MEMORANDUM

TO: The Honorable City Council

CC TO: Marcus D. Jones, City Manager

FROM: Charles E. Rigney, Director, Economic Development

SUBJECT: October 25 Docket Item - Enterprise Zone Boundary Amendment

DATE: October 21, 2016

This memo is in regard to Norfolk's designated Enterprise Zone ("EZ") boundary lines. Portions of Norfolk have qualified for, and are a part of the EZ program, which is a partnership between state and local governments that encourages job creation and private investment. There are State-based incentives and Locality-based incentives in EZ areas that are designed to spur economic development in these "distressed" areas. I have attached the program parameters and specific state and local incentives benefits (see attached "EZ Program"). Norfolk has had EZ status for many years, though the boundary lines have been amended (as allowed annually) periodically to add or subtract areas of our City in order to maximize EZ impacts for our development efforts.

Economic Development is recommending an amendment to our existing boundaries in order to do two things:

1. Remove ineligible City institutional and public space currently included
2. Add five areas that would benefit from EZ status

Each year EZ cities are allowed by the Commonwealth's EZ administrators to amend or change the zone boundaries based on the needs of the locality. The City has identified areas we would recommend be incorporated into our EZ to spur new development and redevelopment. Further, the City recommends removal of areas that do not qualify or are portions of right-of-way.

Specifically, we will be removing approximately 120 acres and adding 86 acres, resulting in a net decrease of 34 acres to our current 2,392 acre zone. Please see the attached EZ map as showing existing boundary (green), recommended areas to be deleted (blue), and the areas recommended to be added (red).

The following areas are the recommended additions:

- 1.) Expansion of Central Business Park
- 2.) Maplewood Plaza on Church Street
- 3.) Chelsea Neighborhood

- 4.) Railyard site on Hampton Blvd
- 5.) Portion of Colonial Ave

The process to amend the EZ boundaries is as follows:

- 1.) Get draft map approval from the State
- 2.) Send letters to property owners being removed from the zone; see attached list of businesses receiving notification
- 3.) Publicly advertise the zone modifications for two consecutive weeks
- 4.) Schedule a public hearing and pass ordinance/resolution
- 5.) Send approved ordinance, public hearing minutes, amendment application, and approved map(s) to the state for final approval

The Commonwealth has already given preliminary approvals to the recommended changes and applications are due to the state by November 1st. New boundaries are retroactive to January 1st of the calendar year in which it was submitted.

Economic Development looks at our EZ on an annual basis to see if the allowed annual amendment can help our business attraction efforts, and have had the above locations under review dating back to last year. We now believe the allowable amendment is justified, and recommend we move forward this year.

Young Terrace

MEMORANDUM

TO: City Council

CC TO: Marcus D. Jones, City Manager

FROM: John C. Kownack, Executive Director, NRHA

SUBJECT: October 25 Docket Item - Formation of Legal Entities by NRHA for Conversion
of Assisted Rental Communities

DATE: October 7, 2016

On the October 25, 2016 regular agenda, City Council will consider a resolution to authorize the formation of legal entities to facilitate the conversion of existing assisted rental communities from the Low Income Public Housing (“LIPH”) program to the Project Based Voucher (“PBV”) program. The communities involved have received preliminary approval by the U. S. Department of Housing and Urban Development (“HUD”) to participate in the Rental Assistance Demonstration (“RAD”) program.

NRHA desires to convert North Wellington (25 units), a recently developed portion of Grandy Village (16 units), and a portion of Grandy Village that underwent significant renovation in 2008 (275 units) to the RAD program in order to streamline HUD funding streams and to replace the current HUD deeds of trusts on these LIPH properties with less restrictive use agreements. To convert from the LIPH program to the PBV program under RAD, HUD requires the use of separate entities to own and manage the properties.

The proposed resolution would authorize only the creation of entities relating to properties that are being converted under the “non-financial” category of the RAD program. These “non-financial” conversions would not involve the pursuit of Low Income Housing Tax Credits (“LIHTC”) and would not result in any changes in the obligation to maintain the units or cause any substantive impact on tenant requirements or rent calculations. In this manner, the authorization to create these entities would differ from the recent discussion relating to entity creation for the Young Terrace and Diggs Town communities, which include mixed-finance renovations involving the use of LIHTC equity.

On May 12, 2016, the NRHA Board of Commissioners approved a resolution authorizing the creation of the required entities, pending approval by the City Council.

As required by HUD, community meetings were held with the residents of North Wellington, on July 9, 2016, and Grandy Village, on July 23, 2016, to describe the RAD program and explain the impact of the program on current tenants.

