide this quotation to perform asset inventory and feature extraction services for the City of Norfolk, Virginia.

To conduct the feature extraction of the assets, Fugro Roadware will use the collected High Definition Right-of-Way (ROW) images in combination with our Surveyor software (see *Figure 1*). Surveyor uses the calibrated, geo-referenced, and the City's Linear Reference System (LRS) reference images collected by the Automated Road Analyzer (ARAN), to capture, extract, measure, and store data on the City's signs visible in the right-of-way. Attribute data is input through mouse interactions with customizable drop-down menus and through the keyboard e.g. for comments and conditions of the associated asset. The Surveyor software includes built-in templates for asset type identification, asset editor, video playback tools, measurement of width, height, length offset, interactive data tools, pop up asset browser, etc.

Figure 1 - Surveyor Asset Processing Software

The City will be provided the ROW video, and condition and assessment data both in a Geodatabase and Access database (mdb file).

Fugro Roadware's Surveyor program has been in use since 1994, providing asset inventory data to almost a dozen state agencies and multiple municipalities. Since 2008, Fugro has extracted and delivered greater than 70 different asset types totaling 5.1 million unique assets on over 216,000 miles of road.

I. **Recommendation:** Adopt Ordinance

II. **Applicant:** City of Norfolk

III. **Description:**

This agenda item is an ordinance to approve a lease agreement between 1155 Pineridge, LLC ("1155 Pineridge") and the City of Norfolk (the "city") to continue to lease the property located at 1155 Pineridge Road.

IV. **Analysis**

This lease agreement will permit the City to continue to lease and use the space located at 1155 Pineridge Road for the Norfolk Library Service Center's centralized library support functions, such as, administrative offices, interim and permanent storage of books and collections, shipping and receiving shipments, processing, and distribution to the other Norfolk library branches. Use of this space relieves the new main library from processing large shipments and decreases the potential of exceeding maximum load allowances. The City will continue to lease approximately 42,000 square feet of space. The term of the proposed lease is seven (7) years, commencing on November 1, 2016, or the date of any authorizing ordinance, and terminating on approximately October 31, 2023.

V. **Financial Impact:**

The rent will be subject to an annual escalation as noted in the accompanying rent table.

Term	Monthly Rent	Annual Rent
11/01/2016 – 10/31/2017	\$24,406.20	\$292,874.40

BE IT ORDAINED by the Council of the City of Norfolk:

Section 1:- That the Lease Agreement between 1155 Pineridge, LLC ("1155") and the City of Norfolk ("City"), a copy of which is attached hereto as Exhibit A attached hereto, by which 1155 leases to City that certain property owned by 1155, located at 1155 Pineridge Road, shown on Exhibit B attached hereto, is hereby approved.

Section 4:- That this ordinance shall be in effect from and after the date of its adoption.

**EXHIBIT A TO ORDINANCE**

**LEASE AGREEMENT**

**THIS LEASE AGREEMENT** (“Lease”), executed on the \_\_\_ day of \_\_\_\_\_ 2016, by and between the **1155 PINERIDGE, LLC**, a Virginia limited liability company, (“1155”), and the **CITY OF NORFOLK**, a municipal corporation of the Commonwealth of Virginia, (“City”).

**WITNESSETH:**

**WHEREAS**, 1155 and City began a landlord-tenant relationship for the property at 1155 Pineridge Road, in the City of Norfolk, Virginia, in 2008 for the lease of 27,000 square feet, with execution of the Lease Agreement occurring on August 25, 2008 (“Initial Lease”); and

**WHEREAS**, the parties subsequently entered into the now existing lease, which commenced on November 1, 2011 and will terminate on October 31, 2016 (“Existing Lease”), which Existing Lease includes an expanded leased area totaling 42,000 square feet; and

**WHEREAS**, the Norfolk Library Service Center’s centralized library support functions, such as, administrative offices, interim and permanent storage of books and collections, shipping and receiving large shipments, processing, and distribution among library branches are well-suited to the industrial setting of the subject property; and

**WHEREAS**, the operations of the Norfolk Library Service Center relieves the new main library from having to process large shipments and decreases the potential of exceeding the maximum load tolerances; and

**WHEREAS**, to continue to meet the needs of the library system, the parties desire to enter into a new lease agreement for the 42,000 square feet under new, but similar, terms and conditions;

**NOW, THEREFORE**, in consideration of the mutual covenants contained herein, the parties hereby agree as follows:

1. **PREMISES.** That for and in consideration of the payment by City of the rent hereinafter described and the performance by City of the covenants and agreements hereinafter agreed to be performed by it, and in accordance with all of the provisions hereinafter set forth, City does hereby take, lease, and hire from 1155, a portion of that certain building owned by 1155 known as 1155 Pineridge Road, in the City of Norfolk, Virginia, containing approximately 42,000 square feet of gross floor area, and comprised of warehouse space, open office area, administrative offices, and other general use areas, all as described in Exhibit A attached hereto and made a part hereof (“Premises”).

2. **USE.** The Premises shall be used for library administrative offices, storage, receiving, cataloguing and distribution of library materials, and other related functions of the library system, and for no other purpose. City agrees that it will comply with all applicable laws regarding its use of the Premises, including, but not limited to, the Americans with Disabilities Act of 1990 (ADA) and the regulations promulgated thereunder to the extent applicable.

3. **TERM OF LEASE.** The term of this Lease shall be for a period of seven (7) years (“Term”), to commence on the later of (i) November 1, 2016, or (ii) the effective date of any authorizing ordinance approving this Agreement by Norfolk City Council (“Commencement Date”), and terminating on the date that is the last day of the eighty-fourth (84<sup>th</sup>) full calendar month thereafter (“Termination Date”), subject to the default provisions herein contained. At City’s option, City may extend the lease for one (1) additional one-year term by notifying 1155 at least ninety (90) days prior to the Termination Date of this Lease.

4. **TERMINATION OF EXISTING LEASE.** The Existing Lease shall terminate and be of no further force and effect as of the Commencement Date of this Lease.

5. **RENT.** Starting on the Commencement Date, and monthly thereafter during the Term and on the first day of each month, City will pay to 1155, without demand, without notice, and without offset or deduction, as Rent, the following monthly amounts:

<b>LEASE TERM</b>	<b>ANNUAL BASE RENT</b>	<b>MONTHLY BASE RENT</b>
11/1/16 – 10/31/17	\$292,874.40	\$24,406.20
11/1/17 – 10/31/18	\$298,731.89	\$24,894.32
11/1/18 – 10/31/19	\$304,706.53	\$25,392.21
11/1/19 – 10/31/20	\$310,800.66	\$25,900.05
11/1/20 – 10/31/21	\$317,016.67	\$26,418.06
11/1/21 - 10/30/22	\$323,357.00	\$26,946.42
11/1/22 – 10/30/23	\$329,824.14	\$27,485.35
<b>TOTAL</b>	<b>\$2,177,311.29</b>	

Should the Term of the Lease begin on any day other than the first day of the first month, the rent shall be prorated from the Commencement Date based on the actual number of days in the first month. Should City exercise City’s option to extend the Term, the Rent shall be increased by two percent (2%) over the Rent for the last year of the Term, \$28,035.05 per month (\$336,420.62 annually).

All Rent shall be paid to 1155 Pineridge, LLC, c/o Mr. Paul H. Peck, President, P.O. Box 2394, Norfolk, VA 23501-2394, or at such other place as 1155 may, from time to time, designate in writing.

Appropriations Clause. City’s financial obligations and payment thereof which arise under this Lease are subject to and conditioned upon appropriations by Norfolk City Council. City shall advise Pineridge in writing on April 1<sup>st</sup> of each calendar year during the Term of its election to terminate this Lease due to lack of appropriations (“Notice of Termination”). In the event City elects to terminate this Lease pursuant to the previous sentence, City shall, to the extent permitted by law, continue to occupy the Premises and pay Monthly Base Rent, in accordance with the above

Rent Schedule, and common area expenses (described under Paragraph 13) after the Notice of Termination for a period of eight (8) months. After the expiration of the eight (8) months the Lease will be considered terminated. Should the City continue to occupy the Premises after this established Termination Date, without entering into a new written agreement, the City shall be considered a holdover tenant, subject to the terms of a Holdover Tenancy (as described in Paragraph 27).

Expansion Right. There is available or may be available additional space in the building where the Premises are located. At any time it is available, City may rent such additional space based on the then current rent per square foot for such available space. If a third party makes an offer to rent any or all of the available space and 1155 advises City in writing of its intention to accept said offer ("1155's Notice"), City shall have first right of refusal to rent at the current rent per square foot, exercisable upon written notice to 1155 within five (5) business days from City's receipt of 1155's Notice. If City does not notify 1155 within five (5) business days of its intention to exercise its right of first refusal, 1155 shall be free to rent the available space to another tenant.

