The Employee Engagement & Recognition Committee (EERC) is looking for representation from every department.

Who we are

The EERC is comprised of employees representing various departments who are passionate about making a difference in employee engagement and recognition within the City of Norfolk.

What we do

The purpose of the committee is to provide professional, social and recreational opportunities to foster a culture of involvement and to increase employee morale while recognizing those employees who exemplify the City of Norfolk's core values of accountability, integrity, innovation and respect through outstanding public service.

When are the meetings?

The committee meets the 3rd Friday of each month from 9:30 A.M. to 10:30 A. M.
