UPDATE

Bayview Sanitary Sewer and Water Infrastructure Improvement Project
Nears Completion

Dear Valued Customer,

The construction to improve the water and sanitary sewer infrastructure and road resurfacing in the area shown on the map to the right continues with anticipated completion in January 2017.

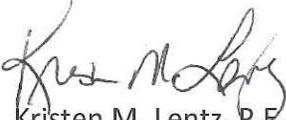

In the coming weeks, the City's contractor, Inner View, Ltd, will continue with the remaining sewer work along Parkview Avenue from Inlet Road to Whit Avenue.

The City and our contractor will do our best to minimize the unavoidable disruptions associated with the construction. If you have any questions regarding this project, please do not hesitate to contact the City's on-site construction inspector, Rhonda Wyda. She can be reached by cell phone at 651-8433 to respond quickly. You may also contact the project manager, Leticia Quejada, at 664-6768.

The Department of Utilities looks forward to completing this project which will enhance your water and sanitary sewer services for years to come.

Sincerely,

Kristen M. Lentz, P.E.
Director of Utilities