6. **PAST DUE RENT AND LATE CHARGES.** In the event City shall fail to pay, when the same is due and payable, any Rent or other charges or adjustments and if said sums have not been paid within ten (10) days of their due date, then City shall pay to 1155 a late charge of five percent (5%) of the past due amount.

7. **NO ASSIGNMENT OR SUBLEASE.** City covenants not to assign, mortgage or encumber this Lease or sublet or permit the Premises or any portion thereof to be used by others without the prior written consent of the 1155 in each instance, such consent not to be unreasonably withheld. City shall be responsible for payment of 1155's reasonable attorney's fees and out-of-pocket expenses incurred in connection with the review of any proposed sublease or assignment.

8. **OPTION TO PURCHASE.** 1155 hereby grants to the City the option to purchase the property on which the Premises are located at any time during the Term of this Lease by written notice sent by certified mail or hand-delivery to 1155 Pineridge, LLC, c/o Mr. Paul H. Peck, President, P.O. Box 2394, Norfolk, Virginia 23501. This option to purchase the property runs with the Term of this Lease.

9. **RIGHT OF FIRST REFUSAL.** In the event that 1155 receives an unsolicited, bonafide offer to purchase the property on which the Premises are located by a third party during the Term of this Lease, 1155 hereby grants to the City the right of first refusal on any sale of the said property. Any proposed sale of the property will be submitted to the City and the City shall have the right to purchase the property on the same terms and conditions as the proposed purchaser. All such proposals of any kind shall be presented to the City in writing at the City's address set forth herein by certified mail or hand-delivery, and City shall have twenty (20) days from the date the notice is received to enter into a non-binding letter of understanding with 1155 which acknowledges the intentions of the parties to negotiate in good faith a mutually satisfactory Purchase and Sale Agreement to purchase the property on the same terms as the proposed purchaser, subject to the approval of the Norfolk City Council. If City fails to enter into a non-binding letter of understanding with 1155 within twenty (20) days, this right of first refusal shall be deemed null and void and of no further effect. However, all other terms and conditions of this Lease shall remain in full force and effect.

Any conveyance of the Property during the term of this lease will be subject to the provisions of this Lease and City may, at its expense, record a Memorandum of Lease in the land records of the City of Norfolk.

10. **ACCEPTANCE OF PREMISES.** City hereby agrees to accept the Premises “as is”, acknowledging that City is the current occupant of the Premises and that the Premises are in good working order and repair. This acceptance does not apply to major structural building systems such as, but not limited to, roof, structure, electrical, and plumbing, components, all of which 1155 does hereby covenant to be in good working order and repair as of the Commencement Date. HVAC conditions are covered under Paragraph 12.

11. **TENANT ALTERATIONS AND MODIFICATIONS.** With the written permission of 1155, which shall not be unreasonably withheld, City may at its own cost and expense make from time to time any non-structural changes, alterations, additions, and improvements to the interior of the Premises which City may deem necessary or suitable for the conduct of its business. City shall not make any structural or exterior changes to the Premises without the prior written consent of 1155.

12. **REPAIRS AND MAINTENANCE.** City, at its sole cost and expense, will be responsible for the normal, regular, day to day maintenance and repairs of the Premises, including but not limited to the electric and plumbing systems. However, City shall not be obligated to repair or replace an entire system, including the electric and plumbing systems, unless such repair or replacement is necessitated by the negligence of City, its officers, agents, employees, or contractors. City shall arrange for janitorial services and trash removal at its sole cost and expense. 1155 shall deliver the Premises with the HVAC in good working order and provide evidence of such to City in writing. City will be responsible for normal maintenance of the HVAC systems and will, as requested, provide documentation of regular preventive maintenance performed. The cost of any required repairs or replacement of the HVAC shall be paid by City up to \$10,000.00 per year, and 1155 shall be responsible for the remaining balance. 1155 shall not provide or replace

any fire extinguishers except those fire extinguishers that are currently located within the Premises. The building contains a security system that monitors the Premises, but 1155 makes no representations or guarantees as to the condition or working order of the system or the security of the Premises.

13. **COMMON AREAS.** During the pendency of this Lease, City shall be responsible for City's pro-rata share of the increases in insurance and in real estate taxes for the Premises that occur after the Commencement Date. City shall also be responsible for its pro-rata share of the common area expenses including, without limitation, repairs and maintenance of the common areas, parking areas, and exterior lighting.

14. **ELECTRIC ROOM.** City acknowledges that the electricity source for the building is located in the Premises. 1155 will retain rights to access such electric room throughout the Term of this Lease. Additionally, in the event a lease is signed with a third party for any portion of the vacant space, 1155 retains the right to (a) determine the best way to compute the pro-rata share of the common utilities, and (b) retain access to those areas located in the Premises that supply the entire building.

15. **PARKING.** Until such time that another tenant leases a portion of the building, City will have exclusive access and use of the parking areas on the Premises. To the extent unauthorized persons use the parking areas of the Premises, City is hereby authorized and shall have the responsibility to enforce its exclusive use of the parking areas.

16. **UTILITIES.** City will be responsible for all utility costs in association with the operation of the Premises.

17. **1155 MAINTENANCE.** 1155 covenants that it will, at its own cost and expense, be responsible for the maintenance of the roof and major structural building systems of the Premises, as described in Paragraph 10.

18. **ESTOPPEL CERTIFICATE.** City shall, from time to time and within ten (10) days after request therefor by 1155, execute, acknowledge and deliver to 1155 a written Estoppel Certificate in recordable form. The Estoppel Certificate shall certify to 1155, its Mortgagee or other party designated by 1155 as of the date of such Estoppel Certificate that (a) City is in possession of the Premises and is currently paying the Rent; (b) the following Lease dates are and have been established: the Commencement Date and Termination Date of this Lease, and the date upon which City started to pay Rent; (c) this Lease is unmodified and in full force and effect, or if there have been modifications, that the same are in full force and effect (setting forth such modifications); (d) there are no existing set-offs or defenses to the enforcement of any rights or remedies of 1155, or any duties or obligations of City, hereunder, or, if there are, they shall be specified in detail; and (e) City has no knowledge of any event having occurred that will justify the termination of this Lease by City, or any uncured defaults on the part of 1155 under this Lease; if City has such knowledge, the same shall be specified in detail.

19. **SUBORDINATION AND ATTORNMENT.** City agrees that this Lease is subordinate to any mortgage or lien resulting from financing or refinancing, now or hereafter placed upon the land on which the Premises have been built or upon any building hereafter placed upon the land, of which the Premises are a part. City will, further, attorn to and acknowledge any foreclosure purchaser or purchasers as 1155 hereunder. This subordination shall be self-operative and no further instrument of subordination shall be required by any mortgagee. However, City

shall, upon the request of any party in interest, promptly execute such instrument or certificate to carry out the intent hereof as shall be required by 1155.

20. **QUIET ENJOYMENT.** 1155 hereby covenants that City, upon fully complying with and promptly performing all the terms, covenants and conditions of this Lease, on its part to be performed, and further, upon the prompt and timely payment of all rental sums due hereunder, shall have and quietly enjoy the Premises for the Term set forth herein.

21. **INDEMNITY AGAINST LIENS.** City agrees that it will, at all times during the Term of this Lease, take any and all steps necessary to prevent the filing of mechanic's liens against the Premises resulting from any work performed by or on behalf of City. In no event shall 1155 or any of 1155's property be liable for or chargeable with any expense or lien for work, labor or materials used for and in the Premises by or on behalf of City; or for any improvements thereof or changes made upon the order of City, or to discharge the obligations of City during the Term of this Lease. 1155 agrees to the same obligations towards City as to any liens or charges or expenses made upon order of 1155.

22. **FIRE AND/OR DESTRUCTION.** If the Premises shall be damaged by fire or other casualty at a time when more than six (6) months is remaining in the Term of this Lease or any extension or renewals thereof, 1155 agrees that it will restore the structural components and items with reasonable dispatch to substantially the same condition that they were in, so far as the proceeds from 1155's insurance permits and provided that 1155's mortgagee does not require insurance proceeds to be paid to it. Once 1155's restoration work is complete to City's reasonable satisfaction, and since time is of the essence, City's rent payment shall recommence on the thirtieth (30<sup>th</sup>) day after 1155 notifies City in writing that the Premises are ready for fixturing. City shall be responsible, at its sole cost and expense, to repair or replace any of City's fixtures, equipment and

leasehold improvements which were damaged or destroyed by the same insured cause. The Rent payable hereunder shall be equitably and proportionately abated, according to loss of use to City, during the period of time intervening between the date of such fire and/or destruction and the date that the Premises are restored. In the event that the property is not restored so as to permit reentry by City to its prior capacity by a date ninety (90) days after casualty then City may terminate this Lease without penalty or any further obligation by advising 1155 in writing.