MEMORANDUM

TO: City Council

CC TO: Marcus D. Jones, City Manager

FROM: Kristen M. Lentz, P.E., Director, Department of Utilities

SUBJECT: October 25, 2016 Docket Item – FY 2013 Write Offs

DATE: October , 21, 2016

The Department of Utilities is responsible for the billing and collection of water, utility taxes, wastewater collection, refuse collection, and storm water fees. Extensive efforts are made to collect the full amount billed, and we have an excellent collection rate of over 99% of the amount billed. The collection efforts utilized for inactive accounts include:

- Utilizing the U. S. Postal Service, Department of Motor Vehicles (DMV), Equifax credit reporting service, and the Hampton Roads Sanitation District to locate customers;
- Sending reminder notices and dunning letters;
- Participation in the State Debt Set Off Program, through which the State withholds the amount owed to the City from state tax refunds or lottery winnings;
- Placing liens so that property cannot be sold until the debt is paid;
- Seeking personal judgements through the District court system and filing them in Circuit court to extend the life of the judgement for 20 years; and
- Referring delinquent accounts to collection agencies.

After three years, the ability to recover outstanding debt diminishes significantly and it is appropriate to remove the uncollected amounts from the accounts receivable. Article VII, Section 7, of the Virginia Constitution grants localities the power to write off these uncollectable debts.

Resolution Authorizing the Formation of Legal Entities

October 25, 2016

Agenda Item Overview

- ▶ Resolution authorizes the Norfolk Redevelopment and Housing Authority (“NRHA”) to create legal entities to support conversion of assisted rental communities from the Low Income Public Housing (“LIPH”) program to the Project Based Voucher (“PBV”) program.
- ▶ The conversion has received preliminary approval from HUD for North Wellington and portions of Grandy Village under the Rental Assistance Demonstration (“RAD”) program.

Agenda Item Overview

- ▶ HUD requires LIPH properties to be conveyed to a separate legal entity in order to participate in the RAD/PBV program.
- ▶ The entities authorized under the proposed resolution would involve “Non-Financial” RAD conversions that do not involve renovations funded with Low Income Housing Tax Credit (“LIHTC”) equity.

Agenda Item Overview

- ▶ In anticipation of Council consideration on Tuesday, October 25, the following slides provide information on:
 - Location of North Wellington and Grandy Village assisted rental communities.

What is RAD?

- ▶ **RAD is a HUD program that will allow NRHA to convert properties from the LIPH program, with traditional operating and capital fund subsidies, to the PBV program with a Housing Assistance Payment (“HAP”) contract.**

How does RAD Work?

Sample Public Housing Conversion Per Unit Monthly

RAD combines the operating subsidy and **capital fund** into one payment for the property

Why was RAD established?

- ▶ Across the Country and here in Norfolk the public housing inventory is aging, becoming more obsolete and has an increasing backlog of unmet capital funding needs. Capital funding has declined 24% over the past decade and is insufficient to meet the growing backlog of capital needs.
- ▶ RAD will provide defined and more secure project subsidy from HUD.
- ▶ RAD creates greater funding certainty while allowing increased operational flexibility for NRHA

Impact on Residents

Will the rent residents pay change as a result of RAD?

Residents will continue to pay no more than 30% of adjusted income.

Will residents have to sign a new lease?

Yes, however, current public housing residents will not be rescreened, or face other income eligibility criteria or income targeting provisions.

What if residents do not want to stay in the community under RAD?

Households that do not want to transition to the RAD program can be offered transfers to other public housing communities.

Choice mobility allows residents to leave the project after one year. NRHA must provide a Housing Choice Voucher, if available, or place the resident at the top of the waiting list.

- IV. **Analysis:**
Each year, zone administrators are allowed to amend or change the zone boundaries based on the needs of the locality. The City has identified new emerging areas, and would like to incorporate them into the zone to spur further development. Further, the City has identified areas within the zone that will be deleted because they do not qualify to participate, have not utilized zone incentives since its installation or are portions of right-of-way. WITNESSETH:

WHEREAS, 1155 and City began a landlord-tenant relationship for the property at 1155 Pineridge Road, in the City of Norfolk, Virginia, in 2008 for the lease of 27,000 square feet, with execution of the Lease Agreement occurring on August 25, 2008 (“Initial Lease”); and

WHEREAS, the parties subsequently entered into the now existing lease, which commenced on November 1, 2011 and will terminate on October 31, 2016 (“Existing Lease”), which Existing Lease includes an expanded leased area totaling 42,000 square feet; and

WHEREAS, the Norfolk Library Service Center’s centralized library support functions, such as, administrative offices, interim and permanent storage of books and collections, shipping and receiving large shipments, processing, and distribution among library branches are well-suited to the industrial setting of the subject property; and

WHEREAS, the operations of the Norfolk Library Service Center relieves the new main library from having to process large shipments and decreases the potential of exceeding the maximum load tolerances; and

