## Quill Road Water and Sewer Main Installation

Dear Valued Customer,

The City of Norfolk Department of Utilities has hired TA Sheets General Contractors, Inc. to install water and sanitary sewer pipes along Quill Road, between Pickett Road and Typo Avenue, as shown on the map to the right.

The project will begin this month and is anticipated to be completed within 2 to 3 months. Work will include the installation of new water and sanitary sewer pipes and a resurfaced street.

Sanitary sewer and water services will be maintained throughout construction. Through traffic will be restricted in the construction area for the duration of the project. Traffic detours will be established in the surrounding areas before construction starts.

The City and our contractor will do our best to minimize the unavoidable disruptions associated with the construction. If you have any questions or concerns regarding this project, please do not hesitate to contact the City's Construction Inspector, Mr. Michael Gomes. He can be reached by cell phone at 757-390-7535 to respond quickly. You may also contact Gabriel Phelps, Project Manager at 757-664-6737.

Sincerely,

Kristen M. Lentz, P.E.  
Director of Utilities