23. **FORCE MAJEURE**. In the event that either party hereto shall be delayed or hindered in, or prevented from, the performance of any act required hereunder by reason of strikes, lock-outs, labor troubles, inability to procure materials, failure of power, restrictive governmental laws or regulations, riots, insurrection, war or other reason of a like nature, not the fault of the party delayed in performing the work or doing acts required under the terms of this Lease, then performance of such act shall be excused for the period of the delay and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay; provided, however, that the provisions of this paragraph shall not operate to release City from this Lease nor to excuse City from prompt payment of Rent.

24. **EMINENT DOMAIN**. If all the Premises are condemned or taken by the power of eminent domain exercised by any governmental or quasi-governmental authority, this Lease shall terminate as of the date that City is required to vacate the Premises and all Rent shall be paid up to and until the date of termination. If only part of the Premises shall be taken and the size of the Premises is proportionately reduced, then City is entitled to an equal and proportionate reduction in Rent. Further, 1155 shall, as expeditiously as possible, repair the remaining portion of Premises to the extent necessary to render the same suitable for which the Premises were leased.

City hereby waives any right that it may have to any condemnation award or sum paid under threat of condemnation as a result of a complete or partial taking of the Premises.

25. **DEFAULT.** The occurrence of any one of the following events may constitute a default by the party and a breach of this Lease and its covenants by the party, if such default, breach or nonperformance is continued and not cured or commenced to be cured within the applicable number of days after written notice:

(a) The failure by City to make any payment of Rent, and adjustments within ten (10) days after same shall be due, if written notice has been received by City, including right to cure and the cure period has lapsed;

(b) The failure by either party to perform any covenants herein, or the breach by either party of the Lease covenants herein, and the continual further failure by City to cure such covenant, breach, or non performance within fifteen (15) days after written notice;

(c) The failure by either party to perform all of its obligations under the terms of this Lease.

26. **REMEDIES.** In the event of either party's default, the non-defaulting party has the right to terminate this Lease, in addition to all other rights and remedies provided by the law.

27. **HOLDOVER TENANCY.** If City shall occupy the Premises after the established Termination Date of this Lease, including any Termination Date established by a failure of Norfolk City Council to appropriate funds or any Termination Date otherwise established under the terms of this Lease, and in the absence of any written agreement extending the term hereof, the City's tenancy shall become a month-to-month Holdover Tenancy, that may be terminated by either City or 1155 upon thirty (30) days written notice, and the Rent shall be due in an amount equal to the

Monthly Base Rent, applicable and due at the Termination Date, plus Five Thousand and 00/100 Dollars (\$5,000.00).

28. **TERMINATION AND SURRENDER.** Upon the expiration or termination of this Lease, City shall surrender the Premises to 1155 in as good a condition as they were found upon City taking possession of the Premises, except for ordinary wear and tear. City shall deliver to 1155 or its Agent all keys to the Premises and remove all its personal property, merchandise and trade fixtures and make all necessary repairs or reimbursements. After City vacates or abandons the Premises, 1155 may elect to retain or dispose of, in any manner, any of City's improvements or City's personal property that City does not remove from the Premises prior to the Termination Date. Title to any such personal property shall vest in 1155. City waives all claims against 1155 for any damage to City resulting from 1155's retention or disposition of any such personal property. City shall also be liable to 1155 for 1155's expenses and costs of removing, disposing of and storing any of City's personal property.

29. **CITY WAIVERS.** The failure of 1155 to insist upon strict performance by City as to any Lease covenant shall not be construed as a waiver by 1155 of such covenant in the future, but the same shall continue and remain in full force and effect. The receipt by 1155 or its Agent of rent with knowledge of a covenant breach shall not be deemed a waiver of such covenant breach, and no waiver by 1155 of any provision hereof shall be deemed to have been agreed upon unless expressed in writing and signed by the parties hereto.

30. **SUCCESSORS AND ASSIGNS.** All the terms, covenants and provisions of this Lease shall extend to and be binding upon 1155 and City and their respective heirs, administrators, executors, successors, assigns, subtenants, sublessees, and any person or persons who obtain an ownership or possessory interest in the Premises by operation of law or otherwise.

31. **NOTICES.** Any notice to be given to either party shall be deemed to be given when posted in United States registered or certified mail, postage prepaid, addressed as follows:

Either party may, at any time, change its address for the purposes of notice by sending a written notice to the other party stating the change and setting forth the new address.

32. **BROKERAGE REPRESENTATION.** 1155 and City shall have no obligation to the other for the payment of any real estate commission in regard to this Lease

33. **LEASE SUBMISSION.** The submission of this Lease for examination does not constitute an offer to lease. This Lease shall become effective only upon execution by both City and 1155.

34. **HAZARDOUS SUBSTANCES.** The term Hazardous Substances as used herein shall include any substances declared to hazardous or toxic under any law or regulation now or hereafter enacted or promulgated by any governmental authority having jurisdiction. City shall not cause, or permit its agent, licensees or employees to use, generate, release, manufacture, produce, process, store, or dispose of any hazardous substance on or from the Premises. Hazardous Substances shall not include any materials kept on the Premises, in those limited quantities necessary for the operation or maintenance of office equipment. City shall be responsible for payment of all damages, fines, judgments, penalties, costs, liabilities, or losses arising during or after the term of this Lease, and any extensions thereto, from or in connection with the presence

of any Hazardous Substances in or on the Premises to the extent such Hazardous Substances are present due to the negligent acts or omissions of City, its employees, agents, or contractors.

35. **ENTRY.** City agrees to permit 1155 and/or its authorized agent to enter the Premises upon twenty-four (24) hours notice for inspecting, making such repairs or additions as 1155 may desire or be required to make, for showing the Premises to any prospective purchaser, and during the last six (6) months of this Lease Term or any extension or renewal, to prospective tenants. 1155 shall perform such repairs, at such times and in such manner as will not unreasonably interfere with the use of the Premises by City. 1155 shall have the right to enter the Premises without notice in situations deemed to be emergency situations by 1155.

36. **TIME OF THE ESSENCE.** Time shall be of the essence in this Lease.

37. **SELF INSURED.** The parties acknowledge that City is self-insured. City shall have the right to satisfy any or all insurance requirements by use of self-insurance and shall provide evidence of the same to 1155.

38. **ENTIRE AGREEMENT.** This Lease contains the entire agreement of the parties. No prior oral or written agreement, understanding, representation or warranty, promise or statement shall be effective or binding for any reason or purpose, unless specifically set forth in this Lease. AN ORDINANCE APPROVING A LEASE AGREEMENT BETWEEN THE NORFOLK REDEVELOPMENT AND HOUSING AUTHORITY AND THE CITY OF NORFOLK FOR THE LEASE OF THAT CERTAIN PROPERTY OWNED BY THE NORFOLK REDEVELOPMENT AND HOUSING AUTHORITY, LOCATED AT 1445 ROBERTS ROAD, AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE LEASE AGREEMENT ON BEHALF OF THE CITY OF NORFOLK.

- - -

BE IT ORDAINED by the Council of the City of Norfolk:

Section 1:- That the Lease Agreement between the Norfolk Redevelopment and Housing Authority ("NRHA") and the City of Norfolk ("City"), a copy of which is attached hereto as Exhibit A, by which the NRHA leases to the City that certain property owned by the NRHA, located at 1445 Roberts Road, shown on Exhibit B attached hereto, is hereby approved.

Section 2:- That the City Manager is authorized to execute the Lease Agreement for and on behalf of the City, and to do all things necessary and proper to carry out its terms.

Section 3:- That the City Manager is further authorized to correct, amend or revise the Lease Agreement as he may deem advisable in order to carry out the intent of the Council.

Section 4:- That this ordinance shall be in effect from and after the date of its adoption.

**EXHIBIT A TO ORDINANCE**

**LEASE AGREEMENT**

**THIS LEASE AGREEMENT** (“Lease”), executed on the \_\_\_ day of \_\_\_\_\_ 2016, by and between the **NORFOLK REDEVELOPMENT AND HOUSING AUTHORITY**, a political subdivision of the Commonwealth of Virginia (“NRHA”), Lessor, and the **CITY OF NORFOLK**, a municipal corporation of the Commonwealth of Virginia (“City”), Lessee.

**WITNESSETH:**

**WHEREAS**, NRHA and City desire to enter into a landlord-tenant relationship concerning a portion of the subject property and building at 1445 Roberts Road, Norfolk, VA (“Premises”) for the lease of approximately 20,300 square feet of gross floor area, as shown on Exhibit A attached hereto; and

**WHEREAS**, NRHA and City acknowledge the current status of the condition of the building located on the Premises and acknowledge that any necessary build out to meet the needs of City will be the responsibility of the City; and

**NOW, THEREFORE**, in consideration of the rents, covenants, and agreements hereinafter mentioned, reserved, and contained, to be paid, kept, and performed by City, NRHA does hereby demise and lease unto City, and City does hereby lease from NRHA, the Premises, and the parties hereby agree as follows:

1. **USE.** The Premises shall be used for storage and distribution of City materials, supplies and equipment, and for no other purpose, without prior written notification provided to NRHA. City agrees that it will comply with all applicable laws regarding its use of the Premises. City agrees that it will comply with all applicable laws regarding its use of the Premises including, but not limited to the Americans with Disabilities Act of 1990 (ADA) and the regulations promulgated thereunder to the extent applicable.