WHEREAS, to continue to meet the needs of the library system, the parties desire to enter into a new lease agreement for the 42,000 square feet under new, but similar, terms and conditions;

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the parties hereby agree as follows:

1. **PREMISES.** That for and in consideration of the payment by City of the rent hereinafter described and the performance by City of the covenants and agreements hereinafter agreed to be performed by it, and in accordance with all of the provisions hereinafter set forth, City does hereby take, lease, and hire from 1155, a portion of that certain building owned by 1155 known as 1155 Pineridge Road, in the City of Norfolk, Virginia, containing approximately 42,000 square feet of gross floor area, and comprised of warehouse space, open office area, administrative offices, and other general use areas, all as described in Exhibit A attached hereto and made a part hereof (“Premises”).

2. **USE.** The Premises shall be used for library administrative offices, storage, receiving, cataloguing and distribution of library materials, and other related functions of the library system, and for no other purpose. City agrees that it will comply with all applicable laws regarding its use of the Premises, including, but not limited to, the Americans with Disabilities Act of 1990 (ADA) and the regulations promulgated thereunder to the extent applicable.

3. **TERM OF LEASE.** The term of this Lease shall be for a period of seven (7) years (“Term”), to commence on the later of (i) November 1, 2016, or (ii) the effective date of any authorizing ordinance approving this Agreement by Norfolk City Council (“Commencement Date”), and terminating on the date that is the last day of the eighty-fourth (84th) full calendar month thereafter (“Termination Date”), subject to the default provisions herein contained. At City’s option, City may extend the lease for one (1) additional one-year term by notifying 1155 at least ninety (90) days prior to the Termination Date of this Lease.

4. **TERMINATION OF EXISTING LEASE.** The Existing Lease shall terminate and be of no further force and effect as of the Commencement Date of this Lease.

5. **RENT.** Starting on the Commencement Date, and monthly thereafter during the Term and on the first day of each month, City will pay to 1155, without demand, without notice, and without offset or deduction, as Rent, the following monthly amounts:

LEASE TERM	ANNUAL BASE RENT	MONTHLY BASE RENT
11/1/16 – 10/31/17	\$292,874.40	\$24,406.20
11/1/17 – 10/31/18	\$298,731.89	\$24,894.32

11/1/22 – 10/30/23	\$329,824.14	\$27,485.35
TOTAL	\$2,177,311.29	

Should the Term of the Lease begin on any day other than the first day of the first month, the rent shall be prorated from the Commencement Date based on the actual number of days in the first month. Should City exercise City’s option to extend the Term, the Rent shall be increased by two percent (2%) over the Rent for the last year of the Term, \$28,035.05 per month (\$336,420.62 annually).

All Rent shall be paid to 1155 Pineridge, LLC, c/o Mr. Paul H. Peck, President, P.O. Box 2394, Norfolk, VA 23501-2394, or at such other place as 1155 may, from time to time, designate in writing.

Appropriations Clause. City’s financial obligations and payment thereof which arise under this Lease are subject to and conditioned upon appropriations by Norfolk City Council. City shall advise Pineridge in writing on April 1st of each calendar year during the Term of its election to terminate this Lease due to lack of appropriations (“Notice of Termination”). In the event City elects to terminate this Lease pursuant to the previous sentence, City shall, to the extent permitted by law, continue to occupy the Premises and pay Monthly Base Rent, in accordance with the above

Rent Schedule, and common area expenses (described under Paragraph 13) after the Notice of Termination for a period of eight (8) months. After the expiration of the eight (8) months the Lease will be considered terminated. Should the City continue to occupy the Premises after this established Termination Date, without entering into a new written agreement, the City shall be considered a holdover tenant, subject to the terms of a Holdover Tenancy (as described in Paragraph 27).

Expansion Right. There is available or may be available additional space in the building where the Premises are located. At any time it is available, City may rent such additional space based on the then current rent per square foot for such available space. If a third party makes an offer to rent any or all of the available space and 1155 advises City in writing of its intention to accept said offer (“1155’s Notice”), City shall have first right of refusal to rent at the current rent per square foot, exercisable upon written notice to 1155 within five (5) business days from City’s receipt of 1155’s Notice. If City does not notify 1155 within five (5) business days of its intention to exercise its right of first refusal, 1155 shall be free to rent the available space to another tenant.

6. **PAST DUE RENT AND LATE CHARGES.** In the event City shall fail to pay, when the same is due and payable, any Rent or other charges or adjustments and if said sums have not been paid within ten (10) days of their due date, then City shall pay to 1155 a late charge of five percent (5%) of the past due amount.

