History: This message has been forwarded.

We have now discontinued the sale and download of our Cover Sheet Agent Desktop Edition. On November 1, 2008, is the end of support date for our Cover Sheet Agent Desktop Edition.

We are continuing to offer our Cover Sheet Agent Web (Online) Edition, which now allows users to have 10 FREE printed cover sheets before a paid subscription is required.

To access our Cover Sheet Agent Web (Online) edition, users must visit our website International Land Systems (ILS), Inc. - Home, and follow the steps below.

1. Click the "Click here for CSA Online" link on the left hand side of the home page.
2. Click the "Sign Up" button. You will be asked to establish a log-in and password to access your account and more general information. Then click the "Sign Up" button.
3. An activation code should have now been sent to your email. If not, please enter an email address then click "Resend Activation Code".
4. Open you email and click the "activation link". If the provided link does not work in your browser please copy and paste the activation code into the Activation Code box.
5. You should now be able to create 10 FREE printed cover sheets by clicking the "Skip" button. If you wish to pay now click the "Update Billing Info." Button.
6. The Payment screen will now appear. Payment for Web Edition is by credit card only. We do not invoice for this version. It is NOT payable by company check. CREDIT CARD payment only.
7. Fill in the required fields on this page and enter your credit card information.

Note: If you subscribe more than 1 user, the fee per month goes up accordingly, ex. For 2 users, the fee is \$19.90 per month.

8. Read and accept the end user License Agreement.

9. Click the "subscribe" button at the bottom of the page to finish.

Note: Your log-in and password allow you access to Cover Sheet agent online. Please store this information carefully along with the \*secret question and answer. You will need to know the secret question/ answer if you ever forget your log-in and password.