2. **TERM OF LEASE.** The term of this Lease shall be for a period of twenty (20) years (“Term”), commencing on November 1, 2016, or upon the effective date of any authorizing ordinance, whichever shall last occur (“Commencement Date”), and ending on October 31, 2036 (“Termination Date”), subject to annual appropriation of funds by City Council and the default provisions herein contained.

3. **EARLY TERMINATION.** City may vacate the Premises at any time and terminate the Lease, upon ninety (90) days prior written notice to NRHA.

4. **RENT.**

A. **Base Rent.** Starting on the Commencement Date, and annually on the first day of each and every year thereafter during the Term of this Lease, City will pay to NRHA as rent, without demand, notice, offset, or deduction, the annual sum of **TEN DOLLARS AND 00/100 (\$10.00)** (“Base Rent”). Such rent shall be paid to NRHA at the address listed in Paragraph 29, or at any address as may be designated by NRHA from time to time.

B. **Appropriations Clause.** City’s financial obligations and payment thereof which arise under this Lease are subject to and conditioned upon appropriations by Norfolk City Council. In the event Norfolk City Council fails to appropriate funds, this Lease will terminate on the last day of the fiscal year for which funds have been appropriated, unless terminated sooner under the terms of this Lease.

5. **PAST DUE RENT AND LATE CHARGES.** In the event City shall fail to pay when due any Rent or other charges or adjustments within ten (10) days of their due date, then City shall pay to NRHA a late charge of five percent (5%) of the past due amount.

6. **NO ASSIGNMENT OR SUBLEASE.** City covenants not to assign, mortgage or encumber this Lease or sublet or permit the Premises or any portion thereof to be used by others

without the prior written consent of NRHA in each instance, such consent not to be unreasonably withheld. City shall be responsible for payment of NRHA's reasonable attorney's fees and out-of-pocket expenses incurred in connection with the review of any proposed sublease or assignment.

7. **OPTION TO PURCHASE.** NRHA hereby grants to City the option to purchase the property on which the Premises is located at any time during the Term of this Lease, with City giving written notice sent by certified mail or hand-delivery to NRHA at the address specified in Paragraph 29. This option to purchase the said Property runs with the Term of this Lease.

8. **RIGHT OF FIRST REFUSAL.** In the event that NRHA receives an unsolicited, bonafide offer to purchase the Property by a third party during the term of this Lease, NRHA hereby grants to City the right of first refusal on any sale of the Property. Any proposed sale of the Property will be submitted to City and City shall have the right to purchase the Property on the same terms and conditions as the proposed purchaser. All such proposals of any kind shall be presented to City in writing at City's address set in Paragraph 29 by certified mail or hand-delivery, and City shall have thirty (30) days from the date the notice is received to enter into a non-binding letter of understanding with NRHA which acknowledges the intentions of the parties to negotiate a mutually satisfactory Purchase and Sale Agreement to purchase the Property subject to the approval by the Norfolk City Council. If City fails to enter into a non-binding letter of understanding with NRHA within thirty (30) days, this right of first refusal shall be deemed null and void and of no further effect. However, all other terms and conditions of the Lease shall remain in full force and effect.

Any conveyance of the Property during the Term of this Lease will be subject to the provisions of this Lease and City may, at its own expense, record a memorandum of lease.

9. **ACCEPTANCE OF PREMISES.** City hereby agrees to accept the Premises “as is”. By this acceptance, the City acknowledges that the Premises does not currently have electrical or water service, and that the lavatories are in disrepair.

10. **ALTERATIONS AND MODIFICATIONS.** With the written permission of NRHA, which shall not be unreasonably withheld, City may at its own cost and expense make from time to time any structural changes, alterations, additions, and improvements to the exterior and interior of the Premises which City may deem necessary or suitable for the conduct of its business.

11. **REPAIRS AND MAINTENANCE.** NRHA acknowledges that it will be responsible for the maintenance, including any costs and expenses, of the portion of the roof, structural building systems of the building and exterior areas that are not included as part of the Premises. City, at its sole cost and expense, will be responsible for only normal and regular day to day maintenance and repairs of the Premises, in its current condition. City shall not be obligated to repair or replace any system, including the roof, structure, electric and plumbing components related to any portion of the building immediately adjoining the Premises, unless such repair or replacement is necessitated by the negligence of City, its officers, agents, employees, or contractors. City shall make arrangements for janitorial services and trash removal at its sole cost and expense. If desired, City will be responsible for installation and normal maintenance of any HVAC system for the Premises. City shall be responsible for acquiring and maintaining any needed fire extinguishers to be located within the Premises and to install and maintain any desired or needed security system to monitor the Premises. NRHA makes no representations or guarantees as to the security of the Premises.

12. **ELECTRICAL UTILITY.** Should City have electrical service reestablished for the Premises, City shall be responsible for the maintenance of the electrical system servicing the Premises, however, NRHA will retain the right to access any established electric service supply area or room (containing breaker box) during the Term of this Lease for maintenance and inspection. Additionally, in the event a lease is signed with a third party for any portion of vacant space, NRHA retains the right to (a) determine the best way to compute the pro-rata share of the common utilities, and (b) retain access to those areas located in the leased Premises that supply the entire building.

13. **ACCESS AND PARKING.** City will have non-exclusive access and use of the 18' wide asphalt drive running along the south side of the entire building, as shown on Exhibit A. City will have exclusive access and use of the parking area adjoining the building immediately to the west of the Premises, containing approximately 13,797 square feet ("Premises Parking Area"), as also shown on Exhibit A. To the extent unauthorized persons use the Premises Parking Area, City is hereby authorized and shall have the responsibility to enforce its exclusive use. City shall be responsible for maintenance and repair of the Premises Parking Area. NRHA shall be responsible for the maintenance and repair of the common driveway entrance area and the entire asphalt drive.

14. **UTILITIES.** City will be responsible for all utility costs in association with the operation of the Premises.

15. **SIGNAGE.** City agrees to pay for any requested reasonable signage. Design, cost and location of signage must receive approval from NRHA prior to installation, such approval not to be unreasonably withheld.

16. **ESTOPPEL CERTIFICATE.** City shall, from time to time and within ten (10) days after request therefore by NRHA, execute, acknowledge and deliver to NRHA a written Estoppel Certificate in recordable form. The Estoppel Certificate shall certify to NRHA, its Mortgagee or other party designated by NRHA as of the date of such Estoppel Certificate that (a) City is in possession of the Premises and is currently paying the Rent; (b) the following dates are and have been established: the Commencement Date and Termination Date of this Lease, and the date upon which City started to pay rent; (c) this Lease is unmodified and in full force and effect, or if there have been modifications, that the same are in full force and effect (setting forth such modifications); (d) that there are no existing set-offs or defenses to the enforcement of any rights or remedies of NRHA, or any duties or obligations of City, hereunder, or, if there are, they shall be specified in detail; and (e) City has no knowledge of any event having occurred that will justify the termination of this Lease by City, or any uncured defaults on the part of NRHA under this Lease; if City has such knowledge, the same shall be specified in detail.

17. **SUBORDINATION AND ATTORNMENT.** City agrees that this Lease is subordinate to any mortgage or lien resulting from financing or refinancing, now or hereafter placed upon the land on which the Premises have been built or upon any building hereafter placed upon the land, of which the Premises are a part. City will, further, attorn to and acknowledge any foreclosure purchaser or purchasers as NRHA hereunder. This subordination shall be self-operative and no further instrument of subordination shall be required by any mortgagee. However, City shall, upon the request of any party in interest, promptly execute such instrument or certificate to carry out the intent hereof as shall be required by NRHA.

18. **QUIET ENJOYMENT.** NRHA hereby covenants that City, upon fully complying with and promptly performing all the terms, covenants and conditions of this Lease, on

its part to be performed, and further, upon the prompt and timely payment of all rental sums due hereunder, shall have and quietly enjoy the Premises for the Term set forth herein.

19. **INDEMNITY AGAINST LIENS.** City agrees that it will, at all times during the Term of this Lease, take any and all steps necessary to prevent the filing of mechanic's liens against the Premises. In no event shall NRHA or any of NRHA's property be liable for or chargeable with any expense or lien for work, labor or materials used for and in the Premises; or for any improvements thereof or changes made upon the order of City, or to discharge the obligations of City during the term of this Lease. NRHA agrees to the same obligations towards City as to any liens or charges or expenses made upon order of NRHA.