7. **NO ASSIGNMENT OR SUBLEASE.** City covenants not to assign, mortgage or encumber this Lease or sublet or permit the Premises or any portion thereof to be used by others without the prior written consent of the 1155 in each instance, such consent not to be unreasonably withheld. City shall be responsible for payment of 1155’s reasonable attorney’s fees and out-of-pocket expenses incurred in connection with the review of any proposed sublease or assignment.

8. **OPTION TO PURCHASE.** 1155 hereby grants to the City the option to purchase the property on which the Premises are located at any time during the Term of this Lease by written notice sent by certified mail or hand-delivery to 1155 Pineridge, LLC, c/o Mr. Paul H. Peck, President, P.O. Box 2394, Norfolk, Virginia 23501. This option to purchase the property runs with the Term of this Lease.

9. **RIGHT OF FIRST REFUSAL.** In the event that 1155 receives an unsolicited, bonafide offer to purchase the property on which the Premises are located by a third party during the Term of this Lease, 1155 hereby grants to the City the right of first refusal on any sale of the said property. Any proposed sale of the property will be submitted to the City and the City shall have the right to purchase the property on the same terms and conditions as the proposed purchaser. All such proposals of any kind shall be presented to the City in writing at the City's address set forth herein by certified mail or hand-delivery, and City shall have twenty (20) days from the date the notice is received to enter into a non-binding letter of understanding with 1155 which acknowledges the intentions of the parties to negotiate in good faith a mutually satisfactory Purchase and Sale Agreement to purchase the property on the same terms as the proposed purchaser, subject to the approval of the Norfolk City Council. If City fails to enter into a non-binding letter of understanding with 1155 within twenty (20) days, this right of first refusal shall be deemed null and void and of no further effect. However, all other terms and conditions of this Lease shall remain in full force and effect.

Any conveyance of the Property during the term of this lease will be subject to the provisions of this Lease and City may, at its expense, record a Memorandum of Lease in the land records of the City of Norfolk.

10. **ACCEPTANCE OF PREMISES.** City hereby agrees to accept the Premises “as is”, acknowledging that City is the current occupant of the Premises and that the Premises are in good working order and repair. This acceptance does not apply to major structural building systems such as, but not limited to, roof, structure, electrical, and plumbing, components, all of which 1155 does hereby covenant to be in good working order and repair as of the Commencement Date. HVAC conditions are covered under Paragraph 12.

11. **TENANT ALTERATIONS AND MODIFICATIONS.** With the written permission of 1155, which shall not be unreasonably withheld, City may at its own cost and expense make from time to time any non-structural changes, alterations, additions, and improvements to the interior of the Premises which City may deem necessary or suitable for the conduct of its business. City shall not make any structural or exterior changes to the Premises without the prior written consent of 1155.

12. **REPAIRS AND MAINTENANCE.** City, at its sole cost and expense, will be responsible for the normal, regular, day to day maintenance and repairs of the Premises, including but not limited to the electric and plumbing systems. However, City shall not be obligated to repair or replace an entire system, including the electric and plumbing systems, unless such repair or replacement is necessitated by the negligence of City, its officers, agents, employees, or contractors. City shall arrange for janitorial services and trash removal at its sole cost and expense. 1155 shall deliver the Premises with the HVAC in good working order and provide evidence of such to City in writing. City will be responsible for normal maintenance of the HVAC systems and will, as requested, provide documentation of regular preventive maintenance performed. The cost of any required repairs or replacement of the HVAC shall be paid by City up to \$10,000.00 per year, and 1155 shall be responsible for the remaining balance. 1155 shall not provide or replace

any fire extinguishers except those fire extinguishers that are currently located within the Premises. The building contains a security system that monitors the Premises, but 1155 makes no representations or guarantees as to the condition or working order of the system or the security of the Premises.

13. **COMMON AREAS.** During the pendency of this Lease, City shall be responsible for City's pro-rata share of the increases in insurance and in real estate taxes for the Premises that occur after the Commencement Date. City shall also be responsible for its pro-rata share of the common area expenses including, without limitation, repairs and maintenance of the common areas, parking areas, and exterior lighting.

14. **ELECTRIC ROOM.** City acknowledges that the electricity source for the building is located in the Premises. 1155 will retain rights to access such electric room throughout the Term of this Lease. Additionally, in the event a lease is signed with a third party for any portion of the vacant space, 1155 retains the right to (a) determine the best way to compute the pro-rata share of the common utilities, and (b) retain access to those areas located in the Premises that supply the entire building.

15. **PARKING.** Until such time that another tenant leases a portion of the building, City will have exclusive access and use of the parking areas on the Premises. To the extent unauthorized persons use the parking areas of the Premises, City is hereby authorized and shall have the responsibility to enforce its exclusive use of the parking areas.

16. **UTILITIES.** City will be responsible for all utility costs in association with the operation of the Premises.

