Sanitary Sewer and Water Infrastructure Improvements
Planned for Bayview

Dear Valued Customer,

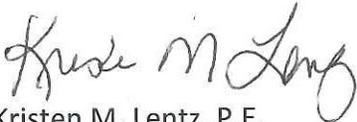

The City of Norfolk Department of Utilities is pleased to have scheduled a \$2.2 million improvement project in your neighborhood. The project area (shown on the map to the right) will receive new sanitary sewer and water pipes and fully resurfaced streets.

The City's contractor, Peters & White Construction, is planning to begin work in February 2017 and finish in the fall of 2018.

The City and our contractor will do our best to minimize the unavoidable disruptions associated with the construction. If you have any questions regarding this project, please do not hesitate to contact the City's on-site construction inspector, Rhonda Wyda. She can be reached by cell phone at 651-8433 to respond quickly. You may also contact the project manager, Leticia Quejada, at 664-6768.

The Department of Utilities looks forward to completing this project which will enhance your water and sanitary sewer services for years to come.

Sincerely,

Kristen M. Lentz, P.E.
Director of Utilities