20. **FIRE AND/OR DESTRUCTION.** If the Premises shall be damaged by fire or other casualty at a time when more than six (6) months is remaining in the Term of this Lease or any extension or renewals thereof, NRHA agrees that it will restore the structural components and items with reasonable dispatch to substantially the same condition that they were in, so far as the proceeds from NRHA's insurance permit and, further provided that, NRHA's mortgagee does not require insurance proceeds to be paid to it. Once NRHA's restoration work is complete to City's reasonable satisfaction, and since time is of the essence, City's Rent payment shall recommence on the thirtieth (30<sup>th</sup>) day after NRHA notifies City in writing that the Premises are ready for fixturing. City shall be responsible, at its sole cost and expense, to repair or replace any of City's fixtures, equipment and leasehold improvements which were damaged or destroyed by the same insured cause. The Rent payable hereunder shall be equitably and proportionately abated, according to loss of use to City, during the period of time intervening between the date of such fire and/or destruction and the date that the Premises are restored. In the event that the property is not

restored so as to permit reentry by City to its prior capacity ninety (90) days after casualty, then City may terminate lease without penalty or any further obligation by advising NRHA in writing.

21. **FORCE MAJEURE.** In the event that either party shall be delayed or hindered in, or prevented from, the performance of any act required hereunder by reason of strikes, lock-outs, labor troubles, inability to procure materials, failure of power, restrictive governmental laws or regulations, riots, insurrection, war or other reason of a like nature, not the fault of the party delayed in performing the work or doing acts required under the terms of this Lease, then performance of such act shall be excused for the period of the delay and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay; provided, however, that the provisions of this paragraph shall not operate to release City from this Lease nor to excuse City from prompt payment of Rent.

22. **EMINENT DOMAIN.** If all the Premises are condemned or taken by the power of eminent domain exercised by any governmental or quasi-governmental authority, this Lease shall terminate as of the date that City is required to vacate the Premises and all Rent shall be paid up to and until the date of termination. If only part of the Premises shall be taken and the size of the Premises is proportionately reduced, then City is entitled to an equal and proportionate reduction in Rent. Further, NRHA shall, as expeditiously as possible, repair the remaining portion of Premises to the extent necessary to render the same suitable for which the Premises were leased. City hereby waives any right that it may have to any condemnation award or sum paid under threat of condemnation as a result of a complete or partial taking of the Premises.

23. **DEFAULT.** The occurrence of any one of the following events may constitute a default and a breach of this Lease and its covenants, if such default, breach or nonperformance is

continued and not cured or commenced to be cured within the applicable number of days after written notice:

(a) The failure by City to make any payment of Rent, and adjustments within ten (10) days after same shall be due, if written notice has been received by City, including right to cure and the cure period has lapsed.

(b) The failure by either party to perform any covenants herein, or the breach by either party of the Lease covenants herein, and the continual further failure by City to cure such covenant, breach, or non performance within fifteen (15) days after written notice.

(c) The failure by either party to perform all of its obligations under the terms of this Lease.

**24. REMEDIES.** In the event of either party's default, the non-defaulting party has the right to terminate the Lease, in addition to all other rights and remedies provided by the law.

**25. TERMINATION AND SURRENDER.** Upon the expiration or termination of this Lease, City shall surrender the Premises to NRHA in as good a condition as they were found upon the City taking possession of the Premises, except for ordinary wear and tear. City shall deliver to NRHA or its Agent all keys to the Premises and remove all its personal property, merchandise and trade fixtures and make all necessary repairs or reimbursements. After City vacates or abandons the Premises, NRHA may elect to retain or dispose of, in any manner, any of City's improvements or City's personal property that City does not remove from the Premises prior to the Termination Date. Title to any such personal property shall vest in NRHA. City waives all claims against NRHA for any damage to City resulting from NRHA's retention or disposition of any such personal property. City shall also be liable to NRHA for NRHA's expenses and costs of removing, disposing of and storing any of City's personal property.

26. **CITY WAIVERS.** The failure of NRHA to insist upon strict performance by City as to any Lease covenant shall not be construed as a waiver by NRHA of such covenant in the future, but the same shall continue and remain in full force and effect. The receipt by NRHA or its Agent of rent with knowledge of a covenant breach shall not be deemed a waiver of such covenant breach, and no waiver by NRHA of any provision hereof shall be deemed to have been agreed upon unless expressed in writing and signed by the parties hereto.

27. **SUCCESSORS AND ASSIGNS.** All the terms, covenants and provisions of this Lease shall extend to and be binding upon NRHA and City and their respective heirs, administrators, executors, successors, assigns, subtenants, sublessees, and any person or persons who obtain an ownership or possessory interest in the Premises by operation of law or otherwise.

28. **NOTICES.** Any notice to be given to either party shall be deemed to be given when posted in United States registered or certified mail, postage prepaid, addressed as follows:

NRHA: NRHA  
Attn: Mr. Michael Clark  
P.O. Box 968

Norfolk, Virginia 23510

Either party may, at any time, change its address for the purposes of notice by sending a written notice to the other party stating the change and setting forth the new address.

29. **BROKERAGE REPRESENTATION.** NRHA and City shall have no obligation to the other for the payment of any real estate commission in regard to this Lease.

30. **LEASE SUBMISSION.** The submission of this Lease for examination does not constitute an offer to lease. This Lease shall become effective only upon execution by both City and NRHA.

31. **HAZARDOUS SUBSTANCES.** The term Hazardous Substances as used herein shall include any substances declared to hazardous or toxic under any law or regulation now or hereafter enacted or promulgated by any governmental authority having jurisdiction. City shall not cause or permit its agent, licensees or employees to use, generate, release, manufacture, produce, process, store, or dispose of any hazardous substance on or from the Premises. Hazardous Substances shall not include any materials kept on the Premises in limited quantities necessary for the operation or maintenance of office equipment. City shall be responsible for payment of all damages, fines, judgments, penalties, costs, liabilities, or losses arising during or after the term of this Lease, and any extensions thereto, from or in connection with the presence of any Hazardous Substances in or on the Premises to the extent such Hazardous Substances are present due to the negligent acts or omissions of City, its employees, agents, or contractors.

32. **ENTRY.** City agrees to permit NRHA and/or its authorized agent to enter the Premises upon twenty-four (24) hours notice for inspecting, making such repairs or additions as NRHA may desire or be required to make, and for showing the Premises to any prospective purchaser, and during the last six (6) months of the Lease term or any extension or renewal, to prospective tenants. NRHA shall perform such repairs, at such times and in such manner as will not unreasonably interfere with the use by City of the Premises. NRHA shall have the right to enter the Premises without notice in situations deemed to be emergency situations by NRHA.

33. **TIME OF THE ESSENCE.** Time shall be of the essence in this Lease.

34. **SELF INSURED.** The parties acknowledge that City is self-insured. City shall have the right to satisfy any or all insurance requirements by use of self-insurance and shall provide evidence of the same to NRHA.

This Lease shall not be effective or binding on either party until fully executed by both parties hereto.

Mr. Marcus D. Jones  
City of Norfolk  
1109 City Hall Building  
Norfolk, VA 23501

Dear Mr. Jones:

Congratulations on your recent award. In establishing financial assistance programs, Congress linked the receipt of federal funding to compliance with federal civil rights laws. The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) is responsible for ensuring that recipients of financial assistance from the OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW) comply with the applicable federal civil rights laws. We at the OCR are available to help you and your organization meet the civil rights requirements that come with DOJ funding.

### **Ensuring Access to Federally Assisted Programs**

Federal laws that apply to recipients of financial assistance from the DOJ prohibit discrimination on the basis of race, color, national origin, religion, sex, or disability in funded programs or activities, not only in employment but also in the delivery of services or benefits. A federal law also prohibits recipients from discriminating on the basis of age in the delivery of services or benefits.

In March of 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013. The statute amends the Violence Against Women Act of 1994 (VAWA) by including a nondiscrimination grant condition that prohibits discrimination based on actual or perceived race, color, national origin, religion, sex, disability, sexual orientation, or gender identity. The new nondiscrimination grant condition applies to certain programs funded after October 1, 2013. The OCR and the OVW have developed answers to some frequently asked questions about this provision to assist recipients of VAWA funds to understand their obligations. The Frequently Asked Questions are available at <http://ojp.gov/about/ocr/vawafaqs.htm>.

### **Enforcing Civil Rights Laws**

All recipients of federal financial assistance, regardless of the particular funding source, the amount of the grant award, or the number of employees in the workforce, are subject to prohibitions against unlawful discrimination. Accordingly, the OCR investigates recipients that are the subject of discrimination complaints from both individuals and groups. In addition, based on regulatory criteria, the OCR selects a number of recipients each year for compliance reviews, audits that require recipients to submit data showing that they are providing services equitably to all segments of their service population and that their employment practices meet equal opportunity standards.