17. **1155 MAINTENANCE.** 1155 covenants that it will, at its own cost and expense, be responsible for the maintenance of the roof and major structural building systems of the Premises, as described in Paragraph 10.

18. **ESTOPPEL CERTIFICATE.** City shall, from time to time and within ten (10) days after request therefor by 1155, execute, acknowledge and deliver to 1155 a written Estoppel Certificate in recordable form. The Estoppel Certificate shall certify to 1155, its Mortgagee or other party designated by 1155 as of the date of such Estoppel Certificate that (a) City is in possession of the Premises and is currently paying the Rent; (b) the following Lease dates are and have been established: the Commencement Date and Termination Date of this Lease, and the date upon which City started to pay Rent; (c) this Lease is unmodified and in full force and effect, or if there have been modifications, that the same are in full force and effect (setting forth such modifications); (d) there are no existing set-offs or defenses to the enforcement of any rights or remedies of 1155, or any duties or obligations of City, hereunder, or, if there are, they shall be specified in detail; and (e) City has no knowledge of any event having occurred that will justify the termination of this Lease by City, or any uncured defaults on the part of 1155 under this Lease; if City has such knowledge, the same shall be specified in detail.

19. **SUBORDINATION AND ATTORNMENT.** City agrees that this Lease is subordinate to any mortgage or lien resulting from financing or refinancing, now or hereafter placed upon the land on which the Premises have been built or upon any building hereafter placed upon the land, of which the Premises are a part. City will, further, attorn to and acknowledge any foreclosure purchaser or purchasers as 1155 hereunder. This subordination shall be self-operative and no further instrument of subordination shall be required by any mortgagee. However, City

shall, upon the request of any party in interest, promptly execute such instrument or certificate to carry out the intent hereof as shall be required by 1155.

20. **QUIET ENJOYMENT.** 1155 hereby covenants that City, upon fully complying with and promptly performing all the terms, covenants and conditions of this Lease, on its part to be performed, and further, upon the prompt and timely payment of all rental sums due hereunder, shall have and quietly enjoy the Premises for the Term set forth herein.

21. **INDEMNITY AGAINST LIENS.** City agrees that it will, at all times during the Term of this Lease, take any and all steps necessary to prevent the filing of mechanic's liens against the Premises resulting from any work performed by or on behalf of City. In no event shall 1155 or any of 1155's property be liable for or chargeable with any expense or lien for work, labor or materials used for and in the Premises by or on behalf of City; or for any improvements thereof or changes made upon the order of City, or to discharge the obligations of City during the Term of this Lease. 1155 agrees to the same obligations towards City as to any liens or charges or expenses made upon order of 1155.

22. **FIRE AND/OR DESTRUCTION.** If the Premises shall be damaged by fire or other casualty at a time when more than six (6) months is remaining in the Term of this Lease or any extension or renewals thereof, 1155 agrees that it will restore the structural components and items with reasonable dispatch to substantially the same condition that they were in, so far as the proceeds from 1155's insurance permits and provided that 1155's mortgagee does not require insurance proceeds to be paid to it. Once 1155's restoration work is complete to City's reasonable satisfaction, and since time is of the essence, City's rent payment shall recommence on the thirtieth (30th) day after 1155 notifies City in writing that the Premises are ready for fixturing. City shall be responsible, at its sole cost and expense, to repair or replace any of City's fixtures, equipment and

leasehold improvements which were damaged or destroyed by the same insured cause. The Rent payable hereunder shall be equitably and proportionately abated, according to loss of use to City, during the period of time intervening between the date of such fire and/or destruction and the date that the Premises are restored. In the event that the property is not restored so as to permit reentry by City to its prior capacity by a date ninety (90) days after casualty then City may terminate this Lease without penalty or any further obligation by advising 1155 in writing.

23. **FORCE MAJEURE**. In the event that either party hereto shall be delayed or hindered in, or prevented from, the performance of any act required hereunder by reason of strikes, lock-outs, labor troubles, inability to procure materials, failure of power, restrictive governmental laws or regulations, riots, insurrection, war or other reason of a like nature, not the fault of the party delayed in performing the work or doing acts required under the terms of this Lease, then performance of such act shall be excused for the period of the delay and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay; provided, however, that the provisions of this paragraph shall not operate to release City from this Lease nor to excuse City from prompt payment of Rent.

24. **EMINENT DOMAIN**. If all the Premises are condemned or taken by the power of eminent domain exercised by any governmental or quasi-governmental authority, this Lease shall terminate as of the date that City is required to vacate the Premises and all Rent shall be paid up to and until the date of termination. If only part of the Premises shall be taken and the size of the Premises is proportionately reduced, then City is entitled to an equal and proportionate reduction in Rent. Further, 1155 shall, as expeditiously as possible, repair the remaining portion of Premises to the extent necessary to render the same suitable for which the Premises were leased.