### **Providing Services to Limited English Proficiency (LEP) Individuals**

In accordance with DOJ guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, recipients of federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency (LEP). See U.S. Department of Justice, Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons, 67 Fed. Reg. 41,455 (2002). For more information on the civil rights responsibilities that recipients have in providing language services to LEP individuals, please see the website <http://www.lep.gov>.

### **Ensuring Equal Treatment for Faith-Based Organizations**

The DOJ regulation, Equal Treatment for Faith-Based Organizations, 28 C.F.R. pt. 38, requires State Administering Agencies (SAAs) to treat faith-based organizations the same as any other applicant or recipient. The regulation prohibits SAAs from making awards or grant administration decisions on the basis of an organization's religious character or affiliation, religious name, or the religious composition of its board of directors.

The regulation also prohibits faith-based organizations from using financial assistance from the DOJ to fund inherently (or explicitly) religious activities. While faith-based organizations can engage in non-funded inherently religious activities, they must hold them separately from the program funded by the DOJ, and recipients cannot compel beneficiaries to participate in them. The Equal Treatment Regulation also makes clear that organizations participating in programs funded by the DOJ are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. For more information on the regulation, please see the OCR's website at [http://www.ojp.usdoj.gov/about/ocr/equal\\_fbo.htm](http://www.ojp.usdoj.gov/about/ocr/equal_fbo.htm).

SAAs and faith-based organizations should also note that the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, as amended, 42 U.S.C. § 3789d(c); the Victims of Crime Act of 1984, as amended, 42 U.S.C. § 10604(e); the Juvenile Justice and Delinquency Prevention Act of 1974, as amended, 42 U.S.C. § 5672(b); and VAWA, Pub. L. No. 113-4, sec. 3(b)(4), 127 Stat. 54, 61-62 (to be codified at 42 U.S.C. § 13925(b)(13)) contain prohibitions against discrimination on the basis of religion in employment. Despite these nondiscrimination provisions, the DOJ has concluded that it may construe the Religious Freedom Restoration Act (RFRA) on a case-by-case basis to permit some faith-based organizations to receive DOJ funds while taking into account religion when hiring staff, even if the statute that authorizes the funding program generally forbids recipients from considering religion in employment decisions. Please consult with the OCR if you have any questions about the regulation or the application of RFRA to the statutes that prohibit discrimination in employment.

### **Using Arrest and Conviction Records in Making Employment Decisions**

The OCR issued an advisory document for recipients on the proper use of arrest and conviction records in making hiring decisions. See Advisory for Recipients of Financial Assistance from the U.S. Department of Justice on the U.S. Equal Employment Opportunity Commission's Enforcement Guidance: Consideration of Arrest and Conviction Records in Employment Decisions Under Title VII of the Civil Rights Act of 1964 (June 2013), available at [http://www.ojp.usdoj.gov/about/ocr/pdfs/UseofConviction\\_Advisory.pdf](http://www.ojp.usdoj.gov/about/ocr/pdfs/UseofConviction_Advisory.pdf). Recipients should be mindful that the misuse of arrest or conviction records to screen either applicants for employment or employees for retention or promotion may have a disparate impact based on race or national origin, resulting in unlawful employment discrimination. In light of the Advisory, recipients should consult local counsel in reviewing their employment practices. If warranted, recipients should also incorporate an analysis of the use of arrest and conviction records in their Equal Employment Opportunity Plans (EEOs) (see below).

### **Complying with the Safe Streets Act**

An organization that is a recipient of financial assistance subject to the nondiscrimination provisions of the Safe Streets Act, must meet two obligations: (1) complying with the federal regulation pertaining to the development of an EEO (see 28 C.F.R. pt. 42, subpt. E) and (2) submitting to the OCR findings of discrimination (see 28 C.F.R. §§ 42.204(c), .205(c)(5)).

### **Meeting the EEOP Requirement**

If your organization has less than fifty employees or receives an award of less than \$25,000 or is a nonprofit organization, a medical institution, an educational institution, or an Indian tribe, then it is exempt from the EEOP requirement. To claim the exemption, your organization must complete and submit Section A of the Certification Form, which is available online at <http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf>.

If your organization is a government agency or private business and receives an award of \$25,000 or more, but less than \$500,000, and has fifty or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare a Utilization Report (formerly called an EEOP Short Form), but it does not have to submit the report to the OCR for review. Instead, your organization has to maintain the Utilization Report on file and make it available for review on request. In addition, your organization has to complete Section B of the Certification Form and return it to the OCR. The Certification Form is available at <http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf>.

If your organization is a government agency or private business and has received an award for \$500,000 or more and has fifty or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare a Utilization Report (formerly called an EEOP Short Form) and submit it to the OCR for review within sixty days from the date of this letter. For assistance in developing a Utilization Report, please consult the OCR's website at <http://www.ojp.usdoj.gov/about/ocr/eeop.htm>. In addition, your organization has to complete Section C of the Certification Form and return it to the OCR. The Certification Form is available at <http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf>.

To comply with the EEOP requirements, you may request technical assistance from an EEOP specialist at the OCR by telephone at (202) 307-0690, by TTY at (202) 307-2027, or by e-mail at [EEOSubmission@usdoj.gov](mailto:EEOSubmission@usdoj.gov).

### **Meeting the Requirement to Submit Findings of Discrimination**

If in the three years prior to the date of the grant award, your organization has received an adverse finding of discrimination based on race, color, national origin, religion, or sex, after a due-process hearing, from a state or federal court or from a state or federal administrative agency, your organization must send a copy of the finding to the OCR.

### **Ensuring the Compliance of Subrecipients**

SAAAs must have standard assurances to notify subrecipients of their civil rights obligations, written procedures to address discrimination complaints filed against subrecipients, methods to monitor subrecipients' compliance with civil rights requirements, and a program to train subrecipients on applicable civil rights laws. In addition, SAAAs must submit to the OCR every three years written Methods of Administration (MOA) that summarize the policies and procedures that they have implemented to ensure the civil rights compliance of subrecipients. For more information on the MOA requirement, see [http://www.ojp.usdoj.gov/funding/other\\_requirements.htm](http://www.ojp.usdoj.gov/funding/other_requirements.htm).

If the OCR can assist you in any way in fulfilling your organization's civil rights responsibilities as a recipient of federal financial assistance, please contact us.

Sincerely,

*SPECIAL CONDITIONS*

1. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this 2016 award from the Office of Justice Programs (OJP).

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this 2016 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded in 2014 or earlier years), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this 2016 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the Office of Justice Programs (OJP) website at <http://ojp.gov/funding/Part200UniformRequirements.htm>.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

2. Compliance with DOJ Grants Financial Guide

The recipient agrees to comply with the Department of Justice Grants Financial Guide as posted on the OJP website (currently, the "2015 DOJ Grants Financial Guide"), including any updated version that may be posted during the period of performance.

3. Required training for Point of Contact and all Financial Points of Contact

Both the Point of Contact (POC) and all Financial Points of Contact (FPOCs) for this award must have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award. Successful completion of such a training on or after January 1, 2015, will satisfy this condition.

In the event that either the POC or an FPOC for this award changes during the period of performance, the new POC or FPOC must have successfully completed an "OJP financial management and grant administration training" by 120 calendar days after -- (1) the date of OJP's approval of the "Change Grantee Contact" GAN (in the case of a new POC), or (2) the date the POC enters information on the new FPOC in GMS (in the case of a new FPOC). Successful completion of such a training on or after January 1, 2015, will satisfy this condition.

A list of OJP trainings that OJP will consider "OJP financial management and grant administration training" for purposes of this condition is available at <http://www.ojp.gov/training/fmts.htm>. All trainings that satisfy this condition include a session on grant fraud prevention and detection

The recipient should anticipate that OJP will immediately withhold ("freeze") award funds if the recipient fails to comply with this condition. The recipient's failure to comply also may lead OJP to impose additional appropriate conditions on this award.

4. Requirements related to "de minimis" indirect cost rate

A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

5. Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by DOJ awarding agency, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

6. Requirements related to System for Award Management and Unique Entity Identifiers

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <http://www.sam.gov>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The recipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <http://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This special condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

7. All subawards ("subgrants") must have specific federal authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <http://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: Award Condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$150,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <http://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$150,000)), and are incorporated by reference here.

9. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <http://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

10. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "2015 DOJ Grants Financial Guide").

11. Requirement for data on performance and effectiveness under the award

The recipient must collect and maintain data that measure the performance and effectiveness of activities under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act, and other applicable laws.

12. OJP Training Guiding Principles

Any training or training materials that the recipient -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <http://ojp.gov/funding/ojptrainingguidingprinciples.htm>.

Federal funds may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification or adoption of any law, regulation, or policy, at any level of government.

Should any question arise as to whether a particular use of Federal funds by a recipient (or subrecipient) would or might fall within the scope of this prohibition, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

20. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--

a. it represents that--

(1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

21. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The recipient must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

22. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

23. The recipient agrees to comply with OJP grant monitoring guidelines, protocols, and procedures, and to cooperate with BJA and OCFO on all grant monitoring requests, including requests related to desk reviews, enhanced programmatic desk reviews, and/or site visits. The recipient agrees to provide to BJA and OCFO all documentation necessary to complete monitoring tasks, including documentation related to any subawards made under this award. Further, the recipient agrees to abide by reasonable deadlines set by BJA and OCFO for providing the requested documents. Failure to cooperate with BJA's/OCFO's grant monitoring activities may result in sanctions affecting the recipient's DOJ awards, including, but not limited to: withholdings and/or other restrictions on the recipient's access to grant funds; referral to the Office of the Inspector General for audit review; designation of the recipient as a DOJ High Risk grantee; or termination of an award(s).

24. The recipient agrees to comply with applicable requirements to report first-tier subawards of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients of award funds. Such data will be submitted to the FFATA Subaward Reporting System (FSRS). The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the Office of Justice Programs web site at <http://ojp.gov/funding/Explore/FFATA.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here. This condition, and its reporting requirement, does not apply to grant awards made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

25. Program income (as defined in the Part 200 Uniform Requirements) must be used in accordance with the provisions of the Part 200 Uniform Requirements. Program income earnings and expenditures both must be reported on the quarterly Federal Financial Report, SF 425.

*SPECIAL CONDITIONS*

26. In order to promote information sharing and enable interoperability among disparate systems across the justice and public safety community, OJP requires the grantee to comply with DOJ's Global Justice Information Sharing Initiative (DOJ's Global) guidelines and recommendations for this particular grant. Grantee shall conform to the Global Standards Package (GSP) and all constituent elements, where applicable, as described at: [http://www.it.ojp.gov/gsp\\_grantcondition](http://www.it.ojp.gov/gsp_grantcondition). Grantee shall document planned approaches to information sharing and describe compliance to the GSP and appropriate privacy policy that protects shared information, or provide detailed justification for why an alternative approach is recommended.
27. To avoid duplicating existing networks or IT systems in any initiatives funded by BJA for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the grantee can demonstrate to the satisfaction of BJA that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.
28. The recipient agrees that any information technology system funded or supported by OJP funds will comply with 28 C.F.R. Part 23, Criminal Intelligence Systems Operating Policies, if OJP determines this regulation to be applicable. Should OJP determine 28 C.F.R. Part 23 to be applicable, OJP may, at its discretion, perform audits of the system, as per the regulation. Should any violation of 28 C.F.R. Part 23 occur, the recipient may be fined as per 42 U.S.C. 3789g(c)-(d). Recipient may not satisfy such a fine with federal funds.
29. Grantee agrees to comply with the requirements of 28 C.F.R. Part 46 and all Office of Justice Programs policies and procedures regarding the protection of human research subjects, including obtainment of Institutional Review Board approval, if appropriate, and subject informed consent.
30. Grantee agrees to comply with all confidentiality requirements of 42 U.S.C. section 3789g and 28 C.F.R. Part 22 that are applicable to collection, use, and revelation of data or information. Grantee further agrees, as a condition of grant approval, to submit a Privacy Certificate that is in accord with requirements of 28 C.F.R. Part 22 and, in particular, section 22.23.
31. Award recipients must verify Point of Contact(POC), Financial Point of Contact (FPOC), and Authorized Representative contact information in GMS, including telephone number and e-mail address. If any information is incorrect or has changed, a Grant Adjustment Notice (GAN) must be submitted via the Grants Management System (GMS) to document changes.
32. The grantee agrees that within 120 days of award acceptance, each current member of a law enforcement task force funded with these funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, will complete required online (internet-based) task force training. Additionally, all future task force members are required to complete this training once during the life of this award, or once every four years if multiple awards include this requirement. The training is provided free of charge online through BJA's Center for Task Force Integrity and Leadership ([www.ctfli.org](http://www.ctfli.org)). This training addresses task force effectiveness as well as other key issues including privacy and civil liberties/rights, task force performance measurement, personnel selection, and task force oversight and accountability. When BJA funding supports a task force, a task force personnel roster should be compiled and maintained, along with course completion certificates, by the grant recipient. Additional information is available regarding this required training and access methods via BJA's web site and the Center for Task Force Integrity and Leadership ([www.ctfli.org](http://www.ctfli.org)).
33. The recipient agrees to participate in BJA-sponsored training events, technical assistance events, or conferences held by BJA or its designees, upon BJA's request.

34. Approval of this award does not indicate approval of any consultant rate in excess of \$650 per day. A detailed justification must be submitted to and approved by the Office of Justice Programs (OJP) program office prior to obligation or expenditure of such funds.

35. The grantee agrees to assist BJA in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these grant funds, either directly by the grantee or by a subgrantee. Accordingly, the grantee agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the grant, the grantee agrees to contact BJA.

The grantee understands that this special condition applies to its following new activities whether or not they are being specifically funded with these grant funds. That is, as long as the activity is being conducted by the grantee, a subgrantee, or any third party and the activity needs to be undertaken in order to use these grant funds, this special condition must first be met. The activities covered by this special condition are:

- a. New construction;
- b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;
- c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;
- d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and
- e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The grantee understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. The grantee further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at <http://www.ojp.usdoj.gov/BJA/resource/nepa.html>, for programs relating to methamphetamine laboratory operations.

Application of This Special Condition to Grantee's Existing Programs or Activities: For any of the grantee's or its subgrantees' existing programs or activities that will be funded by these grant funds, the grantee, upon specific request from BJA, agrees to cooperate with BJA in any preparation by BJA of a national or program environmental assessment of that funded program or activity.

36. The recipient is required to establish a trust fund account. (The trust fund may or may not be an interest-bearing account.) The fund, including any interest, may not be used to pay debts or expenses incurred by other activities beyond the scope of the Edward Byrne Memorial Justice Assistance Grant Program (JAG). The recipient also agrees to obligate the grant funds in the trust fund (including any interest earned) during the period of the grant and expend within 90 days thereafter. Any unobligated or unexpended funds, including interest earned, must be returned to the Office of Justice Programs at the time of closeout.
37. JAG funds may be used to purchase vests for an agency, but they may not be used as the 50% match for purposes of the Bulletproof Vest Partnership (BVP) program.

38. Ballistic-resistant and stab-resistant body armor purchased with JAG funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the vests have been tested and found to comply with applicable National Institute of Justice ballistic or stab standards and are listed on the NIJ Compliant Body Armor Model List (<http://nij.gov>). In addition, ballistic-resistant and stab-resistant body armor purchased must be American-made. The latest NIJ standard information can be found here: <http://www.nij.gov/topics/technology/body-armor/safety-initiative.htm>.
39. The recipient agrees to submit a signed certification that all law enforcement agencies receiving vests purchased with JAG funds have a written "mandatory wear" policy in effect. Fiscal agents and state agencies must keep signed certifications on file for any subrecipients planning to utilize JAG funds for ballistic-resistant and stab-resistant body armor purchases. This policy must be in place for at least all uniformed officers before any JAG funding can be used by the agency for body armor. There are no requirements regarding the nature of the policy other than it be a mandatory wear policy for all uniformed officers while on duty.
40. The recipient agrees to monitor subawards under this JAG award in accordance with all applicable statutes, regulations, OMB circulars, and guidelines, including the DOJ Financial Guide, and to include the applicable conditions of this award in any subaward. The recipient is responsible for oversight of subrecipient spending and monitoring of specific outcomes and benefits attributable to use of JAG funds by subrecipients. The recipient agrees to submit, upon request, documentation of its policies and procedures for monitoring of subawards under this award.
41. The recipient agrees that funds received under this award will not be used to supplant State or local funds, but will be used to increase the amounts of such funds that would, in the absence of Federal funds, be made available for law enforcement activities.
42. Award recipients must submit quarterly Federal Financial Reports (SF-425) and semi-annual performance reports through GMS (<https://grants.ojp.usdoj.gov>). Consistent with the Department's responsibilities under the Government Performance and Results Act (GPRA), P.L. 103-62, applicants who receive funding under this solicitation must provide data that measure the results of their work. Therefore, quarterly performance metrics reports must be submitted through BJA's Performance Measurement Tool (PMT) website ([www.bjaperformancetools.org](http://www.bjaperformancetools.org)). For more detailed information on reporting and other JAG requirements, refer to the JAG reporting requirements webpage. Failure to submit required JAG reports by established deadlines may result in the freezing of grant funds and future High Risk designation.
43. Any law enforcement agency receiving direct or sub-awarded JAG funding must submit quarterly accountability metrics data related to training that officers have received on the use of force, racial and ethnic bias, de-escalation of conflict, and constructive engagement with the public.
44. BJA strongly encourages the recipient to submit annual (or more frequent) JAG success stories. To submit a success story, sign in to your My BJA account at <https://www.bja.gov/Login.aspx> to access the Success Story Submission form. If you do not yet have a My BJA account, please register at <https://www.bja.gov/profile.aspx>. Once you register, one of the available areas on your My BJA page will be "My Success Stories". Within this box, you will see an option to add a Success Story. Once reviewed and approved by BJA, all success stories will appear on the new BJA Success Story web page at <https://www.bja.gov/SuccessStoryList.aspx>.
45. Recipient understands and agrees that award funds may not be used for items that are listed on the Controlled Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time, without explicit written prior approval from BJA. 47. Recipient understands and agrees that the purchase or acquisition of any item on the Controlled Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time, with award funds by an agency will trigger a requirement that the agency collect and retain (for at least 3 years) certain information about the use of 1) any federally-acquired Controlled Equipment in the agency's inventory, and 2) any other controlled equipment in the same category as the federally-acquired controlled equipment in the agency's inventory, regardless of source; and make that information available to BJA upon request. 49. The Prohibited Expenditure list may be accessed here: <https://www.bja.gov/funding/JAGControlledPurchaseList.pdf>.
50. Recipient understands and agrees that, notwithstanding 2 CFR § 200.313, no equipment listed on the Controlled Expenditure List that is purchased under this award may be transferred or sold to a third party, except as described below:
  - a. Agencies may transfer or sell any controlled equipment, except riot helmets and riot shields, to a Law Enforcement Agency (LEA) after obtaining prior written approval from BJA. As a condition of that approval, the acquiring LEA will be required to submit information and certifications to BJA as if it was requesting approval to use award fund for the initial purchase of items on the Controlled Expenditure List.
  - b. Agencies may not transfer or sell any riot helmets or riot shields purchased under this award.
  - c. Agencies may not transfer or sell any Controlled Equipment purchased under this award to non-LEAs, with the exception of fixed wing aircraft, rotary wing aircraft, and command and control vehicles. Before any such transfer or sale is finalized, the agency must obtain prior written approval from BJA. All law enforcement-related and other sensitive or potentially dangerous components, and all law enforcement insignias and identifying markings must be removed prior to transfer or sale.