City hereby waives any right that it may have to any condemnation award or sum paid under threat of condemnation as a result of a complete or partial taking of the Premises.

25. **DEFAULT**. The occurrence of any one of the following events may constitute a default by the party and a breach of this Lease and its covenants by the party, if such default, breach or nonperformance is continued and not cured or commenced to be cured within the applicable number of days after written notice:

(a) The failure by City to make any payment of Rent, and adjustments within ten (10) days after same shall be due, if written notice has been received by City, including right to cure and the cure period has lapsed;

(b) The failure by either party to perform any covenants herein, or the breach by either party of the Lease covenants herein, and the continual further failure by City to cure such covenant, breach, or non performance within fifteen (15) days after written notice;

(c) The failure by either party to perform all of its obligations under the terms of this Lease.

26. **REMEDIES**. In the event of either party's default, the non-defaulting party has the right to terminate this Lease, in addition to all other rights and remedies provided by the law.

27. **HOLDOVER TENANCY**. If City shall occupy the Premises after the established Termination Date of this Lease, including any Termination Date established by a failure of Norfolk City Council to appropriate funds or any Termination Date otherwise established under the terms of this Lease, and in the absence of any written agreement extending the term hereof, the City's tenancy shall become a month-to-month Holdover Tenancy, that may be terminated by either City or 1155 upon thirty (30) days written notice, and the Rent shall be due in an amount equal to the

Monthly Base Rent, applicable and due at the Termination Date, plus Five Thousand and 00/100 Dollars (\$5,000.00).

28. **TERMINATION AND SURRENDER.** Upon the expiration or termination of this Lease, City shall surrender the Premises to 1155 in as good a condition as they were found upon City taking possession of the Premises, except for ordinary wear and tear. City shall deliver to 1155 or its Agent all keys to the Premises and remove all its personal property, merchandise and trade fixtures and make all necessary repairs or reimbursements. After City vacates or abandons the Premises, 1155 may elect to retain or dispose of, in any manner, any of City's improvements or City's personal property that City does not remove from the Premises prior to the Termination Date. Title to any such personal property shall vest in 1155. City waives all claims against 1155 for any damage to City resulting from 1155's retention or disposition of any such personal property. City shall also be liable to 1155 for 1155's expenses and costs of removing, disposing of and storing any of City's personal property.

29. **CITY WAIVERS.** The failure of 1155 to insist upon strict performance by City as to any Lease covenant shall not be construed as a waiver by 1155 of such covenant in the future, but the same shall continue and remain in full force and effect. The receipt by 1155 or its Agent of rent with knowledge of a covenant breach shall not be deemed a waiver of such covenant breach, and no waiver by 1155 of any provision hereof shall be deemed to have been agreed upon unless expressed in writing and signed by the parties hereto.

30. **SUCCESSORS AND ASSIGNS.** All the terms, covenants and provisions of this Lease shall extend to and be binding upon 1155 and City and their respective heirs, administrators, executors, successors, assigns, subtenants, sublessees, and any person or persons who obtain an ownership or possessory interest in the Premises by operation of law or otherwise.

31. **NOTICES.** Any notice to be given to either party shall be deemed to be given when posted in United States registered or certified mail, postage prepaid, addressed as follows:

c/o Mr. Paul H. Peck, President
P.O. Box 2394

Norfolk, Virginia 23510

Either party may, at any time, change its address for the purposes of notice by sending a written notice to the other party stating the change and setting forth the new address.

32. **BROKERAGE REPRESENTATION.** 1155 and City shall have no obligation to the other for the payment of any real estate commission in regard to this Lease

33. **LEASE SUBMISSION.** The submission of this Lease for examination does not constitute an offer to lease. This Lease shall become effective only upon execution by both City and 1155.

34. **HAZARDOUS SUBSTANCES.** The term Hazardous Substances as used herein shall include any substances declared to hazardous or toxic under any law or regulation now or hereafter enacted or promulgated by any governmental authority having jurisdiction. City shall not cause, or permit its agent, licensees or employees to use, generate, release, manufacture, produce, process, store, or dispose of any hazardous substance on or from the Premises. Hazardous Substances shall not include any materials kept on the Premises, in those limited quantities necessary for the operation or maintenance of office equipment. City shall be responsible for payment of all damages, fines, judgments, penalties, costs, liabilities, or losses arising during or after the term of this Lease, and any extensions thereto, from or in connection with the presence

of any Hazardous Substances in or on the Premises to the extent such Hazardous Substances are present due to the negligent acts or omissions of City, its employees, agents, or contractors.