Recipient further understands and agrees to notify BJA prior to the disposal of any items on the Controlled Expenditure List purchased under this award, and to abide by any applicable laws and regulations in such disposal.

**Memorandum To:** Official Grant File

**From:** Orbin Terry, NEPA Coordinator

**Subject:** Incorporates NEPA Compliance in Further Developmental Stages for City of Norfolk

The Edward Byrne Memorial Justice Assistance Grant Program (JAG) allows states and local governments to support a broad range of activities to prevent and control crime and to improve the criminal justice system, some of which could have environmental impacts. All recipients of JAG funding must assist BJA in complying with NEPA and other related federal environmental impact analyses requirements in the use of grant funds, whether the funds are used directly by the grantee or by a subgrantee or third party. Accordingly, prior to obligating funds for any of the specified activities, the grantee must first determine if any of the specified activities will be funded by the grant.

The specified activities requiring environmental analysis are:

- a. New construction;
- b. Any renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;
- c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;
- d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and
- e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

Complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. Further, for programs relating to methamphetamine laboratory operations, the preparation of a detailed Mitigation Plan will be required. For more information about Mitigation Plan requirements, please see <https://www.bja.gov/Funding/nepa.html>.

The Edward Byrne Memorial Justice Assistance Grant Program (JAG) allows states and units of local government, including tribes, to support a broad range of activities to prevent and control crime based on their own state and local needs and conditions. Grant funds can be used for state and local initiatives, technical assistance, training, personnel, equipment, supplies, contractual support, and information systems for criminal justice, including for any one or more of the following program areas: 1) law enforcement programs; 2) prosecution and court programs; 3) prevention and education programs; 4) corrections and community corrections programs; 5) drug treatment and enforcement programs; 6) planning, evaluation, and technology improvement programs; and 7) crime victim and witness programs (other than compensation).

The City of Norfolk will use the JAG funds to purchase four marked patrol cars for the city police department. These vehicles will be used by the police department's special operations team to increase patrols in areas with the highest incidents of violent crimes and crimes involving firearms, based on crime analysis data from calls of service.

## **Nine Components of Successful MAT Programs**

### **1. Counseling and other services—plus medication— are essential.**

Courts require medication-assisted treatment participants to receive counseling and wraparound services from a licensed treatment provider in addition to medication. These services are no different from those provided to participants not receiving MAT.

### **2. Courts are selective about treatment programs and private prescribing physicians.**

Drug courts require participants to obtain an assessment at one or more designated licensed treatment programs. When MAT is recommended, the courts generally prefer that MAT medication and other services be provided by a program licensed by the state Office of Alcoholism and Substance Abuse Services, usually on a court-provided list. However, participants receiving buprenorphine sometimes receive the medication from an office-based physician, most commonly if the licensed treatment programs have reached their federally mandated buprenorphine cap (currently 30 patients the first year; 100 patients annually, thereafter). Courts also permit participants to receive injectable naltrexone from private doctors because they inject the medication monthly, which addresses concerns about diversion. With all forms of MAT, participants still must receive counseling and other services from a licensed treatment program. If a court finds that a provider does not meet the court's standards, it typically does not permit future participants to use that provider.

### **3. Courts develop strong relationships with treatment programs and require regular communication regarding participant progress.**

Trust and communication are essential. Courts with successful MAT programs maintain frequent contact with treatment providers. They expect honest and accurate reports, as well as follow-through. If providers do not communicate sufficiently, courts stop referring participants and select other providers. The consensus among the 10 courts interviewed is that licensed treatment programs generally are more reliable communicators than private physicians.

### **4. Screening and assessment must consider all clinically appropriate forms of treatment.**

Court staff conducts the initial screening and refers to programs who conduct

cannot misuse their medication as easily. Naltrexone is generally injected by a physician, and therefore, viewed as the least divertible medication. All courts acknowledge that there is some illicit diversion of MAT medication (mainly buprenorphine), but see it as something that they can manage and that does not justify a blanket prohibition. Many practitioners note that illicit use of medication occurs among opioid addicted people who are not enrolled in MAT programs and who often use MAT medication illicitly to self-medicate; such misuse might decrease with more access to MAT.

**8. Medications for medication-assisted treatment are covered through government and/or private insurance programs.**

Medicaid or other insurance programs generally pay for participants' treatment, especially in the initial stages of drug treatment court. When participants begin working, coverage can become more challenging. Courts try to help participants access appropriate coverage, but are not always successful. For those who need to self-pay, methadone is much less expensive than buprenorphine and naltrexone.

**9. Medication-assisted treatment operates very similarly to other kinds of treatment.**

Courts repeatedly emphasized that they did not do things very differently for MAT participants. Some courts conduct identical urine testing for MAT and other participants, while other courts add methadone and buprenorphine tests for MAT participants only. A few courts also count buprenorphine strips. Thus, many of the key components noted above are also essential for other parts of the treatment court's operation.

This agenda item is an ordinance authorizing the acceptance of a donation to the City of Norfolk (the "city") of nineteen (19) ballistic K-9 vests from Spike's K9 Fund, for the Norfolk Police Department's ("NPD's") K-9 Program. This donation is made in memory of NPD's K-9 Krijger.

IV. **Analysis**

Spikes K9 Fund is a 501(c)3 Tax-Exempt Organization founded by James Hatch, a retired Special Warfare Operator. Mr. Hatch was a K-9 handler during several deployments: one of the most memorable being a K-9 named Spike. On his final deployment, a K-9 lost his life while saving Mr. Hatch. From that day on, Mr. Hatch oriented his life around the training, care and preservation of working dogs. On January 11, 2016, K-9 Krijger of the NPD was killed in the line of duty. After this tragedy, CNN's Anderson Cooper made a donation to Spike's K9 Fund. The contribution provided ballistic protection to over forty local K-9's. Other localities which have received support from Spike's K9 Fund include Chesapeake, Suffolk, Portsmouth and Virginia Beach.

V. **Financial Impact**

There is no financial impact to the city related to the donation of the ballistic K-9 vests. This donation has a value of approximately \$41,800.00. This is a private donation for the enhancement of the safety of NPD K-9 Unit members.

The purchase of portable CPR devices will provide continuous compressions, at the appropriate rate and depth, to cardiac arrest patients while being transported. This equipment will also remove the hazard of a firefighter/EMS provider standing in a moving ambulance and being injured en route to the hospital.

V. **Financial Impact**

The grant requires a local cash match in the amount of \$27,046.44 for a total project amount of \$54,092.44. The cash match will come from the portion of Fire-Rescue's general fund budget allocated to support emergency medical supplies and equipment.