35. **ENTRY.** City agrees to permit 1155 and/or its authorized agent to enter the Premises upon twenty-four (24) hours notice for inspecting, making such repairs or additions as 1155 may desire or be required to make, for showing the Premises to any prospective purchaser, and during the last six (6) months of this Lease Term or any extension or renewal, to prospective tenants. 1155 shall perform such repairs, at such times and in such manner as will not unreasonably interfere with the use of the Premises by City. 1155 shall have the right to enter the Premises without notice in situations deemed to be emergency situations by 1155.

36. **TIME OF THE ESSENCE.** Time shall be of the essence in this Lease.

37. **SELF INSURED.** The parties acknowledge that City is self-insured. City shall have the right to satisfy any or all insurance requirements by use of self-insurance and shall provide evidence of the same to 1155.

38. **ENTIRE AGREEMENT.** This Lease contains the entire agreement of the parties. No prior oral or written agreement, understanding, representation or warranty, promise or statement shall be effective or binding for any reason or purpose, unless specifically set forth in this Lease. No provision of this Lease may be amended or added to except by an agreement in writing, signed by the parties hereto or their respective successors in interest. This Lease shall not be effective or binding on either party until fully executed by both parties hereto.

IN WITNESS WHEREOF this Lease has been duly executed by the parties hereto.

II. Applicant: 455 Granby, LLC
Attn: Mr. Sture V. Sigfred
305 Brooke Ave, #404
Norfolk, VA 23510

III. Description:
This agenda item is an ordinance to permit 455 Granby, LLC ("455") to encroach into the City of Norfolk's (the "city's") right-of-way at 455 Granby Street with an area measuring approximately 130 square feet for use as an outdoor dining area and for no other purpose.

IV. Analysis
This encroachment will permit 455 and its tenant, Leone's, to utilize this area for outdoor dining in addition to the establishment's indoor seating options. - g. Reimburse the DEPARTMENT all Project expenses incurred by the DEPARTMENT if, due to action or inaction solely by the LOCALITY, federally funded Project expenditures incurred are not reimbursed by the Federal Highway Administration (FHWA), or reimbursements are required to be returned to the FHWA, or in the event the reimbursement provisions of Section 33.2-348 or Section 33.2-331 of the Code of Virginia, 1950, as amended, or other applicable provisions of federal, state, or local law or regulations require such reimbursement.

- k. If legal services other than that provided by staff counsel are required in connection with condemnation proceedings associated with the acquisition of Right-of-Way, the LOCALITY will consult the DEPARTMENT to obtain an attorney from the list of outside counsel approved by the Office of the Attorney General.  - m. Ensure compliance with the provisions of Title VI of the Civil Rights Act of 1964, regulations of the United States Department of Transportation (USDOT), Presidential Executive Orders and the Code of Virginia relative to nondiscrimination.
2. The DEPARTMENT shall:
- a.  - b. Upon receipt of the LOCALITY's invoices pursuant to paragraph 1.f., reimburse the LOCALITY the cost of eligible Project expenses, as described in Appendix A. Such reimbursements shall be payable by the DEPARTMENT within 30 days of an acceptable submission by the LOCALITY.

 - d. Audit the LOCALITY's Project records and documentation as may be required to verify LOCALITY compliance with federal and state laws and regulations.
 - e. Make available to the LOCALITY guidelines to assist the parties in carrying out responsibilities under this Agreement.
3. Appendix A identifies the funding sources for the project, phases of work to be administered by the LOCALITY, and additional project-specific requirements

4. If designated by the DEPARTMENT, the LOCALITY is authorized to act as the DEPARTMENT's agent for the purpose of conducting survey work pursuant to Section 33.2-1011 of the Code of Virginia, 1950, as amended.
5. Nothing in this Agreement shall obligate the parties hereto to expend or provide any funds in excess of funds agreed upon in this Agreement or as shall have been included in an annual or other lawful appropriation. In the event the cost of a Project is anticipated to exceed the allocation shown for such respective Project on Appendix A, both parties agree to cooperate in providing additional funding for the Project or to terminate the Project before its costs exceed the allocated amount, however the DEPARTMENT and the LOCALITY shall not be obligated to provide additional funds beyond those appropriated pursuant to an annual or other lawful appropriation.
6. Nothing in this Agreement shall be construed as a waiver of the LOCALITY's or the Commonwealth of Virginia's sovereign immunity.
7. The Parties mutually agree and acknowledge, in entering this Agreement, that the individuals acting on behalf of the Parties are acting within the scope of their official authority and the Parties agree that neither Party will bring a suit or assert a claim against any official, officer, or employee of either party, in their individual or personal capacity for a breach or violation of the terms of this Agreement or to otherwise enforce the terms and conditions of this Agreement. The foregoing notwithstanding, nothing in this subparagraph shall prevent the enforcement of the terms and conditions of this Agreement by or against either Party in a competent court of law.
8. The Parties mutually agree that no provision of this Agreement shall create in the public, or in any person or entity other than the Parties, rights as a third party beneficiary hereunder, or authorize any person or entity, not a party hereto, to maintain any action for, without limitation, personal injury, property damage, breach of contract, or return of money, or property, deposit(s), cancellation or forfeiture of bonds, financial instruments, pursuant to the terms of this Agreement or otherwise. Notwithstanding any other provision of this Agreement to the contrary, unless otherwise provided, the Parties agree that the LOCALITY or the DEPARTMENT shall not be bound by any agreements between the either party and other persons or entities concerning any matter which is the subject of this Agreement, unless and until the LOCALITY or the DEPARTMENT has, in writing, receive a true copy of such agreement(s) and has affirmatively agreed, in writing, to be bound by such Agreement.
9. This Agreement may be terminated by either party upon 30 days advance written notice. Eligible Project expenses incurred through the date of termination shall be

reimbursed in accordance with paragraphs 1.f, 1.g., and 2.b, subject to the limitations established in this Agreement and Appendix A. Upon termination, the DEPARTMENT shall retain ownership of plans, specifications, and right of way, unless all state and federal funds provided for the Project have been reimbursed to the DEPARTMENT by the LOCALITY, in which case the LOCALITY will have ownership of the plans, specifications, and right of way, unless otherwise mutually agreed upon in writing.

10. Prior to any action pursuant to paragraphs 1.b or 1.g of this Agreement, the DEPARTMENT shall provide notice to the LOCALITY with a specific description of the breach of agreement provisions. Upon receipt of a notice of breach, the LOCALITY will be provided the opportunity to cure such breach or to provide a plan to cure to the satisfaction to the DEPARTMENT. If, within sixty (60) days after receipt of the written notice of breach, the LOCALITY has neither cured the breach, nor is diligently pursuing a cure of the breach to the satisfaction of the DEPARTMENT, then upon receipt by the LOCALITY of a written notice from the DEPARTMENT stating that the breach has neither been cured, nor is the LOCALITY diligently pursuing a cure, the DEPARTMENT may exercise any remedies it may have under this Agreement.

THE LOCALITY and DEPARTMENT acknowledge and agree that this Agreement has been prepared jointly by the parties and shall be construed simply and in accordance with its fair meaning and not strictly for or against any party.

THIS AGREEMENT, when properly executed, shall be binding upon both parties, their successors, and assigns.

THIS AGREEMENT may be modified in writing by mutual agreement of both parties.

IN WITNESS WHEREOF, each party hereto has caused this Agreement to be executed as of the day, month, and year first herein written.

I. **Recommendation:** Adopt Ordinance

II. **Applicant:** City of Norfolk, Department of Utilities

III. **Description:**

This agenda item is an ordinance to authorize the Director of Finance to credit the accounts of the Department of Utilities ("Utilities") with \$823,126, the amount of uncollectible water charges, utility taxes, refuse disposal, wastewater collection and storm water fees for Fiscal Year ("FY") 2013. This amount represents 0.50% of the billed revenue.

IV. **Analysis**

Extensive efforts are directed towards collection of delinquent inactive accounts. A reminder notice is sent if the customer's final bill is not paid. Additionally, the City of Norfolk (the "city") participates in the State Debt Set-Off Program (the "program"). The program allows the city to offset the outstanding bills against state tax refunds and lottery winnings owed to the customer.

The city's collection efforts also include referring delinquent accounts to collection agencies, placing liens against properties and seeking personal judgments through the court system. Property liens reflect against the debtor's name when title searches are performed and prevent properties from being sold until the outstanding debt is satisfied. In accordance with the *Code of Virginia* § 8.01-246(4), judgments are sought within three (3) years for outstanding debt. Utilities attempts to locate current addresses of debtors by utilizing information from the U.S. Postal Service, Department of Motor Vehicles, Equifax and Hampton Roads Sanitation District systems. Once judgment is awarded in General District Court, it is also filed in Circuit Court, sustaining the life of the judgment for twenty years.

At the end of the three year period, all internal resources have been exhausted and the ability to recover outstanding debt diminishes significantly. Therefore, it is the city's policy to remove the uncollected utility bills of this age from the accounts receivable. The total dollar amount of \$823,126 for non-collectible balances for FY 2013 is 0.50% of the total billed revenue of \$164,916,903. Uncollectible past due amounts of approximately 0.5%-1% are typical for water utilities in this area.

V. Financial Impact

Each year, the Water and Wastewater Funds set up a reserve for uncollectible accounts based upon a three (3) year historical trend. The range for these reserves is about 1% of the total revenue. After these accounts are approved for write-off, the amounts are offset against their respective reserve accounts and do not impact the current budget.
